

The book cover features a delicate floral pattern on a light blue background. The pattern includes large red flowers, smaller blue and purple blossoms, and clusters of red berries, all connected by thin green stems with small leaves. A dark green rectangular label is centered on the lower half of the cover, containing the title and editor information in white text.

Alma Bennett

Rebel Came Home The Diary And Letters Of Floride Clemson 1863 1866:

A Rebel Came Home Floride Clemson, Ernest McPherson Lander (Jr.), 1989 A portrait of one woman's life during the Civil War and the early months of Reconstruction Treats at length the deprivations of war and its aftermath the contrast of conditions in the North and the South shortages and high prices and the displacement of many once affluent Southerners Revised from the 1961 edition with supplemental material and an updated introduction Annotation copyrighted by Book News Inc Portland OR

A Rebel Came Home Floride Clemson, 2011-05-01 Illustrated By Olivia Jackson McGee The Diary Of A Native Of South Carolina Who Spent Much Of The War In The North But Returned Home Several Months Before The War Was Over Her 500 Mile Trip Via Boat Railroad Carriage And Cart Brought Her Home From Yankeeland To See The Last Of The Confederacy And The Dark Days Following

A Rebel Came Home Floride Clemson, 1989

Nothing Less than Victory John David Lewis, 2013-12-26 How aggressive military strategies win wars from ancient times to today The goal of war is to defeat the enemy's will to fight But how this can be accomplished is a thorny issue Nothing Less than Victory provocatively shows that aggressive strategic military offenses can win wars and establish lasting peace while defensive maneuvers have often led to prolonged carnage indecision and stalemate Taking an ambitious and sweeping look at six major wars from antiquity to World War II John David Lewis shows how victorious military commanders have achieved long term peace by identifying the core of the enemy's ideological political and social support for a war fiercely striking at this objective and demanding that the enemy acknowledges its defeat Lewis examines the Greco Persian and Theban wars the Second Punic War Aurelian's wars to reunify Rome the American Civil War and the Second World War He considers successful examples of overwhelming force such as the Greek mutilation of Xerxes army and navy the Theban led invasion of the Spartan homeland and Hannibal's attack against Italy as well as failed tactics of defense including Fabius's policy of delay McClellan's retreat from Richmond and Chamberlain's appeasement of Hitler Lewis shows that a war's endurance rests in each side's reasoning moral purpose and commitment to fight and why an effectively aimed well planned and quickly executed offense can end a conflict and create the conditions needed for long term peace Recognizing the human motivations behind military conflicts Nothing Less than Victory makes a powerful case for offensive actions in pursuit of peace

Liberia, South Carolina John M. Coggeshall, 2018-04-10 In 2007 while researching mountain culture in upstate South Carolina anthropologist John M Coggeshall stumbled upon the small community of Liberia in the Blue Ridge foothills There he met Mable Owens Clarke and her family the remaining members of a small African American community still living on land obtained immediately after the Civil War This intimate history tells the story of five generations of the Owens family and their friends and neighbors chronicling their struggles through slavery Reconstruction the Jim Crow era and the desegregation of the state Through hours of interviews with Mable and her relatives as well as friends and neighbors Coggeshall presents an ethnographic history that allows members of a largely ignored community to speak and record their

own history for the first time This story sheds new light on the African American experience in Appalachia and in it Coggeshall documents the community s 150 year history of resistance to white oppression while offering a new way to understand the symbolic relationship between residents and the land they occupy tying together family memory and narratives to explain this connection

Southern Crucifix, Southern Cross Andrew Henry Stern,2012-11-30 Southern Crucifix Southern Cross examines the complex and often overlooked relationships between Catholics and Protestants in the antebellum South In sharp contrast to many long standing presumptions about mistrust or animosity between these two groups this study proposes that Catholic and Protestant interactions in the South were characterized more by cooperation than by conflict Andrew H M Stern argues that Catholics worked to integrate themselves into southern society without compromising their religious beliefs and that many Protestants accepted and supported them Catholic leaders demonstrated the compatibility of Catholicism with American ideals and institutions and Protestants recognized Catholics as useful citizens true Americans and loyal southerners in particular citing their support for slavery and their hatred of abolitionism Mutual assistance between the two groups proved most clear in shared public spaces with Catholics and Protestants participating in each other s institutions and funding each other s enterprises Catholics and Protestants worshipped in each other s churches studied in each other s schools and recovered or died in each other s hospitals In many histories of southern religion typically thought of as Protestant Catholicism tends to be absent Likewise in studies of American Catholicism Catholic relationships with Protestants including southern Protestants are rarely discussed Southern Crucifix Southern Cross is the first book to demonstrate in detail the ways in which many Protestants actively fostered the growth of American Catholicism Stern complicates the dominant historical view of interreligious animosity and offers an unexpected model of religious pluralism that helped to shape southern culture as we know it today

You're Doing it Wrong! Bethany L. Johnson,Margaret M. Quinlan,2019-04-19 New mothers face a barrage of confounding decisions during the life cycle of early motherhood which includes Should they change their diet or mindset to conceive Exercise while pregnant Should they opt for a home birth or head for a hospital Whatever they choose they will be sure to find plenty of medical expertise from health practitioners to social media influencers telling them that they re making a series of mistakes As intersectional feminists with two small children each Bethany L Johnson and Margaret M Quinlan draw from their own experiences as well as stories from a range of caretakers throughout You re Doing it Wrong investigates the storied history of mothering advice in the media from the newspapers magazines doctors records and personal papers of the nineteenth century to today s websites Facebook groups and Instagram feeds Johnson and Quinlan find surprising parallels between today s mothering experts and their Victorian counterparts but they also explore how social media has placed unprecedented pressures on new mothers even while it may function as social support for some They further examine the contentious construction of prenatal and baby care expertise itself as individuals such as everyone from medical professionals to experienced moms have competed to have their expertise

acknowledged in the public sphere Exploring potential health crises from infertility treatments to better babies milestones You re Doing it Wrong provides a provocative look at historical and contemporary medical expertise during conception pregnancy childbirth postpartum and infant care stages **Thomas Green Clemson** Alma Bennett,2023-10-23 Thomas Green Clemson 1807 1888 the founder of Clemson University was a complex man of broad and varied interests To introduce us to this man specialists of history science agriculture engineering music art diplomacy law and communications come together to address Clemson s multifaceted life and issues that helped shape him *Calhoun and Popular Rule* H. Lee Cheek,2004 Although John C Calhoun 1782 1850 remains one of the major figures in American political thought many of his critics have tried to discredit him as merely a Southern partisan whose ideas were obsolete even during his lifetime In *Calhoun and Popular Rule* H Lee Cheek Jr attempts to correct such misconceptions by presenting Calhoun as an original political thinker who devoted his life to the recovery of a proper mode of popular rule As the first combined evaluation of Calhoun s most important treatises *The Disquisition* and *The Discourse* this work merges Calhoun s theoretical position with his endeavors to restore the need for popular rule It also compares Calhoun s ideas with those of other great political thinkers such as Thomas Jefferson and James Madison while explaining what is truly unique about Calhoun s political thought

Transforming Civil War Prisons Paul J. Springer,Glenn Robins,2014-09-04 During the Civil War 410 000 people were held as prisoners of war on both sides With resources strained by the unprecedented number of prisoners conditions in overcrowded prison camps were dismal and the death toll across Confederate and Union prisons reached 56 000 by the end of the war In an attempt to improve prison conditions President Lincoln issued General Orders 100 which would become the basis for future attempts to define the rights of prisoners including the Geneva conventions Meanwhile stories of horrific prison experiences fueled political agendas on both sides and would define the memory of the war as each region worked aggressively to defend its prison record and to honor its own POWs Robins and Springer examine the experience culture and politics of captivity including war crimes disease and the use of former prison sites as locations of historical memory *Transforming Civil War Prisons* introduces students to an underappreciated yet crucial aspect of waging war and shows how the legacy of Civil War prisons remains with us today
