Women in Sub-Saharan Africa Iris Berger, E. Frances White, 1999 These four volumes in this major series provide a single source reference to the status of the field of women s history and to ways that the field can be expanded A basic set for all academic libraries Library Journal Academic Newswire Berger and White focus on Sub Saharan Africa tracing women s history from earliest times to the present By exploring their place in social economic political and religious life the authors highlight the changing societal position of women through shifts over time in ideas about gender and the connections between women s public and private spheres

The Oxford Encyclopedia of Women in World History Bonnie G. Smith, 2008 The Encyclopedia of Women in World History captures the experiences of women

throughout world history in a comprehensive 4 volume work Although there has been extensive research on women in history by region no text or reference work has comprehensively covered the role women have played throughout world history The past thirty years have seen an explosion of research and effort to present the experiences and contributions of women not only in the Western world but across the globe Historians have investigated womens daily lives in virtually every region and have researched the leadership roles women have filled across time and region They have found and demonstrated that there is virtually no historical social or demographic change in which women have not been involved and by which their lives have not been affected The Oxford Encyclopedia of Women in World History benefits greatly from these efforts and experiences and illuminates how women worldwide have influenced and been influenced by these historical social and demographic changes The Encyclopedia contains over 1 250 signed articles arranged in an A Z format for ease of use The entries cover six main areas biographies geography and history comparative culture and society including adoption abortion performing arts organizations and movements such as the Egyptian Uprising and the Paris Commune womens and gender studies and topics in world history that include slave trade globalization and disease With its rich and insightful entries by leading scholars and experts this reference work is sure to be a valued go to resource for scholars college and high school students and general readers alike

experience that will appeal to skaters of all levels dreamers beginners and experts alike African American Female Leadership in Major Motion Pictures Tracy L.F. Worley,2024-02-09 This book explores the factors contributing to the under representation of African American female directors in mainstream cinema leadership It also unmasks the potential strategies African American female film directors might pursue to reduce this inequity Author Tracy L F Worley draws on research around ethics to conclude that there are specific consequences of the male gaze on women in cinema leadership especially African American female directors of box office cinema Combining extensive analysis of ethics and ethical stance relative to the motion picture industry with perspectives from working African American female directors the text discusses the ethical considerations and historical inequities including the male gaze and uses those findings to define how the inequities can be opportunities The efficacy model for cinematic leadership is presented as a mechanism for viewing obstacles through the lenses of gender ethnicity and culture so they become drivers for African American women to achieve success Ideal for students of directing and filmmaking as well as aspiring professional filmmakers wishing to gain a better understanding of the industry as it stands today The Untold Stories of Female Athletes Yvonne Bertovich,2019 Watching women take home gold medals and sparkling trophies from sporting competitions was not always as commonplace as it is in today s society Like in many aspects of our culture women throughout history struggled against prejudice and dealt with condescending male counterparts before reaching their place in the spotlight of athletics Before Venus Williams volleyed her way to her fourth Grand Slam Lucy Diggs Slowe proved African American women could win titles alongside men Before Danica Patrick raced past the finish line in the Indy Japan 300 Odette Siko helped to pave the racetrack for women in auto racing And Madge Syers was breaking rules and changing the course of figure skating history long before Michelle Kwan spiraled onto the ice Their names may have been forgotten in history outshined by men like Babe Ruth Michael Jordan and Muhammed Ali but the legacies of women in sports live on today through their predecessors The athletic women of history have stories filled with dramatic struggles game changing firsts and historic victories They deserve to be told *Where the Millennials Will Take Us* Barbara J. Risman,2018-01-30 Are today s young adults gender rebels or returning to tradition In *Where the Millennials Will Take Us* Barbara J Risman reveals the diverse strategies youth use to negotiate the ongoing gender revolution Using her theory of gender as a social structure Risman analyzes life history interviews with a diverse set of Millennials to probe how they understand gender and how they might change it Some are true believers that men and women are essentially different and should be so Others are innovators defying stereotypes and rejecting sexist ideologies and organizational practices Perhaps new to this generation are gender rebels who reject sex categories often refusing to present their bodies within them and sometimes claiming genderqueer identities And finally many youths today are simply confused by all the changes swirling around them As a new generation contends with unsettled gender norms and expectations Risman reminds us that gender is much more than an identity it also shapes expectations in everyday life and

structures the organization of workplaces politics and ideology To pursue change only in individual lives Risman argues risks the opportunity to eradicate both gender inequality and gender as a primary category that organizes social life

Subaltern Women's Narratives Samraghni Bonnerjee, 2020-12-29 Subaltern Women's Narratives brings together intersectional feminist scholarship from the Humanities and Social Sciences and explores subaltern women's narratives of resistance and subversion Interdisciplinary in nature the collection focuses on fictional texts archival records and ethnographic research to explore the lived experiences of subaltern women in different marginalised communities across a wide geographical landscape as they negotiate their way through modes of labour and activism Thematically grouped the focus of this book is two fold to look at the lived experiences of subaltern women as they negotiate their lives in a world of political flux and conflicts and to examine subaltern women's dissenting practices as recorded in texts and archives This collection will push the boundaries of scholarship on decolonial and postcolonial feminism and subaltern studies reading women's subversive practices especially in the themes of epistemology and embodiment This book is aimed primarily at scholars postgraduates and undergraduates working in the fields of colonial and postcolonial studies It will appeal to both historians and scholars of nineteenth century and contemporary literature Specifically scholars working on subaltern theory feminist theory indigenous cultures anticolonial resistance and the Global South will find this book particularly relevant
