When Managers Rebel David Courpasson, Jean-Claude Thoenig, 2010-09-08 Employee and manager rebellions occur more often than you might think This book argues how important it is to take these protests seriously The authors demonstrate that when middle managers rebel they aren't just letting off steam and that their acts of creative protest can even produce benefits for their companies Rebellion can pay off **Expanding the Frontiers of Design** Gabriela Goldschmidt, Ezri Tarazi, 2023-10-31 Design Thinking a method widely used in design business and management has changed the landscape of contemporary design Whereas in the past non designers were called upon to serve as external consultants ad hoc in an effort to promote creativity and innovation most design teams now consist of a mix of designers and other professionals The impact of this development on the design landscape in recent years is so far without thorough investigation and analysis of its

various influences This book comprises an edited collection of selected papers from the 13th Design Thinking Research Symposium DTRS13 which offers an exploration of Design Thinking from theoretical practical and pedagogical perspectives as well as critical analysis of the design process The book is arranged in five parts as follows Part 1 Thinking about design Part 2 Design thinking in the studio Part 3 Design thinking in practice and professional training Part 4 Design teams of diverse backgrounds Interdisciplinary projects Part 5 Design and nature visual representation Providing a comprehensive source for new perspectives on design and Design Thinking Expanding the Frontiers of Design is ideal for designers and design academics of all disciplines wishing to strengthen and innovate their practice as well as industry leaders who seek to consolidate their business strategies and evolve their work

Liberty or Death Philip Jowett, 2019-08-22 A highly illustrated study of the wars of Central and South America from 1900 through to 1970 featuring many rare and never before seen images From the Banana Wars of the early 20th century through to the Football War of 1969 South and Central America has been a hotbed of revolutions rebellions and conflicts as diverse as they are numerous Some were small scale affairs involving the poorly armed forces of Central American armies with rifles machetes and a few aged machine guns Others were full scale conflicts involving sophisticated armies equipped with tanks artillery and aircraft and hundreds of thousands of troops These wars often went largely unreported in the West which was preoccupied with its own problems in fighting two world wars and dealing with Cold War tensions Fully illustrated with a wealth of rare photographs this fascinating story sheds light on seven decades of a continent in conflict that is rarely covered in English

Time Briton Hadden, Henry R. Luce, 1929

The Spanish Republic and Civil War Julián Casanova, 2010-07-29 The Spanish Civil War has gone down in history for the horrific violence that it generated The climate of euphoria and hope that greeted the overthrow of the Spanish monarchy was utterly transformed just five years later by a cruel and destructive civil war Here Juli n Casanova one of Spain s leading historians offers a magisterial new account of this critical period in Spanish history He exposes the ways in which the Republic brought into the open simmering tensions between Catholics and hardline anticlericalists bosses and workers Church and State order and revolution In 1936 these conflicts tipped over into the sacas paseos and mass killings which are still passionately debated today The book also explores the decisive role of the international instability of the 1930s in the duration and outcome of the conflict Franco s victory was in the end a victory for Hitler and Mussolini and for dictatorship over democracy

Humanitarian Intervention and Conflict Resolution in West Africa John M. Kabia, 2009 Taking the empirical case of the Economic Community of West African States ECOWAS this volume locates the peacekeeping operations of ECOWAS within an expanded post Cold War conceptualization of humanitarian intervention It examines the organization s capacity to protect civilians at risk in civil conflicts and to facilitate the processes of peacemaking and post war peace building

Congressional Record United States. Congress, 2000 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began

publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 **Primo Levi's Resistance** Sergio Luzzatto, 2016-01-05 A daring investigation of Primo Levi's brief career as a fighter with the Italian Resistance and the grim secret that haunted his life No other Auschwitz survivor has been as literarily powerful and historically influential as Primo Levi Yet Levi was not only a victim or a witness In the fall of 1943 at the very start of the Italian Resistance he was a fighter participating in the first attempts to launch guerrilla warfare against occupying Nazi forces Those three months have been largely overlooked by Levi's biographers indeed they went strikingly unmentioned by Levi himself For the rest of his life he barely acknowledged that autumn in the Alps But an obscure passage in Levi's *The Periodic Table* hints that his deportation to Auschwitz was linked directly to an incident from that time an ugly secret that had made him give up the struggle extinguishing all will to resist indeed to live What did Levi mean by those dramatic lines Using extensive archival research Sergio Luzzatto's groundbreaking *Primo Levi's Resistance* reconstructs the events of 1943 in vivid detail Just days before Levi was captured Luzzatto shows his group summarily executed two teenagers who had sought to join the partisans deciding the boys were reckless and couldn't be trusted The brutal episode has been shrouded in silence but its repercussions would shape Levi's life Combining investigative flair with profound empathy *Primo Levi's Resistance* offers startling insight into the origins of the moral complexity that runs through the work of Primo Levi himself

The Empire at War Sir Charles Prestwood Lucas, 1921 **The Empire at War: India, the Mediterranean, eastern colonies &c** Sir Charles Prestwood Lucas, 1921 *The Regal Throne — Power, Politics and Ribaldry* Nicholas Dobson, 2022-06-13 If advised essayist and critic William Hazlitt we wish to know the force of human genius we should read Shakespeare For if anyone profoundly understood the human condition in all its forms it was he Lovably drunken rogues dysfunctional kings cowardly preening braggarts to nobly inspiring heroes The remarkable series of plays engaged in under *The Regal Throne* moves from high political intrigue to lowlife bar room badinage From self-indulgent regal decline to elevated and inspirational kingly valour From adolescent delinquency and father-son tensions to exaltedly noble redemption The playwright launches us on our journey with the narcissistic Richard rapidly sowing seeds of his own decline with his callously imperious behaviour And the ruthlessly astute Bolingbroke returning from his banishment to take the sovereign's Crown and then his life But Bolingbroke as Henry IV has little chance to enjoy his prize For his tyranny breeds rebellion Meanwhile in Cheapside and to his father's chagrin the future Henry V as adolescent Prince Hal disports himself in seedy taverns amongst a gallery of Hogarthian lowlifes including the comedic heavyweight Falstaff while quietly planning a shrewdly redemptive personal remake as the exemplary war hero Henry V A rich tapestry indeed But whilst Shakespeare's early modern English is reasonably understandable many words and references aren't For slang is constantly shape-shifting And particularly with Shakespeare's bar room banter it's helpful to know just what the characters are saying to and about

each other The author explains each scene of all four plays in detail with copious quotations from Shakespeare s text throughout and substantial hypertext explanatory notes The Regal Throne is an invaluable companion for all who set sail on this vibrant Shakespearean voyage into power politics and ribaldry [The New York Times Index](#) ,1924 *From Popular to Insurgent Intellectuals* Leigh Binford,2022-12-09 From Popular to Insurgent Intellectuals explains how a group of Catholic lay catechists educated in liberation theology came to take up arms and participate on the side of the rebel FMLN during El Salvador s revolutionary war 1980 92 In the process they became transformed from popular intellectuals to insurgent intellectuals who put their organizational and cognitive skills at the service of a collective effort to create a more egalitarian and democratic society The book highlights the key roles that peasant catechists in northern Moraz n played in disseminating liberation theology before the war and supporting the FMLN during it as quartermasters political activists and musicians among other roles Throughout From Popular to Insurgent Intellectuals highlights the dialectical nature of relations between Catholic priests and urban revolutionaries among others in which the latter learned from the former and vice versa Peasant catechists proved capable at making independent decisions based on assessment of their needs and did not simply follow the dictates of those with superior authority and played an important role for the duration of the twelve year military conflict
