Rebirth Of A Realist Voices From History America Save Yourself:

Rebirth of a Realist David Truskoff, 2003 From the troubled soul of 1933 Franklin D Roosevelt speaks to America today In such a spirit on my part and on yours we face our common difficulties They concern thank God only material things Values have shrunk to fantastic levels taxes have risen our ability to pay has fallen government of all kinds is faced by serious curtailment of income the means of exchange are frozen in the currents of trade the withered leaves of industrial enterprise lie on every side farmers find no markets for their produce the savings of many years in thousands of families are gone More important a host of unemployed citizens face the grim problem of existence and an equally great number toil with little return Only a foolish optimist can deny the dark realities of the moment Franklin D Roosevelt 1933 From the post war once idealistic America Vice President Henry Wallace warns the present generation of Americans War preparations create record profits for big business but only false prosperity for the people their purchasing power shrinks as prices rise their needs go unfilled and they are burdened with new debts Henry Wallace 1948 After twelve years of Roosevelt leadership democratic America began veering to the right in 1947 It never stopped Today as General Clark said Americans are ashamed of their leadership The next generation must know why Cover photo courtesy Roosevelt Library Sidney T Black publishing www.erols.com/suttonbear *American Book Publishing Record* ,2007
