Advances in Research on Neurodegeneration R. Horowski, Y. Mizuno, C.W. Olanow, W. Poewe, P. Riederer, J.A. Stoessel, M.B.H. Youdim, 2013-04-09 The 10th International Winter Conference on Neurodegeneration IWCN has taken place from February 14-16 2002 at the lovely Schloß Zieten an old Prussian manor in Prussia faute de mieux called Schloß i.e. castle or residence This place is 20 km off Tegel Airport Berlin's main airport and has been beautifully restored by baroness Edith von Thiingen nee von Bülow i.e. of historical Prussian aristocracy it lends itself rather perfectly for the IWCN type of small interdisciplinary workshops on neurodegeneration which combine short lectures with plenty of discussion In this context we could quote Alexander von Humboldt's famous opening words for one of the first international scientific meetings held at Berlin on September 18 1828 The main purpose does not consist in a mutual reading of manuscripts all to be printed after at least one year in specialised publications but in the personal communication amongst those who work in similar scientific fields the oral and thus more stimulating exchange of ideas might they represent facts opinions or doubts the foundation of friendly relations which convey illumination to our sciences serenity to our lives and tolerance and mildness to our habits Berlin Sept 18 1828 Alexander von Humboldt To the IWCN aficionado it may come as a little surprise that this is the publication of the 10th Winter Conference as this might mean that they must have missed number 9 New Research on Consciousness Jason T.
