Brent Plate, 2002-02-23 Religion Art and Visual Culture gathers together the most current scholarship on art religion visual culture and cultural studies The book approaches the study of world religions through the human meaning making activity of seeing The essays move between specific visual subjects painting landscape gardens calligraphy architecture mass media and the broader theoretical discourses relevant to religion and the wider humanities today Topics covered include art and perception the iconicity of Jesus Christ the relation of word and image in Islam and divine images in India

**Power and Pilgrimage** Sanne Derks, 2009 Power and Pilgrimage is an in depth anthropological study of life at a Bolivian pilgrimage site It focuses on the experiences of pilgrims and how in their Marian devotion they express and learn to live with the various inequalities they experience in everyday life Issues of poverty and class inequality lead them to approach the Virgin of Urkupina to support them in their quest for economic betterment Another social inequality that comes to the fore is based on gender in particular Bolivian women seek Mary s support to deal with violence and oppression in their homes Finally ethnic inequalities are discussed by analysing the dance processions in honour of the Virgin since these reflect contested ethnic identities

**The Routledge Handbook of Research Methods in the Study of Religion** Steven Engler, Michael Stausberg, 2013-06-17 This is the first comprehensive survey in English of research methods in the field of religious studies It is designed to enable non specialists and students at upper undergraduate and graduate levels to understand the variety of research methods used in the field The aim is to create awareness of the relevant methods currently available and to stimulate an active interest in exploring unfamiliar methods encouraging their use in research and enabling students and scholars to evaluate academic work with reference to methodological issues A distinguished team of contributors cover a broad spectrum of topics from research ethics hermeneutics and interviewing to Internet research and video analysis Each chapter covers practical issues and challenges the theoretical basis of the respective method and the way it has been used in religious studies illustrated by case studies

**The Visual Culture of Chabad** Maya Balakirsky Katz, 2010-10-11 This book is the first full length study of a complex visual tradition associated with the Hasidic movement of Chabad

**The Sacred Gaze** David Morgan, 2023-09-01 Sacred gaze denotes any way of seeing that invests its object an image a person a time a place with spiritual significance Drawing from many different fields David Morgan investigates key aspects of vision and

imagery in a variety of religious traditions His lively innovative book explores how viewers absorb and process religious imagery and how their experience contributes to the social intellectual and perceptual construction of reality Ranging widely from thirteenth century Japan and eighteenth century Tibet to contemporary America Thailand and Africa *The Sacred Gaze* discusses the religious functions of images and the tools viewers use to interpret them Morgan questions how fear and disgust of images relate to one another and explains how scholars study the long and evolving histories of images as they pass from culture to culture An intriguing strand of the narrative details how images have helped to shape popular conceptions of gender and masculinity The opening chapter considers definitions of visual culture and how these relate to the traditional practice of art history Ample illustrated with more than seventy images from diverse religious traditions this masterful interdisciplinary study provides a comprehensive and accessible resource for everyone interested in how religious images and visual practice order space and time communicate with the transcendent and embody forms of communion with the divine *The Sacred Gaze* is a vital introduction to the study of the visual culture of religions Sacred gaze denotes any way of seeing that invests its object an image a person a time a place with spiritual significance Drawing from many different fields David Morgan investigates key aspects of vision and imagery in a variety of religious trad *The Oxford Handbook of Religion and the Arts* Frank Burch Brown, 2018 This volume offers 37 original essays from leading scholars on the crucial topics issues methods and resources for studying and teaching religion and the arts [The Hebrew Orient](#) Jessica L. Carr, 2020-12-01 In the decades before the establishment of the State of Israel striking images of Palestine circulated widely among Jewish Americans These images visualized the Orient for American viewers creating the possibility for Jewish Americans to understand themselves through imagining Oriental counterparts In *The Hebrew Orient* Jessica L Carr shows how images of the Holy Land made Jewish Americans feel at home in the United States by imagining the Orient as heritage Carr s analyses of periodicals from *Hadassah* and the Zionist Organization of America art calendars from the National Federation of Temple Sisterhoods the *Jewish Encyclopedia* and the Jewish exhibit at the 1933 World s Fair are richly illustrated What emerges is a new understanding of the place of Orientalism in American Zionism Creating a narrative about their origins Jewish Americans looked east to understand themselves as Westerners [Sacred Stories](#) Mark D. Steinberg, Heather J. Coleman, 2007-01-24 *Sacred Stories* brings together the work of leading scholars writing on the history of religion and religiosity in late imperial Russia during the critical decades preceding the 1917 revolutions Embodying new research and new methodologies this book reshapes our understanding of the place of religion in modern Russian history Topics examined include miraculous icons and healing pilgrim narratives confessions women and Orthodox domesticity marriage and divorce conversion and tolerance Jewish folk beliefs mysticism in Russian art and philosophical aspects of Orthodox religious thought *Sacred Stories* demonstrates that belief spirituality and the sacred were powerful and complex cultural expressions central to Russian political social economic and cultural life Contributors are Nicholas B Breyfogle

Orsi, 2011-12-19 The Cambridge Companion to

Religious Studies is both informative and provocative introducing readers to key debates in the contemporary study of religion and suggesting future research possibilities A group of distinguished scholars takes up some of the most pressing theoretical questions in the field What is a religious tradition How are religious texts read What takes place when a religious practitioner stands before a representation of gods or goddesses ghosts ancestors saints and other special beings What roles is religion playing in contemporary global society The volume emphasizes religion as a lived practice stressing that people have used and continue to use religious media to engage the circumstances of their lives The volume s essays should prove valuable and interesting to a broad audience including scholars in the humanities and social sciences and a general readership as well as students of religious studies Religious Statues and Personhood Amy R. Whitehead,2013-09-12

Objects such as statues and icons have long been problematic in the study of religion especially in European Christianities Through examining two groups the contemporary Pagan Glastonbury Goddess religion in the Southwest of England and a cult of the Virgin Mary in Andalusia Spain Amy Whitehead asserts that objects can be more than representational or symbolic In the context of increasing academic interest in materiality in religions and cultures she shows how statues or things are not always interacted with as if they are inert material against which we typically define ourselves as modern humans Bringing two distinct cultures and religions into tension animism and the fetish are used as ways in which to think about how humans interact with religious statues in Western Europe and beyond Both theoretical and descriptive the book illustrates how religions and cultural practices can be re examined as performances that necessarily involve not only human persons but also objects The Intimacy of Images Myriam Lamrani,2025-05-13

La Santa Muerte becomes a lens for understanding how Oaxacans relate to saints loved ones and other special dead In Oaxaca images of saints and loved ones as well as of victims of political or criminal violence are seemingly everywhere While Oaxacans relate to all sorts of special dead they are particularly devoted to La Santa Muerte Saint Death a female reaper like figure whose popularity has risen in tandem with violence throughout Mexico The Intimacy of Images recontextualizes Oaxacans relationships with their special dead through the lens of La Santa Muerte examining how devotees closely interact with what Lamrani terms intimate images not only devotional effigies but also photographs films tattoos and murals and even dreams and visions Though Mexicans have a well known cultural familiarity with death Lamrani argues that devotion to La Santa Muerte builds upon this intimacy even as it also participates in the production of terror and reflects political and criminal violence Ultimately Lamrani finds that these human image interactions represent more than Catholic devotion they reveal the secrets of Oaxacan political religious and social life embody changing relationships to mortality and violence and even offer insight into the practice of anthropology itself **Devotional Visualities** Karen Pechilis,Amy-Ruth Holt,2023-09-21

This book is the first to focus on material visualities of bhakti imagery that inspire shape convey and expand both the visual practices of devotional communities as well as possibilities for extending the reach of devotion in society in new and often unexpected ways Communities of

interpreters of bhakti images discussed in this book include not only a number of distinctive Hindu bhakti groups but also artisans diaspora women South Asian Sufis businessmen dancers and filmmakers This book s identification of devotional practices of looking such as materializing memory mirroring and immaterializing portraits and shaping the return look connect material and visual cultures as well as illustrate modes of established and experimental image usage Bhakti is one of the most studied aspects of Indic devotionism on account of its expression through emotive poetry song and vivid hagiographies of saints The diverse devotional visualities analyzed in this book meaningfully circulate bhakti images in past and present generating their renewed relationship to contemporary concerns *Religious Representation in Place M.* George,D. Pezzoli-Olgati,2014-10-16 Religious Representation in Place brings together an interdisciplinary group of scholars from the Humanities and Sciences to broaden the understanding of how religious symbols and spatial studies interact The essays consider the relevance of religion in the experience of space a fundamental dimension of culture and human life

**Intersections between Jews and Media** Maya Balakirsky Katz,2020-03-23 In this volume the relationship between Jews and media is not only vividly illustrated but it is consciously drawn into the formation of modern Jewish history and modern media Maya Balakirsky Katz addresses key Jewish media intersections in which Jews and mass media implicated or were implicated by one another In this study Katz discusses the relationship that Jews have had with mass media forms of print film photography advertising and postcards within the periods that these media have gained cultural ascendancy These historical moments are tethered to a broader conversation addressing the major theoretical issues at the center of the discourse on Jews and media Bearing this mutually constructive relationship in mind *Intersections between Jews and Media* offers both a tangible demographic portrait of the real Jews who entered mass media and lays a theoretical and methodological framework for more qualitative analyses Arts Management Carla Walter,2015-05-22 Arts Management is designed as an upper division undergraduate and graduate level text that covers the principles of arts management It is the most comprehensive up to date and technologically advanced textbook on arts management on the market While the book does include the background necessary for understanding the global arts marketplace it assumes that cultural fine arts come to fruition through entrepreneurial processes and that cultural fine arts organizations have to be entrepreneurial to thrive Many cases and examples of successful arts organizations from the Unites States and abroad appear in every chapter A singular strength of Arts Management is the author s skilful use of in text tools to facilitate reader interest and engagement These include learning objectives chapter summaries discussion questions and exercises case studies and numerous examples and cultural spotlights Online instructor s materials with PowerPoints are available to adopters A Lived Theology of Everyday Life Michael W. DeLashmutt,2025-09-18 A Lived Theology of Everyday Life invites readers to discover how faith and theology intersect with the mundane and extraordinary aspects of daily living Drawing from two decades of academic inquiry and personal reflection Michael DeLashmutt explores how God s presence can be found in work culture

relationships and even the most unexpected corners of life With a unique blend of theological insight storytelling and practical wisdom this book challenges readers to see theology not as an abstract exercise but as a transformative practice deeply embedded in the rhythms of everyday existence Whether through popular culture institutional leadership or the act of making art DeLashmutt reveals a God who meets us where we are calling us into deeper love and meaning in the ordinary
