Religion In History:

The Role of Religion in History George Walsh, 2017-09-08 This comprehensive survey of religion and its profound effects on history provides a historical context for in depth analysis of theological social and political themes in which religion plays a major role George Walsh first traces the rise and impact of primitive religions He looks at Indian traditions including Hinduism Buddhism and Jainism and analyzes the Semitic tradition of Judaism and Christianity and the evolving conception of a personal God He discusses the history and chief doctrines of Islam as well with its fundamental respect for desert tribal values and its emphasis on both the authority of God and the brotherhood of believers Walsh then compares Judaism and Christianity He sees Judaism as marked by a profound ambivalence between the values of tribal nomadic desert life and the values of urban civilization individualism and collectivism Judaism is this worldly but the Christian worldview is other worldly Walsh closes with a timely discussion of the ethical political and economic teachings of the Judeo Christian tradition focusing specifically on their differing attitudes toward sex reproduction and marriage their basic views of mind and body and man's relation to God

A Little History of Religion Richard Holloway, 2016-01-01 For curious readers young and old a rich and colorful history of religion from humanity's earliest days to our own contentious times In an era of hardening religious attitudes and explosive religious violence this book offers a welcome antidote Richard Holloway retells the entire history of religion from the dawn of religious belief to the twenty first century with deepest respect and a keen commitment to accuracy Writing for those with faith and those without and especially for young readers he encourages curiosity and tolerance accentuates nuance and mystery and calmly restores a sense of the value of faith Ranging far beyond the major world religions of Judaism Islam Christianity Buddhism and Hinduism Holloway also examines where religious belief comes from the search for meaning throughout history today's fascinations with Scientology and creationism religiously motivated violence hostilities between religious people and secularists and more Holloway proves an empathic yet discerning guide to the enduring significance of faith and its power from ancient times to our own

History of Religion Allan Menzies, 1908
History of Religion Allan Menzies, 2022-09-16 Allan Menzies History of Religion offers a comprehensive and analytical exploration of the development of religious thought throughout human history The book unfolds in a systematic manner tracing the evolution and interplay of various religious traditions from ancient civilizations to contemporary practices Menzies employs a scholarly yet accessible literary style ensuring that readers from both academic and general backgrounds can engage with the complexities of religious ideas and their societal impacts The contextual framing of the text allows for a nuanced understanding of how historical events shaped religious beliefs and vice versa making it an essential contribution to the field of religious studies Allan Menzies a prominent figure in the study of theology and philosophy draws upon his extensive academic background and experiences to illuminate the intricacies of belief systems His exhaustive research is informed by his passion for understanding the role of religion in shaping human culture ethics and identity Menzies

commitment to scholarly rigor is evident as he weaves together historical narratives with theoretical insights providing a rich tapestry of religious evolution History of Religion is a vital read for anyone seeking to comprehend the significance of religion in human history Menzies invites the reader to embark on a thought provoking journey that challenges preconceived notions and encourages deeper reflection on the influence of religion in both past and present societies This work is not only informative but also transformative making it a recommended addition to any serious reader s collection

The History of Religions E. Washburn Hopkins, 2015-06-16 Excerpt from The History of Religions In the language of one of the save races mentioned in this volume the word religion means the sacred tree Although innocent of allegory yet as in many other regards in this definition the savage has suggested a profound truth For religion is as it were a tree Its roots lie deep in the darkness of primeval earth its growth must precede its sheltering foliage and its unripened fruits are not pleasant Yet watered by a living spring it has risen out of a soil black and even gruesome since blood too has fertilized it but risen nevertheless it has slowly exalting itself heavenward and under it sits nearly all mankind In the course of this volume we shall study the roots and the higher growth of this tree which through its age long development as any tree changes its earth drawn sustenance into something more ethereal has transmuted terror into reverent awe hunger into hope lust into love We shall trace the slow progress of such roots of religion as bear today the names taboo fetishism totemism see how taboo invested with spiritual power the moral command insured the home and made for civilization how fetishism confirmed the thought that man depends on a I spiritual something gave faith in a power that helped and I made that power the judge of right and wrong how I totemism linked man in communion with the divine and I in conjunction with seasonal nature worship founded ritual I in the recurrent form necessary to religious stability We I shall see in short that the higher not only is above the i lower but that it has ascended out of the lower Savagery did not give place to civilization but developed into it was i already civilization in the germ About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The History of Religion John Evelyn, 1859 **The History of Religions** Ugo Bianchi, 1975 **The History of Religions** Edward Washburn Hopkins, 1918 **The Story of Religion** John Hawkins, 2016-09-02 This book traces the history of the world s great religions from their foundation to the present day Their development is shown in interesting visuals such as maps and photographs as well as informative yet concise text Also included are short biographies of major figures statistics calendars of festivals and timelines The religions included are Buddhism Christianity Hinduism Islam Judaism and Sikhism [A Short History of Religions](#) Ernest Edward Kellett, 1954

Religions In the course of this volume we shall study the roots and the higher growth of this tree which through its age long development as any tree changes its earth drawn sustenance into something more ethereal has transmuted terror into reverent awe hunger into hope lust into love We shall trace the slow progress of such roots of religion as bear today the names taboo fetishism totemism see how taboo invested with spiritual power the moral command insured the home and made for civilization how fetishism confirmed the thought that man depends on a spiritual something gave faith in a power that helped and made that power the judge of right and wrong how totemism linked man in communion with the divine and in conjunction with seasonal nature worship founded ritual in the recurrent form necessary to religious stability We shall see in short that the higher not only is above the lower but that it has ascended out of the lower Savagery did not give place to civilization but developed into it was already civilization in the germ About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

History of Religion Allan Menzies,2015-06-04 Excerpt from History of Religion A Sketch of Primitive Religious Beliefs and Practices and of the Origin and Character of the Great Systems This book makes no pretence to be a guide to all the mythologies or to all the religious practices which have prevailed in the world It is intended to aid the student who desires to obtain a general idea of comparative religion by exhibiting the subject as a connected and organic whole and by indicating the leading points of view from which each of the great systems may best be understood A certain amount of discussion is employed in order to bring clearly before the reader the great motives and ideas by which the various religions are inspired and the movements of thought which they present And the attempt is made to exhibit the great manifestations of human piety in their genealogical connection The writer has ventured to deal with the religions of the Bible each in its proper historical place and trusts that he has not by doing so rendered any disservice either to Christian faith or to the science of religion It is obvious that in a work claiming to be scientific and appealing to men of every faith all religions must be treated impartially and that the same method must be applied to each of them About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may
