Religion Mobilization And Social Action:

Religion, Mobilization, and Social Action Anson Shupe, Bronislaw Misztal, 1998-06-25 Religious social action groups are emerging as key movers in sweeping sociopolitical changes world wide Although their inspiration is religious their goals are secular This volume considers the role of such groups by examining regions and nations where change has been most dramatic Areas researched include Western Europe North America the Amazonian rain basin Malaysia Japan Russia Northern Ireland and Israel The movements studied are as diverse as Conservative Judaism Roman Catholicism Sun Myung Moon's Unification Church the New Christian Right and Indonesian Muslims In each case social action groups are studied to understand how they evolve within the current political context in order to change it *Religion Matters* William A. Mirola, Michael O. Emerson, Susanne C Monahan, 2022-10-19 Religion Matters How Sociology Helps Us Understand Religion in Our World focuses on religion's interplay with broader society introducing students to the basic questions ideas and methods with which sociologists have analyzed the relationship between religion and society Since the first edition religion as a social force has changed dramatically in its content and consequences for the world In this new edition the authors update the foundational lenses used to understand religion's multiple roles in society assess the impact of technology and social media on religion and faith draw further reflection from contemporary studies of religion and gender and add a new chapter examining the increasing amount of religious polarization in the United States and throughout the world With new illustrations and connections that make this readable textbook more accessible and relevant for today's student the second edition of Religion Matters remains a perfect counterpart for introductory courses concerned with the sociological study of religion Exposing the Right and Fighting for Democracy Pam Chamberlain, Matthew N. Lyons, Abby Scher, Spencer Sunshine, 2021-09-28 This book celebrates the life and work of scholar activist Chip Berlet His contributions over four decades have had broad ranging impacts on activists independent intellectuals and academics from think tanks and social movements to generations of scholars Berlet's work over the decades has covered a wide range of topics from the Christian Right armed militias social movement theory and white supremacy to conspiracism civil liberties and government surveillance This book features contributions reflecting on many of these topics by leading scholars and activists who have been inspired by his work and example This book will be of great interest to scholars students and activists within anti racist anti fascist and progressive social movements *Handbook of Religion and Social Institutions* Helen Rose Ebaugh, 2007-10-23 Handbook for Religion and Social Institutions is written for sociologists who study a variety of sub disciplines and are interested in recent studies and theoretical approaches that relate religious variables to their particular area of interest The handbook focuses on several major themes Social Institutions such as Politics Economics Education Health and Social Welfare Family and the Life Cycle Inequality Social Control Culture Religion as a Social Institution and in a Global Perspective This handbook will be of interest to social scientists including sociologists anthropologists political

scientists and other researchers whose study brings them in contact with the study of religion and its impact on social institutions

The Power of Religious Publics William H. Swatos Jr., James K. Wellman, 1999-08-30 Currently public religion is in a time of flux and the notion of the common good once associated with the Protestant voice in America is openly contested by new religious coalitions seeking to communicate their version of the truth and plant their stake in the public domain This edited volume reflects on the changing tone and form of the public voice of religion on its function in American society and on its relationship to the private world of religion It proposes that public religion when exercised in a civil and accountable way can be a responsible and prophetic voice in public life and enrich the American experiment in liberal democracy The contributors first rate scholars including Martin Marty and Robert Bellah focus on public religion's influence on controversial issues such as multiculturalism economic inequality abortion and homosexuality

Egypt's Political Economy Nadia Ramsis Farah, 2009 A new assessment of the impact of power relations on economic development

Agents of Discord Susan E. Darnell, 2017-12-02 It is widely acknowledged that the United States has always provided fertile ground for the growth of new religious movements and cults but modern organized efforts to oppose and restrict them have been less well understood In Agents of Discord Anson Shupe and Susan E Darnell offer a groundbreaking analysis of the operations and motives of these oppositional groups which they generally group under the umbrella term of the anticult movement Historically there have always been parallel groups opposed to certain religious movements whether these be anti Quaker anti Roman Catholic or anti Mormon The authors establish the cultural context of such movements in the nineteenth century They point out the link between modern anticult movements and nativist movements in American history Turning to the postwar era the authors discuss the rise of anticult movements and focus specifically on one of the most prominent the Cult Awareness Network CAN CAN was a two tiered organization Partly composed of volunteers donors and families affected by cult movements it also included what the authors call an inner sanctum of behavioral science professionals attorneys and deprogrammers Using never before reported data on CAN's activities the authors cite an extensive history of financial impropriety that finally led to the organization's bankruptcy They offer a pointed critique informed by current scholarship of the brainwashing model of mental enslavement presented by the anticult movement that has been a central assumption undergirding its activities At the same time they show how increasing professionalization has gradually begun a shift of such movements to a therapeutic model of exit counseling that rejects the crude methods of earlier intervention strategies In their analysis of the anticult movement nationally and internationally Shupe and Darnell merge sociological concepts and social history to make unique sense of a hereto

International Development Policy: Religion and Development G. Carbonnier, 2016-01-06 The rise of fundamentalist movements in major religions has forced decision makers development organizations and academics to turn their attention to its meaning for development Global scholars and practitioners examine these issues and fundamentally question the secular religious dichotomy in development discourse and practice

Rethinking Church, State, and Modernity David Lyon, Marguerite Van Die, 2000-01-01 The contributors consider how Canada's religious experience is distinctive in the modern world somewhere between the largely secularized Europe and the relatively religious United States

Lifeworlds of Islam Mohammed A. Bamyeh, 2019-04-22 How do old ideas continue to appear relevant in a modern world? A sociological approach to Islam allows us to approach an answer to this question. In *Lifeworlds of Islam*, Mohammed A. Bamyeh shows that Islam has typically operated not in the form of standard dogmas but more often as a compass for practical individual orientations or lifeworlds. Through a comprehensive sociological analysis of Islam, he maps out how Muslims have employed the faith to foster global networks, public philosophies, and engaged civic lives, both historically and in the present. Bamyeh further argues that all three fields are poorly understood in recent literature, which tends to focus on one specific problem or another and does not take into account the variety of lifeworlds in which Islam operates. The book contends that the larger preoccupations of ordinary Muslims—how to imagine a global society, how to guide life in the manner of a total philosophy, and how to relate to the world of daily struggles in organized or semi-organized civic forums and social movements—are neither unique to the present period nor to religious life. They are rather shared, universal quandaries. A focused empirical lens on the career of a religion, *Lifeworlds of Islam* contributes to the larger literature and provides insight into the nature of global citizenship, the philosophical needs of individuals, and the ethical values that foster social participation.

Reconciliation and Religio-political Non-conformism in Zimbabwe Joram Tarusarira, 2016-05-20 Religio-political organisations in Zimbabwe play an important role in advocating democratisation and reconciliation against acquiescent, silenced or co-opted mainstream churches. *Reconciliation and Religio-political Non-conformism in Zimbabwe* analyses activities of religious organisations that deviate from the position of mainline churches and the political elites with regard to religious participation in political matters against a background of political conflict and violence. Drawing on detailed case studies of the Zimbabwe Christian Alliance (ZCA), Churches in Manicaland (CiM), and Grace to Heal (GtH), this book provocatively argues that in the face of an unsatisfactory religious and political culture, religio-political non-conformists emerge seeking to introduce a new ethos, even in the face of negative sanctions from dominant religious and political systems.

The Oxford Handbook of Religion and American Education Michael D. Waggoner, Nathan C. Walker, 2018-08-01 From the founding of Harvard College in 1636 as a mission for training young clergy to the landmark 1968 Supreme Court decision in *Epperson v. Arkansas*, which struck down the state's ban on teaching evolution in schools, religion and education in the United States have been inextricably linked. Still today, new fights emerge over the rights and limitations of religion in the classroom. *The Oxford Handbook of Religion and American Education* brings together preeminent scholars from the fields of religion, education, law, and political science to craft a comprehensive survey and assessment of the study of religion and education in the United States. The essays in the first part develop six distinct conceptual lenses through which to view American education, including Privatism, Secularism, Pluralism, Religious Literacy, Religious Liberty, and

Democracy The following four parts expand on these concepts in a diverse range of educational frames public schools faith based K 12 education higher education and lifespan faith development Designed for a diverse and interdisciplinary audience this addition to the Oxford Handbook series sets for itself a broad goal of understanding the place of religion and education in a modern democracy **African American Religion and the Civil Rights Movement in Arkansas** Johnny E.

Williams,2010-12-01 What role did religion play in sparking the call for civil rights Was the African American church a motivating force or a calming eddy The conventional view among scholars of the period is that religion as a source for social activism was marginal conservative or pacifying Not so argues Johnny E Williams Focusing on the state of Arkansas as typical in the role of ecclesiastical activism his book argues that black religion from the period of slavery through the era of segregation provided theological resources that motivated and sustained preachers and parishioners battling racial oppression Drawing on interviews speeches case studies literature sociological surveys and other sources Williams persuasively defines the most ardent of civil rights activists in the state as products of church culture Both religious beliefs and the African American church itself were essential in motivating blacks to act individually and collectively to confront their oppressors in Arkansas and throughout the South Williams explains how the ideology of the black church roused disparate individuals into a community and how the church established a base for many diverse participants in the civil rights movement He shows how church life and ecumenical education helped to sustain the protest of people with few resources and little permanent power Williams argues that the church helped galvanize political action by bringing people together and creating social bonds even when societal conditions made action difficult and often dangerous The church supplied its members with meanings beliefs relationships and practices that served as resources to create a religious protest message of hope

The New Jewish Diaspora Zvi Gitelman,2016-07-27 In 1900 over five million Jews lived in the Russian empire today there are four times as many Russian speaking Jews residing outside the former Soviet Union than there are in that region The New Jewish Diaspora is the first English language study of the Russian speaking Jewish diaspora This migration has made deep marks on the social cultural and political terrain of many countries in particular the United States Israel and Germany The contributors examine the varied ways these immigrants have adapted to new environments while identifying the common cultural bonds that continue to unite them Assembling an international array of experts on the Soviet and post Soviet Jewish diaspora the book makes room for a wide range of scholarly approaches allowing readers to appreciate the significance of this migration from many different angles Some chapters offer data driven analyses that seek to quantify the impact Russian speaking Jewish populations are making in their adoptive countries and their adaptations there Others take a more ethnographic approach using interviews and observations to determine how these immigrants integrate their old traditions and affiliations into their new identities Further chapters examine how despite the oceans separating them members of this diaspora form imagined communities within cyberspace and through literature enabling them to keep their

shared culture alive Above all the scholars in The New Jewish Diaspora place the migration of Russian speaking Jews in its historical and social contexts showing where it fits within the larger historic saga of the Jewish diaspora exploring its dynamic engagement with the contemporary world and pointing to future paths these immigrants and their descendants might follow

Politics and the Religious Imagination John H.A. Dyck,Paul S. Rowe,Jens Zimmermann,2010-06-10 Politics and the Religious Imagination is the product of a group of interdisciplinary scholars each analyzing the connections between religious narratives and the construction of regional and global politics combining a set of theoretical and philosophic insights with several case studies that represent varied geographies and religious customs The past decade has seen increasing interest in the links between religion and politics and this edited volume seeks to take religion seriously as a motivator of action Few studies have attempted to bring together the multi disciplinary work in this burgeoning field of study and this work takes a global perspective using a variety of contexts including East West relations to analyze the following key themes the constructive and destructive hermeneutics of religious stories the relevance and importance of religion as a dominant political narrative the rise of new stories among groups as agents of change the way that religious narratives help to define and constrain the Other the manipulation of religious stories for political benefit This work argues that it is insufficient to judge the relationship of religion and politics through mere institutional or quantitative lenses and this collection proves that while this promise of the narrative part of the social imaginary has been recognized in political theory to a certain extent its influence in the realm of empirical political science has yet to be fully considered Combining the work of a wide range of experts this collection will be of great interests to scholars of politics philosophy religious studies and the literary influence of religion

Encyclopedic Dictionary of Cults, Sects, and World Religions Larry A. Nichols,George Mather,Alvin J. Schmidt,2010-02-23 Up to date well documented comprehensive coverage of cults sects and world religions from the historical to the contemporary INCLUDES Well known groups and world religions such as Jehovah s Witnesses Mormons Islam and Baha i Groups with a significant North American influence including Santeria Rastafarians Haitian Voodoo white supremacy groups Wicca and Satanism REVISED UPDATED AND EXPANDED TO INCLUDE NEW ENTRIES AND NEW INFORMATION Updated information on Islam and its global impact New entries the Branch Davidians Native American religions Heaven s Gate Aum Supreme Truth the Boston Movement the Masonic Lodge and many others Developments in the world of cults and the occult Encyclopedic Dictionary of Cults Sects and World Religions is arguably the most significant reference book on the subject to be published Formerly titled Dictionary of Cults Sects Religions and the Occult it provides reliable information on the history and beliefs of nearly every form of religion active today This extensively revised edition includes new topics updated information and a brand new format for a clearer more organized approach The authors evaluate the beliefs and practices of each group from the perspective of the Bible and the historic creeds of the Christian church You ll also find group histories numerous illustrations charts current statistics websites bibliographies and other

useful information *Confluence of Thought* Bidyut Chakrabarty, 2013-08-15 *Confluence of Thought* is the first book to demonstrate the way in which Gandhi and King's socio-political ideas converge in terms of their origins, development and application *Religion and Diversity in Canada*, 2008-08-31 Canada officially prides itself on being a multicultural nation welcoming people from all around the world and enshrining that status in its Charter of Rights and Freedoms as well as in an array of laws and policies that aim to protect citizens from discrimination on various grounds including race, cultural origin, sexual orientation and religion. This volume explores the intersection of these diversities, foregrounding religion as the primary focus of analysis. Taking as their point of departure the contested meaning and implications of the term diversity, the various contributions address issues such as the power relations that diversity implies, the cultural context that limits the understanding and practical acceptance of religious diversity, and how Canada compares in these matters to other countries. Taken together, the essays therefore elucidate the Canadian case while also having relevance for understanding this critical issue globally *Latino Religions and Civic Activism in the United States* Gaston Espinosa, Virgilio Elizondo, Jesse Miranda, 2005-08-11 The Latino community in the United States is commonly stereotyped as Roman Catholic and politically passive. *Latino Religions and Civic Activism in the United States* challenges and revises these stereotypes by demonstrating the critical influence of Latino Catholics, Evangelicals, Pentecostals, Mainline Protestants, and others on political, civic, and social engagement in the United States and Puerto Rico. It also revises the ostensibly secular narrative of Latino history and politics. The authors analyze the critical role that institutional, popular, and civil religion have played in Latino activism. This timely book offers readers a new framework by which to understand and to interpret the central importance of religious symbols, rhetoric, ideology, world views, and leaders to Latino religions and politics over the past 150 years **Bad Pastors** Anson D. Shupe, William A. Stacey, Susan E. Darnell, 2000-08 Child molesting priests, embezzled church treasures, philandering ministers, and rabbis even church-endorsed pyramid schemes that defraud gullible parishioners of millions of dollars for the past decade: clergy misconduct has seemed continually to be in the news. Is there something about religious organizations that fosters such misbehavior? *Bad Pastors* presents a range of new perspectives and solidly grounded data on pastoral abuse, investigating sexual misconduct, financial improprieties, and political and personal abuse of authority. Rather than focusing on individuals who misbehave, the volume investigates whether the foundation for clergy malfeasance is inherent in religious organizations themselves, stemming from hierarchies of power in which trusted leaders have the ability to define reality, control behavior, and even offer or withhold the promise of immortality. Arguing that such phenomena arise out of organizational structures, the contributors do not focus on one particular religion but rather treat these incidents from an interfaith perspective. *Bad Pastors* moves beyond individual case studies to consider a broad range of issues surrounding clergy misconduct, from violence against women to the role of charisma and abuse of power in new religious movements. Highlighting similarities between other forms of abuse such as domestic violence, the volume helps us to conceptualize and

understand clergy misconduct in new ways

Religion Mobilization And Social Action Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the energy of words has be much more evident than ever. They have the capacity to inspire, provoke, and ignite change. Such could be the essence of the book **Religion Mobilization And Social Action**, a literary masterpiece that delves deep to the significance of words and their affect our lives. Religion Mobilization And Social Action Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Religion Mobilization And Social Action PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture

of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Religion Mobilization And Social Action PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Religion Mobilization And Social Action free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Religion Mobilization And Social Action Books

1. Where can I buy Religion Mobilization And Social Action books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Religion Mobilization And Social Action book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Religion Mobilization And Social Action books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing.

Book Swaps: Community book exchanges or online platforms where people exchange books.

6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Religion Mobilization And Social Action audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
