Adhikary, 2003      **Tonga Religious Life in the Twentieth Century** Elizabeth Colson, 2007-10-15 The religious life of the Tonga speaking peoples of southern Zambia is examined over the last century in the sense of how they have thought about the nature of their world the meaning of their own lives and the sources of good and evil in which their cosmology and society have been transformed The twelve chapters cover Time Space and Language Basic Themes Tonga Religious Vocabulary and its Referents the Vocabulary of Shrines and Substance Homestead and Bush Ritual Communities and Actors Rituals of the Life Course Death and its Rituals Evil and Witchcraft and Christianity and Tonga Experience The author has drawn on dairies by research assistants and field notes and research of fellow anthropologists but above all from her own interaction with Tonga people since 1946 The older people gave first hand memories of Ndebele and Lozi raids David Livingstone encamped near their villages in 1856 and 1862 the arrival of colonial administrators traders missionaries and European and Indian settlers and in some cases the end of colonial rule Their experience and that of their children grandchildren and great grandchildren provides the basis for understanding Tonga religious experience Elizabeth Colson is an American anthropologist who is widely published on the Tonga Her research interests have particularly concentrated on the Gwembe Valley      *Culture and Customs of Zambia* Scott D.

Taylor,2006-10-30 Zambia stands out in Africa as one of the continent s most peaceful countries In its early years as an independent state Zambia became a regional bulwark against imperialism and colonial domination and South African apartheid Today it stands out as an important example of Africa s recent democratization experiencing both incredible success as well as some notable setbacks The country is also one of the most urbanized in Sub Saharan Africa As a result of this urban influx Zambia s diverse ethno linguistic groups interact regularly Moreover many contemporary Zambian households especially those in cities are also exposed to the media technology and influences of western urbanized cultures from Internet cafes to hip hop music The interesting ways that tradition and modernity conflict and combine in contemporary Zambia are prime considerations in this book This book explores Zambia s culture with an eye toward its historical experiences and its particular endowments It focuses on how traditional and modern interact and sometimes collide in the country through topics such as religion gender roles and family cuisine the arts literature and more The major groups are examined to give the reader an idea about how many Zambians live

**Theoretical Explorations in African Religion** Wim van Binsbergen,Matthew Schoffeleers,2013-10-28 First published in 1985 This collection of papers on theoretical and methodological perspectives in the study of African religion is the outcome of a conference which the editors were asked to convene on behalf of the African Studies Centre Leiden in December 1979

**Conversion to Christianity** Robert W. Hefner,2023-04-28 One of the most striking developments in the history of modern civilizations has been the conversion of tribal peoples to more expansively organized world religions There is little scholarly consensus as to why these religions have endured and why conversion to them has been so widespread These essays explore the phenomenon of Christian conversion from this world building perspective Combining rich case studies with original theoretical insights this work challenges sociologists anthropologists and historians of religion to reassess the varieties of religious experience and the convergent processes involved in religious change This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1994 One of the most striking developments in the history of modern civilizations has been the conversion of tribal peoples to more expansively organized world religions There is little scholarly consensus as to why these religions have endured and why conv

**African Theology, Philosophy, and Religions** Julius Gathogo,Chammah J. Kaunda,2020-11-24 In African Theology Philosophy and Religions Celebrating John Samuel Mbiti s Contribution contributors explore John Samuel Mbiti s contributions to African scholarship and demonstrate how he broke through the western glass ceiling of scholarship and made African informed and African shaped scholarship a reality Contributors examine the far reaching implications of Mbiti s scholarship arguing that he shifted the contemporary African Christian landscape and informed global expressions of Christianity African Theology Philosophy and Religions

analyzes Mbiti's scholarship and shows that his theories are malleable and fluid allowing a new generation of scholars to reinterpret reconstruct and further develop his theories This collection brings together contributors from a wide range of disciplines to study John Samuel Mbiti as the father of contemporary African theology and grapple with questions Africans face in the twenty first century

**The World's Religions** Peter Clarke, Friedhelm Hardy, Leslie Houlden, Stewart Sutherland, 2004-01-14 Gives an account of the history the theological basis the practice and the current state of the study of religion and religions throughout the world Combines a clear and non technical style of presentation with a structure and range of contributions which reflect the richness and complexity of religion itself of the religions of the world and the study of religions Comprehensive index bibliographies and suggestions for further reading Intriguing philosophical questions are raised about the nature of religion and the qualities needed for studying it Times Higher Education Supplement Excellent book remarkably successful impressive as much for the sheer scale of the undertaking as for its consistent standard of analysis It is a fine achievement which will serve both as a very suitable textbook for students and a reliable guide to the state of scholarship in the History and Study of Religions Heythrop Journal

Land, Law and Politics in Africa Jan Abbink, Jon Abbink, Mirjam de Bruijn, 2011-11-11 This book offers a series of new studies on the dynamics of political and legal culture as well as of conflict management in contemporary Africa taking inspiration from and honoring the scholarly contributions and impact of Prof Gerti Hesselning 1946 2009 in African Studies

*Witches, Westerners, and HIV* Alexander Rödlach, 2016-09-17 A witch's curse an imperialist conspiracy a racist plot HIV AIDS is a catastrophic health crisis with complex cultural dimensions From small villages to the international system explanations of where it comes from who gets it and who dies are tied to political agendas religious beliefs and the psychology of devastating grief Frequently these explanations conflict with science and clash with prevention and treatment programs In *Witches Westerners and HIV* Alexander Rödlach draws on a decade of research and work in Zimbabwe to compare beliefs about witchcraft and conspiracy theories surrounding HIV AIDS in Africa He shows how both types of beliefs are part of a process of blaming others for AIDS a process that occurs around the globe but takes on local culturally specific forms He also demonstrates the impact of these beliefs on public health and advocacy programs arguing that cultural misunderstandings contribute to the failure of many well intentioned efforts This insightful book provides a cultural perspective essential for everyone interested in AIDS and cross cultural health issues

**Spirit and Healing in Africa** Deborah van den Bosch-Heij, 2012-01-01 There is a great need for healing in Africa This need is in itself no different elsewhere in the world but it is greatly determined by the involvement of religious communities and traditions Faith communities and religious institutions play a major role in assisting African believers to find health healing and completeness in everyday life

**Religion, Gender, and Wellbeing in Africa** Chammah J. Kaunda, 2021-05-11 Religion Gender and Wellbeing in Africa argues that in many African societies ideas and practices of wellbeing and gender relations continue to be informed and shaped by religious epistemologies The contributors affirm that for many Africans it is through religio spiritual frameworks that daily experiences interactions and gender relations are understood and interpreted However for many African women religions have functioned as a double edged sword Although they have contributed to the struggle against issues such as colonialism gender justice climate justice and human rights they have also endorsed and perpetuated sexism heterosexism homophobia and the denial of human rights for a wide variety of people on the margins The chapters within this collection demonstrate that most religions and religious formations in Africa have not yet positioned themselves as forces for wellbeing gender justice and security for African women and children The contributors challenge simplistic and superficial readings and interpretations of religio spirituality in Africa and call for deeper engagements of the interplay between Africa s religio spiritual realities and the wellbeing of women particularly around issues of gender justice reproductive health and human rights

Christianity and Public Culture in Africa Harri Englund, 2011-08-15 Christianity and Public Culture in Africa takes readers beyond familiar images of religious politicians and populations steeped in spirituality It shows how critical reason and Christian convictions have combined in surprising ways as African Christians confront issues such as national constitutions gender relations and the continuing struggle with HIV AIDS The wide ranging essays included here explore rural Africa and the continent s major cities colonial and missionary legacies and mass media images in the twenty first century They also reveal the diversity of Pentecostalism in Africa and highlight the region s remarkable denominational diversity Scholars and students alike will find these essays timely and impressive The contributors demonstrate how the public significance of Christianity varies across time and place They explore rural Africa and the continent s major cities and colonial and missionary situations as well as mass mediated ideas and images in the twenty first century They also reveal the plurality of Pentecostalism in Africa and keep in view the continent s continuing denominational diversity Students and scholars will find these topical studies to be impressive in scope Contributors Barbara M Cooper Harri Englund Marja Hinfelaar Nicholas Kamau Goro Birgit Meyer Michael Perry Kweku Okyerefo Damaris
