Religious Life A Prophetic Vision Hope And Promise For Tomorrow:

Religious Life Diarmuid O'Murchu, Diarmuid Ó Murchú, 1991 **Religious Life** Loan Le, 2016-06-22 Following the Second Vatican Council when each Religious Institute was encouraged to research its charism some Institutes experienced a tension between their charism and their mission or even difficulty identifying what their charism was This book is a study of the theological understanding of charism and of mission in relation to Religious Life within the Catholic Church While this topic has featured in much Roman Catholic theological literature since Vatican II there appears to be a dearth of in depth studies This book addresses this apparent lacuna It draws particularly on the work of two major theologians Jean Marie Roger Tillard OP and Sandra Marie Schneiders IHM who have reflected at length on charism and mission in the period leading up to Vatican II and on the implementation of its documents with respect to Religious Life The very significant contributions of Tillard and Schneiders on the topic provide Religious as well as others who want to know and understand Religious Life with an interesting and motivating insight into charism and mission in Religious Life Within the Roman Catholic Church a Year of Consecrated Life has just drawn to a close and this book forms a background and a response to Pope Francis Apostolic Letter to all Consecrated People on the occasion of the Year of Consecrated Life November 2014 which invited Religious to reflect on these aspects that are essential to the life they have chosen to live *A Concert of Charisms* Paul Kevin Hennessy, 1997 Essays that take various approaches to the tensions that have arisen since Vatican II concerning the original mission and charisms of a religious order and today's actual situations of living within a parish

Interpreting the Prophetic Word Willem A. VanGemeran,2010-06-01 The diversity of prophetic voices in the Bible provides a message that is rich and variegated But the variety of the testimony can be lost by limiting one s interpretations or application of the prophetic word Interpreting the Prophetic Word helps readers understand the harmony of the voices that reveal God s purposes in redemptive history Dr Willem VanGemeran explains clearly and fully the background of the prophetic tradition He then interprets the message of the major and minor prophets using historical context and literary form and structure as tools in his analysis He concludes with an explanation of the relevance of the prophetic word today Dr VanGemeran s extensive research and scholarship is presented in a readable way to unlock the door of prophecy for readers He helps them to interpret prophecy and invites them to listen to the prophets and to live the prophetic word
