RELIGIOUS FREEDOM IN THE LIBERAL STATE

SECOND EDITION

Rex Ahdar and Ian Leigh

Religious Freedom In The Liberal State

**Gavin D'Costa Malcolm Evans Tariq
Modood and Julian Rivers**

Religious Freedom In The Liberal State:

Religious Freedom in the Liberal State Rex Ahdar, Ian Leigh, 2013-03-21 Examining the law and public policy relating to religious liberty in Western liberal democracies this book contains a detailed analysis of the history rationale scope and limits of religious freedom from but not restricted to an evangelical Christian perspective Focussing on United Kingdom the United States Canada New Zealand Australia and EU it studies the interaction between law and religion at several different levels looking at the key debates that have arisen Divided into three parts the book begins by contrasting the liberal and Christian rationales for and understandings of religious freedom It then explores central thematic issues the types of constitutional frameworks within which any right to religious exercise must operate the varieties of paradigmatic relationships between organized religion and the state the meaning of religion the limitations upon individual and institutional religious behaviour and the domestic and international legal mechanisms that have evolved to address religious conduct The final part explores key subject areas where current religious freedom controversies have arisen employment education parental rights and childrearing controls on pro religious and anti religious expression medical treatment and religious group church autonomy This new edition is fully updated with the growing case law in the area and features increased coverage of Islam and the flashpoint debates surrounding the accommodation of Muslim beliefs and practices in Anglophone nations

Religious Freedom in the Liberal State Rex Ahdar, Ian Leigh, 2013-03-21 Rex Ahdar and Ian Leigh present a critique of how religious freedom should be understood in liberal legal systems based on historical and contemporary controversies

Law and Religion in the Liberal State Md Jahid Hossain Bhuiyan, Darryn Jensen, 2020-05-28 The relationship between law and religion is evident throughout history They have never been completely independent from each other There is no doubt that religion has played an important role in providing the underlying values of modern laws in setting the terms of the relationship between the individual and the state and in demanding a space for the variety of intermediate institutions which stand between individuals and the state However the relationships between law and religion and the state and religious institutions differ significantly from one modern state to another There is not one liberalism but many This work brings together reflections upon the relationship between religion and the law from the perspectives of different sub traditions within the broader liberal project and in light of some contemporary problems in the accommodation of religious and secular authority

Religion in a Liberal State Gavin D'Costa Malcolm Evans Tariq Modood and Julian Rivers, [Religious Ideas in Liberal Democratic States](#) Jasper Doomen, Mirjam van Schaik, 2021-07-29 Religious Ideas in Liberal Democratic States adds new context to the ongoing debate over the scope of religious freedom drawing from a variety of perspectives to discuss the meaning of religion itself within a democratic state This book argues that categorizing religion as a solely private affair is too narrow an interpretation and questions whether ideas like freedom human dignity and equality can be truly actualized in a neutral and secular state Contributors explore the impact of religion

acknowledged or not on legislation human rights and group rights through legal historical and sociological lenses Scholars of constitutional law jurisprudence international law and political science will find this book particularly useful

Cooperation, Religious Freedom, and the Liberal State Brian Jeffrey Hutler, 2018 Religious freedom is often listed among the core freedoms that characterize the liberal state along with freedom of speech freedom of association and freedom of the person But it may seem that what is valuable about religion from a liberal point of view would be sufficiently protected by these other core freedoms Does religious freedom have a special role to play in a liberal state Traditionally liberal theorists have thought that religious freedom required maintaining separation between the state and religion But problems arise when separation is applied strictly to every type of religion state interaction without attention to the underlying values at stake This dissertation defends a conception of religious freedom that makes room for cooperation and compromise with the aim of creating mutually beneficial relationships between religion and the state Separation is an important component of this picture but not its guiding principle This dissertation discusses two areas in which strict adherence to religion state separation may lead to problematic outcomes First strict adherence to separation lends support to an all or nothing approach to religious accommodation But compromise can often be more valuable for both religious persons and the state especially when the meaning or purpose of the religious activity is consistent with the purpose of the conflicting law In such cases compromise may generate creative solutions to conflicts and may promote mutual understanding and respect between religious persons and their fellow citizens This compromise based approach to accommodation is limited however by the principle that accommodation should not be used as a form of political protest Second strict adherence to separation supports protecting the autonomy of religious institutions to oversee their internal own affairs But the state must also protect the rights and interests of the members of religious institutions As such the state must ensure that religious institutions are voluntarily associations whose members have both a right and a genuine opportunity to exit the association As one example the state should generally not enforce religious arbitration agreements against members of religious institutions even when they have voluntarily agreed to them

Why Religious Freedom Matters for Democracy Myriam Hunter-Henin, 2020-06-11 Should an employee be allowed to wear a religious symbol at work Should a religious employer be allowed to impose constraints on employees private lives for the sake of enforcing a religious work ethos Should an employee or service provider be allowed on religious grounds to refuse to work with customers of the opposite sex or of a same sex sexual orientation This book explores how judges decide these issues and defends a democratic approach which is conducive to a more democratic understanding of our vivre ensemble The normative democratic approach proposed in this book is grounded on a sociological and historical analysis of two national stories of the relationships between law religion diversity and the State the British mainly English and the French stories The book then puts the democratic paradigm to the test by looking at cases involving clashes between religious freedoms and competing rights in the workplace Contrary to the

current alternative between the accommodationist view which defers to religious requests and the analogous view which undermines the importance of religious freedom for pluralism this book offers a third way It fills a gap in the literature on the relationships between law and religious freedoms and provides guidelines for judges confronted with difficult cases

Religious Freedom in Secular States Md. Jahid Hossain Bhuiyan,Ann Black,2022-08-29 What constitutes the core values tenets cultural historic and ideological parameters of secularism in international contexts In twelve chapters this edited work examines current tensions in liberal secular states where myriad rights and freedoms compete regarding education healthcare end of life choices clothing sexual orientation reproduction and minority interests It explores the legal complexity of defining a religion through judicial decisions and scrutinises Christianity Hinduism and Islam s relative success in accommodating religious pluralism Part One explores the religious practice and persecution nexus COVID 19 s effect on religious freedom religious education burqas headscarves and religious culture in civil law Part Two explores the constitutional principle of secularism in Member States of the Council of Europe US Religious Clauses and religious freedom in South Africa UK Australia and India

Liberal Neutrality and State Support for Religion Leni Franken,2016-05-18 This book focuses on the financing of religions examining some European church state models using a philosophical methodology The work defends autonomy based liberalism and elaborates how this liberalism can meet the requirements of liberal neutrality The chapters also explore religious education and the financing of institutionalized religion This volume collates the work of top scholars in the field Starting from the idea that autonomy based liberalism is an adequate framework for the requirement of liberal neutrality the author elaborates why a liberal state can support religions and how she should do this without violating the principle of neutrality Taking into account the principle of religious freedom and the separation of church and state this work explores which criteria the state should take into account when she actively supports religions faith based schools and religious education A number of concrete church state models including hands off religious accommodation and the state church are evaluated and the book gives some recommendations in order to optimize those church state models where needed Practitioners and scholars of politics law philosophy and education especially religious education will find this work of particular interest as it has useful guidelines on policies and practices as well as studies of church state models

Negotiating Religion François Guesnet,Cécile Laborde,Lois Lee,2016-08-25 Negotiating religious diversity as well as negotiating different forms and degrees of commitment to religious belief and identity constitutes a major challenge for all societies Recent developments such as the de secularisation of the world the transformation and globalisation of religion and the attacks of September 11 have made religious claims and religious actors much more visible in the public sphere This volume provides multiple perspectives on the processes through which religious communities create or defend their place in a given society both in history and in our world today Offering a critical cross disciplinary investigation into processes of negotiating religion and religious diversity the contributors present new insights on the

meaning and substance of negotiation itself This volume draws on diverse historical sociological geographic legal and political theoretical approaches to take a close look at the religious and political agents involved in such processes as well as the political social and cultural context in which they take place Its focus on the European experiences that have shaped not only the history of negotiating religion in this region but also around the world provides new perspectives for critical inquiries into the way in which contemporary societies engage with religion This study will be of interest to academics lawyers and scholars in law and religion sociology politics and religious history The Right to Religious Freedom in International Law Anat Scolnicov,2010-10-18 This book explores the right to religious freedom within international law Analysing legal structures in a variety of both Western and Non Western jurisdictions the book sets out a topography of the different constitutional structures of religion within the state and their compliance with international human rights law A Principled Framework for the Autonomy of Religious Communities Alex Deagon,2023-02-23 This book engages in a theological critique of the legal frameworks and theoretical approaches of Australia the US and England to create a peaceful coexistence of difference which supports both religious freedom and equality It develops a new framework for reconciling religious freedom and discrimination in Western liberal democracies and presents a unique approach to practically supporting both religious freedom and equality as fundamentally important objectives which promote more compassionate and cohesive communities The book applies the idea of peaceful coexistence of difference by assuming the dignity and goodwill of different people and perspectives and proceeds upon shared virtues such as love which are affirmed by all

Liberalism and Islam H. Haidar,2008-02-04 This book examines the possibility of reconciliation between liberalism and Shiite Islam By examining two key liberal theories this book shows that secular liberalism is not justifiable in the view of Shiite Islamic thought *Religion in a Liberal State* Gavin D'Costa,Malcolm Evans,Tariq Modood,Julian Rivers,2013-08-29 Leading authors in politics law sociology and theology discuss what the proper place of religion is in a liberal state

Democracy, Law and Religious Pluralism in Europe Ferran Requejo,Camil Ungureanu,2014-09-15 In contrast with the progressive dilution of religions predicted by traditional liberal and Marxist approaches religions remain important for many people even in Europe the most secularised continent In the context of increasingly culturally diverse societies this calls for a reinterpretation of the secular legacy of the Enlightenment and also for an updating of democratic institutions This book focuses on a central question are the classical secularist arrangements well equipped to tackle the challenge of fast growing religious pluralism Or should we move to new post secular arrangements when dealing with pluralism in Europe Offering an interdisciplinary approach that combines political theory and legal analysis the authors tackle two interrelated facets of this controversial question They begin by exploring the theoretical perspective asking what post secularism is and looking at its relation to secularism The practical consequences of this debate are then examined focusing on case law through four empirical case studies This book will be of interest to students and scholars of political theory philosophy religion and politics

European law human rights legal theory and socio legal studies **Religion on the Edge** Courtney Bender, 2013 The thirteen essays in this volume offer a challenge to conventional scholarly approaches to the sociology of religion They urge readers to look beyond congregational settings beyond the United States and to religions other than Christianity and encourage critical engagement with religion s complex social consequences By expanding conceptual categories the essays reveal how aspects of the religious have always been part of allegedly non religious spaces and show how by attending to these intellectual blindspots we can understand aspects of identity modernity and institutional life that have long been obscured Religion on the Edge addresses a number of critical questions What is revealed about the self pluralism or modernity when we look outside the U S or outside Christian settings What do we learn about how and where the religious is actually at work and what its role is when we unpack the assumptions about it embedded in the categories we use Religion on the Edge offers groundbreaking new methodologies and models bringing to light conceptual lacunae re centering what is unsettled by their use and inviting a significant reordering of long accepted political and economic hierarchies The book shows how social scientists across the disciplines can engage with the sociology of religion By challenging many of its long standing empirical and analytic tendencies the contributors to this volume show how their work informs and is informed by debates in other fields and the analytical purchase gained by bringing these many conversations together Religion on the Edge will be a crucial resource for any scholar seeking to understand our post modern post secular world **Religious Freedom and Religious Pluralism in Africa** Pieter Coertzen, M Christian Green, Len Hansen, 2016-05-22 Africa continues to be a region with strong commitments to religious freedom and religious pluralism These however are rarely mere facts on the ground they are legal political social and theological projects that require considerable effort to realise This volume compiling the proceedings of the third annual conference of the African Consortium for Law and Religion Studies focuses on various issues which vastly effect the understanding of religious pluralism in Africa These include amongst others religious freedom as a human right the importance of managing religious pluralism and the permissibility of religious practice and observance in South African public schools **Models of Religious Freedom** Marcel Stüssi, 2012 In this thesis the US Swiss and Syrian models of religious freedom are illustrated in legal settings The Analytical Representation comprises more than statements of positive law or mechanical comparison Each chapter is introduced by thought forms predominant in the respective legal culture The objective of the Methodological Representation is to investigate the logic and legitimate pattern by which the US and Swiss judiciary come to the conclusion that an alleged interference is covered under the right to religious freedom The last dimension which is the Eclectic Representation pursues a dual aim Firstly the idea is to develop an actual guideline of religious freedom rules and secondly to evaluate how much religious freedom is internalized in the US Swiss and Syrian legal systems Dissertation Series ReligionsRecht im Dialog Vol 12 **Liberalism's Religion** Cécile Laborde, 2017-09-25 Cécile Laborde argues that religion is more than a statement of belief or a moral code It refers to

comprehensive ways of life theories of justice modes of association and vulnerable collective identities By disaggregating these dimensions she addresses questions about whether Western secularism and religion can be applied more universally

Religious Accommodation and its Limits Farrah Raza, 2023-04-20 On what grounds should religious accommodation claims be limited When do religious claims harm the autonomy of others This book proposes an original model of religious accommodation which can be applied in secular liberal democracies where religious diversity has been a hotly contested issue Addressing the complex question of limitations to the right to Freedom of Religion or Belief and how these limitations might be determined it examines how religious claims can harm the autonomy of others and emphasises the need for an appropriate balancing of competing interests Drawing on a range of case study examples from jurisdictions including the US Canada the European Court of Human Rights the European Union s Court of Justice the UK Germany and France this is a timely contribution to the debate on how a legal duty or policy approach in favour of religious accommodation can be applied in practice Moreover the proposed model offers criteria that may be used to guide the implementation of equality and diversity policies in contexts such as employment and education The book will be of interest to academics legal practitioners and policy makers in the field

Unveiling the Magic of Words: A Report on "**Religious Freedom In The Liberal State**"

In a world defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their capability to kindle emotions, provoke contemplation, and ignite transformative change is actually awe-inspiring. Enter the realm of "**Religious Freedom In The Liberal State**," a mesmerizing literary masterpiece penned with a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve into the book's central themes, examine its distinctive writing style, and assess its profound effect on the souls of its readers.

Religious Freedom In The Liberal State Introduction

Religious Freedom In The Liberal State Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Religious Freedom In The Liberal State Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Religious Freedom In The Liberal State : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Religious Freedom In The Liberal State : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Religious Freedom In The Liberal State Offers a diverse range of free eBooks across various genres. Religious Freedom In The Liberal State Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Religious Freedom In The Liberal State Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Religious Freedom In The Liberal State, especially related to Religious Freedom In The Liberal State, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Religious Freedom In The Liberal State, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Religious Freedom In The Liberal State books or magazines might include. Look for these in online stores or libraries. Remember that while Religious Freedom In The Liberal State, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Religious Freedom In The Liberal State eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Religious Freedom In The Liberal State full book , it can give you a taste of the authors writing style. Subscription

Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Religious Freedom In The Liberal State eBooks, including some popular titles.

FAQs About Religious Freedom In The Liberal State Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Religious Freedom In The Liberal State is one of the best book in our library for free trial. We provide copy of Religious Freedom In The Liberal State in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Religious Freedom In The Liberal State. Where to download Religious Freedom In The Liberal State online for free? Are you looking for Religious Freedom In The Liberal State PDF? This is definitely going to save you time and cash in something you should think about.
