orients the reader forward by envisioning possibilities of repair Recognizing that this will require extensive and ongoing work the book closes with the consideration of spiritual capital including a reclamation of Ignatius s Spiritual Exercises that might sustain us as we write the next chapter in the nation s long struggle against White supremacy Much work must be done for reparation reconciliation and repair to unfold fully Grace of the Ghosts provides a bridge to institutional accountability for past failings and a path toward becoming transformative institutions for the future Statistical Abstract of the United States Claitor's Publishing Division,2001-03
