**Janet Newman**

## **Remaking Governance Peoples Politics And The Public Sphere:**

*Remaking Governance* Janet Newman, 2005-09-21 This book highlights the dynamics of the social cultural and institutional practices involved in remaking governance It is structured around three key themes the remaking of peoples publics and politics Remaking governance focuses on the dynamics of change as new strategies active citizenship public participation partnership working and democratic renewal encounter existing institutions It explores different sites and practices of governing from the remaking of Europe to the increasing focus on community and personhood in governing social life The authors critically engage with existing theory in a range of disciplines to explore how the social is constituted through governance practices This includes the ways in which the spaces and territories of governing are remade and the peoples constituted how the public domain is re imagined and new forms of state citizen relationships fostered how the remaking of governance shapes our understanding of politics changing the ways in which citizens engage with political power and the selves they bring to that engagement Remaking governance is essential reading for academics and students of political science social policy sociology and public administration and management and for those engaged in policy evaluation and reform Janet Newman is Professor of Social Policy at The Open University Her previous book *Modernising governance New Labour policy and society* is a key text on undergraduate and masters programmes across Europe Australasia and North America

**Remaking Governance** Janet Newman, 2005 There has been an explosion of new forms of governance as societies adapt to economic social and political change This book highlights the dynamics of the social cultural and institutional practices involved in remaking governance It is structured around three key themes the remaking of peoples publics and politics

**Working the Spaces of Power** Janet Newman, 2012-04-25 This book is available as open access through the Bloomsbury Open Access programme and is available on [www.bloomsburycollections.com](http://www.bloomsburycollections.com) This book highlights the way in which contemporary forms of governance policy and politics have been reframed by women working the spaces of power It shows how they took activist commitments into their working lives in the process negotiating the terrain of neoliberal governance Their work generated new political movements community initiatives public policies organizational logics and forms of knowledge work Newman draws on over 50 interviews with women from four generations to interrogate develop and challenge existing approaches to understanding social and political change In a postscript she traces ways in which the analysis might speak to the present and offer resources for contemporary politics and practice

**Young People and Politics in the UK** D. Marsh, T. O'Toole, S. Jones, 2006-11-28 This book examines how young people understand and live politics using innovative research methods It treats age class gender and ethnicity as political lived experiences It concludes that young people are alienated rather than apathetic and that their interests and concerns are rarely addressed within mainstream political institutions

**Subversive Citizens** Marian Barnes, David Prior, 2009-07-29 The idea of subversive citizenship is explored through theoretical and empirical analyses by a range of prominent social researchers

**Expertise**

Jessica Gerrard, Jessica Holloway, 2023-01-26 This book offers an important and timely critique of expertise showing how it is a keyword shaped by social historical and political debates about what counts as knowledge and truth and who counts as experts Using teacher expertise as an illustrative case Jessica Gerrard and Jessica Holloway reflect on recent events including COVID 19 and the climate crisis to examine how expertise is never neutral objective or fixed They argue that getting political is not just an inevitable part of teacher expertise but a necessary basis of any claim to it Across the chapters Expertise explores how expertise is socially constructed in relation to governance uses of data and evidence understandings of ignorance and the unknown and ultimately power Using contemporary and historical examples from international contexts the authors address the political positioning of expertise and how this creates boundaries between who is an expert and who is not and what is and is not expertise Gerrard and Holloway argue that ongoing policy debates about teacher expertise cannot be resolved by neutral definitions of good teaching Rather expertise is unavoidably political in its expression

**Gender, Governance and Feminist Analysis** Christine M Hudson, Malin Rönblom, Katherine Teghtsoonian, 2017-07-14 This edited volume presents critical scholarship analysing governance practices in diverse jurisdictions in Europe and North America at multiple scales and in relation to several different arenas of policy and practice The contributors address shortcomings in the mainstream literature on governance within the discipline of political science The volume as a whole is marked by geographical and topical diversity However what the individual chapters have in common is that each considers whether and how gender racialized identity and or other axes of marginalization are visible within the conceptualizations and or practices of governance under discussion Drawing together insights and conceptual tools from both feminist and post structuralist frameworks in analysing governance practices this volume will be of great interest to scholars and graduates who engage with feminist and or post structural analysis of policy and governance It will also be of use to critical policy scholars in anthropology geography sociology and women s studies

**Consolidating Developmental Local Government** Mirjam Van Donk, Isandla Institute, 2008 Documents the dynamics of local government transformation and captures the key themes of the debates about policy options lessons and key strategic decisions This text is suitable for government officials students researchers specialists community leaders businesses and the general reader

*Political Representation in the European Union* Sandra Kröger, 2014-04-03 In recent years the financial and economic crisis of 2008 9 has progressed into an equally important political and democratic crisis of the EU These troubled times have set the framework to re assess a number of important questions in regard to representative democracy in the EU such as the normative foundation of political representation the institutional relationship between representatives and represented the link between democracy and representation and new arenas and actors This book examines the diverse avenues through which different sorts of actors have expressed their voices during the Euro crisis and how their various interests are translated into the decision making process It offers a state of the art assessment of what political representation means in this context as well as a contribution

to the representative turn in democratic theory The authors address three key themes The main actors and channels of political representation in the EU Interlocking levels of representation in the EU and the way in which national and supranational representation works How the European institutional system represents EU citizens through law and administration Focusing on the importance of representation in the legitimation of democracy this book will be of interest to students and scholars of European Union politics European studies democratic theory representation studies civil society and transnational democracy *Interactive Governance* Jacob Torfing, 2012-01-12 It is however often used to mean a variety of different things *Governing Cultures* K. Coulter, W. Schumann, 2012-09-03 By assembling original ethnographically grounded research in legislatures executives and bureaucracies this volume illuminates and unpacks the structures practices and values of government actors in local regional and national contexts **Public Administration in Ethiopia** Bacha Kebede Debela, Geert Bouckaert, Meheret Ayenew Warota, Dereje Terefe Gemechu, 2020-12-01 Building an effective inclusive and accountable public administration has become a major point of attention for policymakers and academics in Ethiopia who want to realise sustainable development This first handbook on Ethiopian Public Administration is written by Ethiopian academics and practitioner academics and builds on PhD studies and conference papers including studies presented at the meetings of the Ethiopian Public Administration Association EPAA established in 2016 Public Administration in Ethiopia presents a wide range of timely issues in four thematic parts Governance Human Resources Performance and Quality and Governance of Policies Each of the individual chapters in this volume contributes in a different way to the overarching research questions How can we describe and explain the contexts the processes and the results of the post 1990 politico administrative reforms in Ethiopia And what are the implications for sustainable development This book is essential for students practitioners and theorists interested in public administration public policy and sustainable development Moreover the volume is a valuable stepping stone for PA teaching and PA research in Ethiopia **Corporate Governance and the Nuclear Industry** Barry Pemberton, 2015-09-16 Corporate Governance and the Nuclear Industry explores the UK nuclear Legacy governance issues associated with the decommissioning of a range of early generation civil nuclear facilities This book traces how we got here and the risks that have been taken whilst presenting new research and thinking that is required to manage our nuclear Legacy The book addresses a new analytical approach using notions of governance to review key historic events This approach analyses these events using concepts of stakeholder control accountability and regulation Using these concepts and undertaking a more detailed analysis of the Legacy's current governance arrangements the conventional public sector based solutions that attempt to harness private sector expertise this book will contrast these with government responses to determine the degree of control over the Legacy and any possible control issues Corporate Governance and the Nuclear Industry concludes that we need to recognise the legacy's problems as exceptional rather than prosaic and suggests that this requires exceptional governance solutions rather than the current form that is clearly failing

Creative Participation Michele Micheletti, Andrew S. McFarland, 2015-12-03 Creative Participation presents the theory and practice of new innovative forms of political participation Examples covered in the book include consumers engaging in political shopping capitalists building green developments UK Muslim youth campaigning on the internet Sicilian housewives taking on the Mafia young evangelical ministers becoming concerned with social change and vegetarians making political statements The authors show how in these new campaigns individuals swarm like honeybees around particular issues causing those in power to sit up and take notice This is the essential guide to the new politics of participation

*Human-Centered System Design for Electronic Governance* Saeed, Saqib, Reddick, Christopher G., 2013-03-31 As e government policies and procedures become widely practiced and implemented it is apparent that the success of technology in e government hangs on its consistency with human practices Human Centered System Design for Electronic Governance provides special attention to the most successful practices for implementing e government technologies This highly regarded publication highlights the benefits of well designed systems in this field while investigating the implications of poor practices and designs This book is beneficial for academics researchers government officials and graduate students interested and involved in design of information systems within the context of e government

*Adult Social Care* Ferguson, Iain, Lavalette, Michael, 2013-10-23 Adult social care in Britain has been at the centre of much media and public attention in recent years Revelations of horrific abuse in learning disability settings the collapse of major private care home providers abject failures of inspection and regulation and uncertainty over how long term care of older people should be funded have all given rise to serious public concern In this short form book part of the Critical and Radical Debates in Social Work series Iain Ferguson and Michael Lavalette give an historical overview of adult social care The roots of the current crisis are located in the under valuing of older people and adults with disabilities and in the marketisation of social care over the past two decades The authors critically examine recent developments in social work with adults including the personalisation agenda and the prospects for adult social care and social work in a context of seemingly never ending austerity

**Ethics** Sarah Banks, 2014-03-01 The past few years have seen a renewed interest in social work ethics and this volume argues that this phenomenon can be seen as reflecting two very different agendas On the one hand this interest is part of a progressive movement that critiques market oriented approaches to managing the public sector often called New Public Management NPM by emphasizing the role of social workers as agents for social justice On the other hand the growth of interest in ethics could be viewed as part of the NPM and its efforts toward controlling the conduct of professionals and service users The contributors explore both of these viewpoints emphasizing the importance of reclaiming professional ethics for social work and outlining a preliminary framework for doing so

**Equality and Public Policy** Paul Chaney, 2011-01-31 Equality of opportunity is a contested concept It evokes strong emotions from proponents and opponents alike Enduring issues of inequality and discrimination mean that it remains at the forefront of political priorities in the twenty first century Traditional

analyses tend to focus on developments at the level of the unitary state or European Union. In contrast, this book underlines the salience of multi-level governance and offers the first detailed comparative analysis of contemporary efforts to promote equality of opportunity in the wake of constitutional reform in the UK. It presents a summary of social theory on equalities in relation to gender and a full range of social groups and identities such as disability, ethnicity, sexual orientation, and age. It outlines the contemporary evidence base relating to patterns and processes of inequality in the devolved nations. A governance perspective is also advanced, one that details how constitutional law establishing the devolved legislatures contains equality clauses that enable and empower government to promote equality in public policy and law. Analysis reveals the development of distinctive regulatory structures and equalities policy lobbies in each territory. Overall, this volume charts the development of divergent legal rights and public policy on the promotion of equality in the wake of constitutional reform in the UK. Notwithstanding ongoing challenges, it is argued that the move to quasi-federalism is significant for it marks a shift from the predominant centralised administration of social policy witnessed throughout the twentieth century to divergent approaches designed to address contrasting socio-economic patterns and processes in Wales, Scotland, and Northern Ireland.

Civil Societies and Social Movements Derrick Purdue, 2007-04-23. This volume examines and contributes to debates surrounding social capital, social movements, and the role of civil society in emerging forms of governance. The authors adopt a broad range of research approaches from testing hypotheses drawn from rational choice theory against available statistics on associations to ethnographic study of emerging attempts at participant deliberative democracy. Divided into three clear sections focusing on the following core aspects of civil society: the position of civic organizations between state and society in emerging forms of governance; the geographical scales of social movement mobilizations and actions from the local to the global; the patterns of public trust and civic engagement that falls under the rubric of social capital. The book draws on case studies from a wide range of countries including Russia, Ukraine, Britain, Greece, Spain, Germany, Argentina, and new Asian democracies. Presenting current research on the key dimensions of civil society, *Civil Societies and Social Movements* will appeal to those researching and studying in the fields of political science, sociology, and social policy. **Psychological and**

**Social Implications Surrounding Internet and Gaming Addiction** Bishop, Jonathan, 2015-08-03. Addiction takes many forms and has the potential to impact individuals of all ages, socio-economic statuses, and ethnic backgrounds. Digital addiction has become one of the latest topics of interest among researchers and mental health professionals as individuals become more engrossed in and reliant on digital devices. *Psychological and Social Implications Surrounding Internet and Gaming Addiction* focuses on the dark side of technology and the ways in which individuals are falling victim to compulsive internet use as well as gaming and gambling addictions. Highlighting socio-cultural, psycho-social, and techno-cultural perspectives on problematic technology use, this critical publication is essential to the research and practical needs of therapists, public administrators, psychologists, students, and researchers interested in compulsive disorders, human behavior,

dependency and other key mental health issues A pivotal addition to the current mental health research available this book focuses on topics including but not limited to Internet addiction gaming addiction disorder gambling gamification hypermedia seduction theory MMORPGs psychotherapy and related public policy issues

## **Remaking Governance Peoples Politics And The Public Sphere Introduction**

In today's digital age, the availability of Remaking Governance Peoples Politics And The Public Sphere books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Remaking Governance Peoples Politics And The Public Sphere books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Remaking Governance Peoples Politics And The Public Sphere books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Remaking Governance Peoples Politics And The Public Sphere versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Remaking Governance Peoples Politics And The Public Sphere books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Remaking Governance Peoples Politics And The Public Sphere books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Remaking Governance Peoples Politics And The Public Sphere books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit

organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Remaking Governance Peoples Politics And The Public Sphere books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Remaking Governance Peoples Politics And The Public Sphere books and manuals for download and embark on your journey of knowledge?
