Remaking America The Values Revolution:

Remaking America Paul D. Knott,1993 **Remaking America** James A. Joseph,1995-05-02 Uncovers the long history and rich traditions of giving among people of color Focusing on four communities Native Americans African Americans Asian Americans and Latinos Joseph draws compelling portraits of cultural heroes and heroines who personify the benevolent nature of their unique heritages The author maintains that by understanding and affirming these traditions we can form a new vision of the larger American community based on shared values universal compassion and a new spirituality The Southern State of Mind Jan Nordby Gretlund,1999 Remarkably removed from the devotional certifying and celebratory view of the South that has dominated books of this genre The Southern State of Mind addresses the question of whether inherited Southern values problems and contradictions have survived the onslaught of modernization **BOOK JACKET** **The Age of Revolutions in Global Context, c. 1760-1840** David Armitage,Sanjay Subrahmanyam,2009-12-18 A distinguished international team of historians examines the dynamics of global and regional change in the late eighteenth and nineteenth centuries Providing uniquely broad coverage encompassing North and South America the Caribbean Europe Africa the Middle East South and Southeast Asia and China the chapters shed new light on this pivotal period of world history Offering fresh perspectives on The American French and Haitian Revolutions The break up of the Iberian empires The Napoleonic Wars The volume also presents ground breaking treatments of world history from an African perspective of South Asia s age of revolutions and of stability and instability in China The first truly global account of the causes and consequences of the transformative Age of Revolutions this collection presents a strikingly novel and comprehensive view of the revolutionary era as well as rich examples of global history in practice *The Last Campaign* Thurston Clarke,2008-05-27 Tells the story of Robert F Kennedy s 1968 Presidential campaign **The Democratic Dilemma** Randolph A. Roth,2002-04-25 The Democratic Dilemma seeks to explain Vermonters extraordinary faith and idealism The Bloomsbury Encyclopedia of the American Enlightenment Mark G. Spencer,2015-02-26 The first reference work on one of the key subjects in American history filling an important gap in the literature with over 500 original essays *Encyclopedia of the American Enlightenment* Mark G. Spencer,2015-01-01 The first reference work on one of the key subjects in American history filling an important gap in the literature with over 500 original essays **Seeker Churches** Kimon Howland Sargeant,2000 America s religious landscape is in flux New churches are springing up and many older churches are redefining themselves to survive At the forefront of this denominational free for all are evangelical seeker churches These churches target seekers individuals of any faith or denominational background who seek spiritual fulfillment but are not currently affiliated with any specific church By focusing on this largely untapped group seeker churches have become one of the fastest growing religious movements in the country In his study Kimon Sargeant provides a sociological context for the rise of these churches by exploring the rituals messages strategies and denominational functions of this emerging form of American evangelical

Protestantism Featuring live bands professional lighting and sound systems and multi media presentations seeker churches are attracting many people who have dropped out of organized religion To broaden their appeal they offer attendees advice on everyday issues ranging from relationships to finance Sargeant focuses on the success of the Willow Creek Association the seeker church association started by the Willow Creek Community Church near Chicago With over 5 000 member churches the seven year old association has already outdistanced 90 percent of American denominations and is the leader of the seeker church movement Through eyewitness accounts and careful research Sargeant reveals the seeker movement to be a reformation of American Protestantism

The President Parker Hudson,1998-09 Originally published in 1995 The President reads like today s newspaper Midway through his term a secularhumanist President becomes a Christian and has to decide how his new worldview must change his policies His wife children siblings staff and the entire nation grapple with how his new faith informs his actions Meanwhile terrorists are plotting to detonate a nuclear warhead in New York The many strands of the story all come together in Manhattan as the terrorists use the World Trade Towers to launch their attack the center of action is a place called Ground Zero and one of the characters yells Let s Roll near the end The President is a gripping action thriller with a strong Christian message for the individual and the nation

Inventing the Modern American Family Isabel Heinemann,2012-05 Family is the foundation of society and debates on family norms have always touched the very heart of America This volume investigates the negotiations and transformations of family values and gender norms in the twentieth century as they relate to the overarching processes of social change of that period By combining long term approaches with innovative analysis *Inventing the Modern American Family* transcends not only the classical dichotomies between women s studies and masculinity studies but also contribute substantially to the history of gender and culture in the United States

Modernization as Ideology Michael E. Latham,2003-06-19 Providing new insight on the intellectual and cultural dimensions of the Cold War Michael Latham reveals how social science theory helped shape American foreign policy during the Kennedy administration He shows how in the midst of America s protracted struggle to contain communism in the developing world the concept of global modernization moved beyond its beginnings in academia to become a motivating ideology behind policy decisions After tracing the rise of modernization theory in American social science Latham analyzes the way its core assumptions influenced the Kennedy administration s Alliance for Progress with Latin America the creation of the Peace Corps and the strategic hamlet program in Vietnam But as he demonstrates modernizers went beyond insisting on the relevance of America s experience to the dilemmas faced by impoverished countries Seeking to accelerate the movement of foreign societies toward a liberal democratic and capitalist modernity Kennedy and his advisers also reiterated a much deeper sense of their own nation s vital strengths and essential benevolence At the height of the Cold War Latham argues modernization recast older ideologies of Manifest Destiny and imperialism

Vietnam George Donelson Moss,2016-07-01 This book provides a comprehensive narrative history of U S involvement in Southeast Asia from 1942 to

1975 with a concluding section that traces U S Vietnam relations from the end of the war in 1975 to the present Unlike most general histories of U S involvement in Vietnam which are either conventional diplomatic or military histories this volume synthesizes the perspectives to explore both dimensions of the struggle in greater depth elucidating more of the complexities of the U S Vietnam entanglement It explains why Americans tried so hard for so long to stop the spread of Communism into Indochina and why they failed Key topics The Fall of Saigon The End as Prelude Vietnam A Place and A People The Elephant and the Tiger An Experiment in Nation Building Raising the Stakes Going to War The Chain of Thunders The Year of the Monkey A War to End a War The End of the Tunnel Market For anyone curious to know about the long American involvement in Southeast Asia 1942 1975 **The 1960s Cultural Revolution** John C. McWilliams,2020-12-02 The 1960s Cultural

Revolution is a highly readable and valuable resource revisiting personalities and events that sparked the cultural revolutions that have become synonymous with the 1960s The 1960s Cultural Revolution A Reference Guide is an engagingly written book that considers the forces that shaped the 1960s and made it the unique era that it was An introductory historical overview provides context and puts the decade in perspective With a focus on social and cultural history subsequent chapters focus on the New Left the antiwar movement the counterculture and 1968 a year that stands alone in American history The book also includes a wealth of reference material a comprehensive timeline of events biographical profiles of key players primary documents that enhance the significance of the social political and cultural climate a glossary of key terms and a carefully selected annotated bibliography of print and nonprint sources for further study Remake Television Carlen

Lavigne,2014-02-27 Remakes are pervasive in today s popular culture whether they take the form of reboots re imaginings or overly familiar sequels Television remakes have proven popular with producers and networks interested in building on the nostalgic capital of past successes or giving a second chance to underused properties Some TV remakes have been critical and commercial hits and others haven t made it past the pilot stage all have provided valuable material ripe for academic analysis In Remake Television Reboot Re use Recycle edited by Carlen Lavigne contributors from a variety of backgrounds offer multicultural multidisciplinary perspectives on remake themes in popular television series from classic cult favorites such as *The Avengers* 1961 69 and *The X Files* 1993 2002 to current hits like *Doctor Who* 2005 present and *The Walking Dead* 2010 present Chapters examine what constitutes a remake and what series changes might tell us about changing historical and cultural contexts or about the medium of television itself Sold American Charles F. McGovern,2009-01-06 At the turn

of the twentieth century an emerging consumer culture in the United States promoted constant spending to meet material needs and develop social identity and self cultivation In Sold American Charles F McGovern examines the key players active in shaping this cultural evolution advertisers and consumer advocates McGovern argues that even though these two professional groups invented radically different models for proper spending both groups propagated mass consumption as a specifically American social practice and an important element of nationality and citizenship Advertisers McGovern shows

used nationalist ideals icons and political language to define consumption as the foundation of the pursuit of happiness Consumer advocates on the other hand viewed the market with a republican inspired skepticism and fought commercial incursions on consumer independence The result says McGovern was a redefinition of the citizen as consumer The articulation of an American Way of Life in the Depression and World War II ratified consumer abundance as the basis of a distinct American culture and history

Society on the Run W. Peters,2016-09-16 A study of the United States and its political culture The author contends that democracy exists at the level of political institutions and processes in the US as well as in its private sector

Cold Breezes and Idiot Winds Valerie Scatamburlo d'Annibale,2011-11-19 After 9 11 rightists capitalized on an atmosphere of fear and confusion to resuscitate the culture wars of the 1990s and once again targeted the academy Using tactics reminiscent of the McCarthy era religious firebrands militant neoconservatives and free market fundamentalists engaged in a concerted effort to silence voices critical of the war on terror and liken legitimate dissent to treason Brandishing a discourse of patriotic correctness PC that was informed by American exceptionalism Christian nationalism anti intellectualism and virulent anti liberalism this coalition portrayed the professoriate as a dangerous cabal seeking the demise of Western civilization In Cold Breezes and Idiot Winds Scatamburlo D Annibale explains why the most recent assault on academe must be understood in relation to the right s broader offensive against liberalism For decades conservatives have worked diligently to construct a network of foundations think tanks and campus organizations dedicated to demonizing progressive thought the legacy of the New Deal era and the democratic social reforms of the 1960s The author provides a detailed examination of this ideological infrastructure and how it advanced the agenda of PC post 9 11 She explores how the campaign for PC was aided and abetted by a right wing media apparatus how it continues to threaten academic freedom on campuses and how it is currently infecting the larger body politic and contributing to the increased toxicity of the nation s public dialogue While purveyors of PC often invoke culture war rhetoric Scatamburlo D Annibale adroitly reveals that their ultimate aim is to protect corporate power from any form of democratic accountability

Global Inequality Kenneth McGill,2016-05-20 Inequality is currently gaining considerable attention in academic policy and media circles From Thomas Piketty to Robert Putnam there is no shortage of economic sociological or political analyses But what does anthropology with its focus on the qualitative character of relationships between people have to offer Drawing on current scholarship and illustrative ethnographic case studies McGill argues that anthropology is particularly well suited to interrogating global inequality not just within nations but across nations as well Brief accessibly written and peppered with vivid ethnographic examples that bring contemporary research to life Global Inequality is an introduction to the topic from a

unique and important perspective
