What Every Believer Should Know
about the Faith,
but Probably Doesn't

Remedial Christianity

Bernard Brandon Scott

Remedial Christianity:

Remedial Christianity Paul A. Laughlin, Glenna S. Jackson, 2000 Remedial Christianity places Christianity among the world's major religions and contrasts and compares its doctrine and practice with those of other great religions. It further examines not only the distinctively Christian beliefs but the breadth of Christianities within Christianity. Written clearly and with humor, Remedial Christianity provides a valuable tool for everyone seeking to understand the Christian tradition. A Credible Christianity Walter Kania Ph D, Walter Kania, 2010 A Syrian poet noted that The world holds two classes of men: intelligent men without religion and religious men without intelligence. A Nobel Prize winning physicist Dr Steven Weinberg said Religion is an insult to human dignity. With or without it you would have good people doing good things and evil people doing evil things. But for good people to do evil things that takes religion. Could they both be right? Or is it possible that we could have a Christianity that is intelligible, believable and credible? In order for that to be true we would need to rescue our traditional notions and practice of the Christian faith from its ancient fraudulent time warp. We need to help it remove itself from the cultural trance in which it exists and the faulty beliefs which it holds. We continue to survive on and promote an ancient discredited history of Jesus and the Church. The secular and Biblical Scholarship of the last 200 years has been largely ignored in today's Christian beliefs and practices. What we have today in Christianity is a distorted, disfigured and fraudulent hero of the Christian faith. We have numbed and parked our mental faculties regarding the historic knowledge of our religion and the truthful, accurate and proper exercise or practice of our religion. A Credible Christianity provides you with the best and latest scholarship, behavioral research and psychological insight. Galileo a hero of the Renaissance who was accused of sacrilege in his day said I do not feel obliged to believe that the same God who has endowed us with sense, reason and intellect has intended us to forego their use. *Ancient Christianity, and the Doctrines of the Oxford Tracts* Isaac Taylor, 1840 **A Complete System of Christian Theology** Samuel Wakefield, 1869 Sermons Preached in the King's Weigh-House Chapel T. Binney, 2025-08-28 Reprint of the original first published in 1875. The Antigonos publishing house specialises in the publication of reprints of historical books. We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage. **The Missionary Review of the World**, 1908

Revelation, Christianity and the Bible George Edward Lynch Cotton, 1864 *Adventures of an Itinerant Imagination* Bernard Brandon Scott, 2025-06-25 John Dominic Crossan is the most important scholar on the historical Jesus since David Fredrick Strauss in the nineteenth century. Both his scholarly *The Historical Jesus: The Life of a Mediterranean Jewish Peasant* 1991 and the more popular *Jesus: A Revolutionary Biography* 1994 made the bestsellers list. But the scope of his work goes well beyond the historical Jesus to studies on the death of Jesus and anti-Semitism. Christianity and empire, archaeology, the apostle Paul, the Pharisee and recently apocalyptic and the environment. He addresses both scholarly and popular audiences, ancient sources and contemporary concerns. The essays in this volume explore and access the range of his work for

his various audiences Some of the essays are scholarly in tone while others are quite personal A feature of this book is Crossan s complete curriculum vitae

Removing the Dragon Skin Jeremiah C. Braudrick,2019-10-18 For anyone who has ever longed for God but always felt like his love was just out of reach for anyone whose messy story has made them feel like a third string player on God s team for anyone whose soul feels beaten battered and in desperate need of some healing C S Lewis just may have a remedy This collection of essays and memoirs delivered by an author whose fundamentalist upbringing painted a picture of a God who was simply impossible to please are written for anyone whose has struggled with their spiritual self worth After life threw him a few curveballs he was convinced that the God whose approval he yearned for simply had no use for him Lewis helped to changed that This story about falling back in love with God takes the reader on a three year journey in which the author digested just about every word Lewis ever wrote including many of his classics his lesser known writings and even personal letters he wrote to family friends fans and even children The memoirs will journey to Lewis s home and favorite pub in Oxford his office in Cambridge his church his gravesite and more

Healing the Divide, Tenth Anniversary Edition Amos Smith,2024-05-17 Healing the Divide is a bold call to understand Jesus according to the earliest lineage of Christian Mystics a call to transform our dualistic minds and heal a divided church This book is a must read if you find yourself frustrated by the fundamentalist and new age polarization of twenty first century Christianity bewildered by religious pluralism or searching for Christianity s elusive mystic core

The Case of the Missing Person R. Earle Rabb,2009-01-01 A famous person is missing The human Jesus of Nazareth is missing from the creeds of the church missing from most of the New Testament and hidden within the four New Testament gospels It will take an exciting piece of detective work to find him and upon finding him there will be a big surprise He may not turn out to be the person the reader expects to find Finding Jesus of Nazareth can transform churches communities and individuals in unexpected ways Many people today are being drawn to the original message of Jesus apart from the image of Jesus proclaimed by the traditional church There is a hunger for the values Jesus proclaimed and practiced This book will help everyone religious or not discover the human Jesus and his original vision of new communities of equity social justice and shared resources as well as discover what that means in our modern world

Things I Never Learned in Sunday School ,2013-01-24 For many believers the preferred approach to Christianity is passive that is they would prefer to let church leaders give them answers about their faith rather than engaging in an active pursuit on their own As a result traditional doctrines and beliefs are generally accepted without question This was the path the author followed for over fifteen years Surprisingly it wasn t until she left Christianity that she began an in depth study of the Christian faith Things I Never Learned in Sunday School is the result of her efforts With nearly 200 reference notes and numerous scripture quotations she examines the infallibility of the bible the resurrection the existence of Satan the fate of the unsaved the Antichrist the end times even the identity of God She also provides extensive insight into why Paul played such an important role in establishing Christianity The final conclusion Many

doctrines taught in Sunday School and church often have little basis in fact and several are not addressed at all Some readers may find the contents of this book unsettling On the other hand when read with an open and inquiring mind it could very well result in a spiritual awakening

Found in the Middle! Wesley J. Wildman, Stephen Chapin Garner, 2009-05-22 There exists a deep and broad population of Christians who feel the labels of liberal and evangelical both describe their faith and limit their expression of it By working to reclaim the traditional historical meanings of these terms and showing how they complement rather than oppose each other Wesley Wildman and Stephen Chapin Gardner stake a claim for the moderate Christian voice in today's polarized society Found in the Middle offers a foundational approach to the theology and ethics that undergird a congregation where moderate Christians can thrive Wildman and Garner serve as helpful guides on a quest for a humble theology an intelligible gospel message a compelling view of church unity and a radical ethics deeply satisfying to most Christians with both liberal and evangelical instincts Pastors congregational leaders seminarians and all thoughtful Christians will learn how truly moderate Christianity can unite the compassionate openness and social activism of liberal Christianity with the magnetism and spiritual fervor of evangelical Christianity You may feel lost in the middle but you are not alone there The middle may be the place where you find yourself living most authentically
