Remembering Life Vol 1:

Bowker's Complete Video Directory, 1999, 1999 Successful Remembering and Successful Forgetting Aaron S. Benjamin, 2011-01-07 This volume provides a window into cutting edge research in cognitive psychology on inhibition in memory metacognition educational applications of basic memory research and many other topics related to the groundbreaking research of Robert Bjork It will appeal to graduate students and researchers in learning and memory

The 10 Cent War Trischa Goodnow, James J. Kimble, 2017-01-20 Contributions by Derek T Buescher Travis L Cox Trischa Goodnow Jon Judy John R Katsion James J Kimble Christina M Knopf Steven E Martin Brad Palmer Elliott Sawyer Deborah Clark Vance David E Wilt and Zou Yizheng One of the most overlooked aspects of the Allied war effort involved a surprising initiative comic book propaganda Even before Pearl Harbor the comic book industry enlisted its formidable army of artists writers and editors to dramatize the conflict for readers of every age and interest Comic book superheroes and everyday characters modeled positive behaviors and encouraged readers to keep scrapping Ultimately those characters proved to be persuasive icons in the war s most colorful and indelible propaganda campaign The 10 Cent War presents a riveting analysis of how different types of comic books and comic book characters supplied reasons and means to support the war The contributors demonstrate that free of government control these appeals produced this overall imperative The book discusses the role of such major characters as Superman Wonder Woman and Uncle Sam along with a host of such minor characters as kid gangs and superhero sidekicks It even considers novelty and small presses providing a well rounded look at the many ways that comic books served as popular propaganda Forgetful Remembrance Guy Beiner, 2018 Forgetful Remembrance offers a new approach to the study of memory by focusing on vernacular historiographies and the notion of forgetting Using the 1798 Irish Rebellion Beiner explores how communities try to obscure inconvenient and uncomfortable events from the past *The Soviet Past in the Post-Socialist Present* Melanie Ilic, Dalia Leinarte, 2015-07-03 This collection examines practical and ethical issues inherent in the application of oral history and memory studies to research about the Soviet Union and Eastern Europe since the collapse of the Soviet bloc Case studies highlight the importance of ethical good practice including the reflexive interrogation of the interviewer and researcher and aspects of gender and national identity Researchers use oral history to analyze present day recollections of the Soviet past thereby extending our understanding beyond archival records official rhetoric and popular mythology Oral history explores individual life stories but this has sometimes resulted in rather incomplete incoherent inconsistent or illogical narratives Oral history therefore presents the researcher with a number of methodological and ethical dilemmas including the interpretation of silence in biographical accounts This collection links the discussion of oral history ethics with that of memory studies Memories are shaped by factors that may be simultaneously both consecutive and disrupted In written accounts and responses to interview questions respondents sometimes display nostalgia for the Soviet past or conversely may seek to de mythologize the realities of Soviet

rule Case studies explore what to do when interview subjects and memoirists consciously sub consciously or unconsciously forget aspects of their own past or themselves seek to take control of the research process *Religious Experience and the Modernist Novel* Pericles Lewis,2010-01-07 The modernist period witnessed attempts to explain religious experience in non religious terms Such novelists as Henry James Marcel Proust James Joyce Virginia Woolf and Franz Kafka found methods to describe through fiction the sorts of experiences that had traditionally been the domain of religious mystics and believers In *Religious Experience and the Modernist Novel* Pericles Lewis considers the development of modernism in the novel in relation to changing attitudes to religion Through comparisons of major novelists with sociologists and psychologists from the same period Lewis identifies the unique ways that literature addressed the changing spiritual situation of the early twentieth century He challenges accounts that assume secularisation as the main narrative for understanding twentieth century literature Lewis explores the experiments that modernists undertook in order to invoke the sacred without directly naming it resulting in a compelling study for readers of twentieth century modernist literature **Life's Living Toward Dying** Vigen Guroian,1996 Responding to the current preoccupation with assisted suicide the author discusses society's moral confusion over the meaning of death and gives a Christian alternative consistent with traditional ascription of value to human life

Wellington's Men Remembered: A Register of Memorials to Soldiers who Fought in the Peninsular War and at Waterloo Janet Bromley,David Bromley,2024-06-06 *Wellington's Men Remembered* is a reference work which has been compiled on behalf of the Association of Friends of the Waterloo Committee and contains over 3 000 memorials to soldiers who fought in the Peninsular War and at Waterloo between 1808 and 1815 together with 150 battlefield and regimental memorials in 24 countries worldwide **Autobiographical Memory and the Validity of Retrospective Reports** Norbert Schwarz,Seymour Sudman,2012-12-06 *Autobiographical Memory and the Validity of Retrospective Reports* presents the collaborative efforts of cognitive psychologists and research methodologists in the area of autobiographical memory The editors have included an esteemed group of researchers whose work covers a wide range of issues related to autobiographical memory and the validity of retrospective reports reflecting the diverse traditions in cognitive psychology and survey research The first part of the book provides different theoretical perspectives on retrospective reports along with supporting experimental evidence The second part of this volume focuses specifically on retrospective reports of behaviors including recall of the frequency and intensity of physical pain of the number of cigarettes smoked of dietary habits and of child support payments The following sections address the cognitive processes involved in event dating and time estimation and a discussion of the differences between self and proxy reports The final part extends the discussion of autobiographical memories in different directions including the impact of autobiographical memories on individuals assessment of their current life the assessment of social change on the basis of retrospective reports and the issue of collective memories This book an indispensable and timely resource for researchers and students of cognitive psychology as well as to survey

methodologists and statisticians demonstrates the considerable progress made in understanding the cognitive dynamics of retrospective reports

Rights Remembered Pauline R. Hillaire, 2016-05 *Rights Remembered* is a remarkable historical narrative and autobiography written by esteemed Lummi elder and culture bearer Pauline R Hillaire Sc lla Of the Killer Whale A direct descendant of the immediate postcontact generation of Coast Salish in Washington State Hillaire combines in her narrative life experiences Lummi oral traditions preserved and passed on to her and the written record of relationships between the United States and the indigenous peoples of the Northwest Coast to tell the story of settlers government officials treaties reservations and the colonial relationship between Coast Salish and the white newcomers Hillaire s autobiography although written out of frustration with the status of Native peoples in America is not an expression of anger but rather represents in her own words her hope for greater justice for Indian people in America and for reconciliation between Indian and non Indian Americans based on recognition of the truths of history Addressed to indigenous and non Native peoples alike this is a thoughtful call for understanding and mutual respect between cultures

This Will Be Remembered of Her Megan McKenna, 2010-07-15 Examines stories from Scripture of women around the world and of folk traditions for acts of hope courage imagination and compassion amid the challenges of daily life

Rectors Remembered: The Descendants of John Jacob Rector Volume 3 Laura Wayland-Smith Hatch, 2014-10-22 Volume 3 of 8 1213 1918 A genealogical compilation of the descendants of John Jacob Rector and his wife Anna Elizabeth Fischbach Married in 1711 in Trupbach Germany the couple immigrated to the Germanna Colony in Virginia in 1714 Eight volumes document the lives of over 45 000 individuals

Resurrection Remembered David Graieg, 2024-03-26 This book is the first major study to investigate Jesus resurrection using a memory approach It develops the logic for and the methodology of a memory approach including that there were about two decades between the events surrounding Jesus resurrection and the recording of those events in First Corinthians The memory of those events was frequently rehearsed perhaps weekly The transmission of the oral tradition occurred in various ways including the overlooked fourth model formal uncontrolled Consideration is given to an examination of the philosophy and psychology of memory including past and new research on 1 the constructive nature of memory 2 social memory 3 transience 4 memory distortion 5 false memories 6 the social contagion of memory and 7 flashbulb memory In addition this is the first New Testament study to consider the insights for a memory approach from the philosophical considerations of 1 forgetting and 2 the theories of remembering and from the psychological studies on 1 memory conformity 2 memory and age and 3 the effects of health on memory It is argued that Paul remembers Jesus as having been resurrected with a transformed physical body Furthermore the centrality of Jesus resurrection in Paul s theology suggests it was a deeply embedded memory of primary importance to the social identity of the early Christian communities New Testament scholars and students will want to take note of how this work advances the discussion in historical Jesus studies The broader Christian audience will also find the apologetic implications of interest

The English Catalogue of Books: v. [1]. 1835-1863

Sampson Low, James Douglas Stewart, 1891 *A Newsman Remembered* Robert Smith Jordan, 2011-04-12 A Newsman Remembered is not just the story of the life of Ralph Burdette Jordan RBJ or Jock who was a remarkable newspaperman motion picture publicist war correspondent It is also a glimpse into an era of American social and political history that is now unfortunately largely forgotten if not discarded The compelling personalities with whom he engaged Aimee Semple McPherson William Randolph Hearst Louis B Mayer General Douglas MacArthur are but fading memories which this book briefly restores The first half of the 20th century began as an era of optimism that encompassed a belief that working hard along with seizing the main chance would produce social professional and financial success Ralph Jordan certainly exuded that optimism in everything that he encountered in his short life Along with his contemporaries moving into the great largely ill defined middle class was his overarching goal Within this goal family life was an important ingredient for him marriage in his day was still a partnership with clearly defined marital roles and expectations Ralph and Marys marriage reflected that domestic configuration Religious faith if not always observed to the letter also formed an important part of their family life It could not be otherwise for them and those other largely third generation descendants of Mormon pioneers and their non Mormon contemporaries with whom they associated These so called Mormon second and third generation diasporans were willing even eager to leave behind them the remoteness of what was then described as Zion to seek more promising futures elsewhere retaining as best they could their unique heritage Thus Ralph Jordans story is indeed a life and times story worth telling

D-Day in History and Memory Michael Dolski, Sam Edwards, John Buckley, 2014-03-15 Over the past sixty five years the Allied invasion of Northwestern France in June 1944 known as D Day has come to stand as something more than a major battle The assault itself formed a vital component of Allied victory in the Second World War D Day developed into a sign and symbol as a word it carries with it a series of ideas and associations that have come to symbolize different things to different people and nations As such the commemorative activities linked to the battle offer a window for viewing the various belligerents in their postwar years This book examines the commonalities and differences in national collective memories of D Day Chapters cover the main forces on the day of battle including the United States Great Britain Canada France and Germany In addition a chapter on Russian memory of the invasion explores other views of the battle The overall thrust of the book shows that memories of the past vary over time link to present day needs and also still have a clear national and cultural specificity These memories arise in a multitude of locations such as film books monuments anniversary celebrations and news media representations

Schizophrenia Bulletin , 1984 **East Harlem Remembered** Christopher Bell, 2013-01-01 The community of East Harlem in New York City lays claim to a rich and culturally diverse history Once home to 35 ethnicities and 27 languages the neighborhood attracted Irish Jewish and Italian immigrants in the early 20th century and later saw an influx of Puerto Rican immigrants and African Americans In this oral history former and current residents recount the early days the post World War II rise of public housing the departure of Eastern European inhabitants

the growth of Latino and African American populations the spirited 1960s the urban blight of the 1980s and the more recent resurgence and gentrification This story of strength and struggle provides a vivid portrait of a fascinating community and the many resilient people who have called it home Parental Grief and Photographic Remembrance Felicity T. C.

Hamer,2020-02-17 Felicity Hamer explores how creative and sometimes contested incorporations of photography within online spaces demonstrate a revival and renegotiation of historic practices propelled by a desire to commemorate the death of a child **Trigger** Leo Pando,2019-03-26 Roy Rogers golden palomino Trigger was the perhaps the most famous horse in film more popular than the man himself among certain fans In its expanded second edition this detailed look at the animals and men who created the legend of the smartest horse in the movies examines the life story of the original Trigger and his doubles particularly Little Trigger the extraordinary trick horse Movies in which Trigger appeared without Rogers are discussed More than 200 photographs 90 new to this edition and 30 000 words of additional material are included covering unresolved aspects of Trigger s story controversies surrounding the sale of the Roy Roger s Museum collection and the fate of his legacy
