Divas on Screen Mia Mask, 2009-07-02 This insightful study places African American women's stardom in historical and industrial contexts by examining the star personae of five African American women Dorothy Dandridge Pam Grier Whoopi Goldberg Oprah Winfrey and Halle Berry Interpreting each woman's celebrity as predicated on a brand of charismatic authority Mia Mask shows how these female stars have ultimately complicated the conventional discursive practices through which blackness and womanhood have been represented in commercial cinema independent film and network television Mask examines the function of these stars in seminal yet underanalyzed films She considers Dandridge's status as a sexual commodity in films such as *Tamango* revealing the contradictory discourses regarding race and sexuality in segregation era

American culture Grier's feminist camp performances in sexploitation pictures *Women in Cages* and *The Big Doll House* and her subsequent blaxploitation vehicles *Coffy* and *Foxy Brown* highlight a similar tension between representing African American women as both objectified stereotypes and powerful self-defining icons Mask reads Goldberg's transforming habits in *Sister Act* and *The Associate* as representative of her unruly comedic routines while Winfrey's daily television performance as self-made self-help guru echoes Horatio Alger narratives of success Finally Mask analyzes Berry's meteoric success by acknowledging the ways in which Dandridge's career made Berry's possible

Prayer Works! Getting a Grip on Catholic Spirituality Matthew Leonard, 2014-05-23 Maybe you've read stories about millionaires who travel to Tibet to learn how to meditate Maybe you know someone who visited a monastery for a month to learn how to pray Maybe you don't have that kind of money or spare time But you still want to learn to pray Don't worry You don't need money or a monastery You have this book You have a sense of humor And you have God's grace You're ready to pray Prayer is how we talk with God The Bible says we should do it constantly Jesus said it's the one thing we need to do Your soul was made to be in conversation with God Nobody knows you better Nobody cares more about you The good news is that prayer isn't something exotic or esoteric not when Matthew Leonard talks about it He makes the methods manageable Promise you won't have to twist your body into a pretzel hire a coach or learn a foreign language So if you've

never read a book on prayer you've got the right one And if you've read lots of books on prayer you've still got the right one It's got laugh out loud humor great storytelling and rock solid instruction Prayer Works is fun and fast paced It will put you on your knees after you're finished slapping them *Remembering the Future* Colette Baron-Reid, 2006-10-01 The best selling author of *Messages from Spirit* and *The Map Within* each of us is the voice of an inner teacher guardian that is our link to the unseen world of Soul Its purpose is to guide and protect us It allows us an all access pass to the vast arena of Divine intelligence potential and power It is called intuition We all have it yet sadly most people are disconnected from it Using her own turbulent yet remarkable life as a narrative along with fascinating stories from her clients internationally renowned intuitive counselor Colette Baron Reid shares the deeply moving and amazing story of her journey to finally accepting and exulting in her extraordinary gift of intuition and foresight which had been thirsting to be heard since she was a young child Over the past 17 years Colette has amassed an international client base that spans 29 countries while offering astonishing personal insights that many consider miraculous She now openly and generously shares that journey in *Remembering the Future* which will not only leave you filled with hope and empowerment but will guide you in rediscovering your magical gift of intuition By following Colette's Seven Spiritual Keys you'll experience a consciously fulfilling creative life filled with profound harmony and opportunity And most important you'll know who you really are *Remembered Rapture* bell hooks, 1999-11-15 Contains chapters on Zora Neale Hurston Emily Dickinson Ann Petry Lorraine Hansberry and Toni Morrison **The Twelve Days of Christmas Quest** Emily Landi, The first day of Christmas can be a magical time filled with anticipation and the sweet scent of gingerbread But for eleven year old twins Mia and Jack this Christmas Eve was about to become anything but ordinary An extraordinary letter addressed to them in elegant script arrived on their doorstep bearing the unmistakable seal of Santa Claus himself It was a letter that would forever change their lives setting them on a thrilling quest to save Christmas from an ancient curse Prepare to be swept away by this heartwarming story of adventure friendship and the enduring spirit of Christmas Join Mia and Jack as they unravel clues face challenges and uncover the true meaning of Christmas Discover a world filled with talking snowmen mischievous elves and enchanted items all while experiencing the joy and wonder that only the magic of Christmas can bring So grab a cozy blanket a cup of hot cocoa and settle in for a journey that will warm your heart and fill you with Christmas cheer **The Development of Dogma** Guy Mansini, 2023-10-27 *The Development of Dogma* examines the nature of dogmatic statements and the causes of development It devotes particular attention to the emergence of the form of dogmatic statements at the Council of Nicaea but notes how this form is anticipated in the New Testament It situates dogma and its development within the matrix of the great fundamental theological realities of Scripture Tradition and Magisterium Fr Mansini examines at some length how the Church comes to recognize a development as a genuine development rather than as a distortion of the word of God *The Development of Dogma* is especially valuable today for its discussion and defense of the philosophical presuppositions of

dogma which are often simply presupposed but should not be ignored in a complete account of development These presuppositions touch on fundamental philosophical issues including the nature of knowledge the objectivity and trustworthiness of names and the various logical forms employed in understanding how development is related to a closed revelation The historicity of human knowledge is also addressed and the role of dogma itself in heading off the extreme relativism the historical nature of man is supposed to imply for ecclesial faith and life The Church's dogma about dogma enunciated at the First Vatican Council is also examined The role of certain fundamental concepts in understanding the possibility of the irreformability of dogma it speaks of is expressly addressed concepts in principle accessible to all human beings and that enable a trans cultural trans temporal proposal and reception of revealed truth When Prayer Takes Place J. Gerald Janzen, 2012-11-06 Where in the world was Jesus when he prayed Where is any one of us when we pray Since we are embodied creatures our prayer location can be mapped onto space time coordinates Since we are social creatures our prayers are also situated within our social locations But do these sets of coordinates exhaustively identify the place that prayer takes when truly entered into Conversely can either set totally prevent prayer from taking place there These questions lie at the intersection of resolutely religious vis a vis resolutely secular understandings of existence The studies in this volume explore dimensions of these issues traced in selected texts from both parts of the Christian Bible **Discovering Our Spiritual Identity** Trevor Hudson, 2010-11-04 Each chapter in this workbook by Trevor Hudson is peppered with holy experiments simple practices that bring you into God's presence and help you experience life as his beloved At the end of each chapter is a set of questions which are ideal for discussion with one or two spiritual friends or a small group A Renovar Resource **The Art and Politics of Wana Shamanship** Jane Monnig Atkinson, 1992-03-10 This book is a marvelous counterpoint to the rich scholarship that has developed on the center in Southeast Asian societies providing for the first time an in depth study of the play of personhood and power and their historical transformations on the Indonesian periphery Toby Alice Volkman Social Science Research Council A very important work not only for the specialists of island Southeast Asia but also for the general anthropologist Atkinson accomplishes a number of tasks in fresh and innovative ways George E Marcus Rice University Impressively informed by major theoretical issues Atkinson's work at the same time brings her readers into the everyday world of the Wana in Sulawesi Indonesia Renato Rosaldo Stanford University *A New Revelation* Brandice Sills-Payne, 2015-10-27 God's love instruction and plan for your life live within each word of this book The revelation that comes from the heart of the Father can help lead you down the path of purpose and into the Throne Room of Heaven
