Remembering Our Spirit:

Remembering Our Oneness Thomas Paul Hansen, 2012-12-13 In his previous metaphysical book *Trying to Remember* Dr Thomas Paul Hansen explored this question and statement Are you a spiritual being having a physical experience or a physical being having an occasional spiritual experience Which one you believe makes all the difference in the world In his new book *Remembering Our Oneness* learn how to live as the spiritual being that you are even while experiencing this illusion of a physical universe Learn how to be in this world but not of this world Learn how to co create a world of peace that will help all of us awaken to our true Godself nature We can take concrete action for peace in the world and at the same time remember that our true spiritual nature is already inside each one of us Did we actually make this physical universe ourselves with our minds Why would we have done so Find out why the old seeing is believing concept should be changed to believing is seeing

Remembering Our Baptism Philip R. Meadows, 2018-01-01 Drawing on the roots of early Methodists Philip Meadows urges readers to use the act of remembering their baptism to connect themselves to their own discipleship and mission This will result in the daily shaping of their Christian lives by personal and corporate spiritual discipline which is itself decidedly baptismal in character When church communities of every size remember their baptism they hold one another accountable for the life of disciplined discipleship and everyday witness A great resource for small group study and clergy

The Spiritual Practice of Remembering Margaret Bendroth, 2013-11-11 We often dismiss history as dull or irrelevant but our modern disengagement from the past puts us fundamentally out of step with the long witness of the Christian tradition Yet says Margaret Bendroth the past tense is essential to our language of faith and without it our conversation is limited and thin This accessible beautifully written book presents a new argument for honoring the past The Christian tradition gives us the powerful image of a vast communion of saints all of God's people both living and dead in vital conversation with each other This kind of connection with our ancestors in the faith Bendroth maintains will not happen by wishing or by accident She argues that remembering must become a regular spiritual practice part of the rhythm of our daily lives as we recognize our world to be in many ways a gift from others who have gone before

Remembering Your Spirit Mark Chabus, 2013-05-20 Mark Chabus had it all a beautiful girlfriend a loving family and a new direction in life At twenty three years old he was pursuing his passion for cooking at the French Culinary Institute in New York City His life came to a screeching halt when his girlfriend perished in the World Trade Center on the morning of September 11 2001 Chabus's inspiring story describes the emotional pain he endured as well as an eight year journey toward healing self discovery and spiritual awakening Chabus takes readers on a voyage from heartache and suffering to a place of strength and harmony In *Remembering Your Spirit* Chabus shares his evidential stories that provide proof that the spirits of our deceased loved ones do assuredly survive death He also shares how this horrific tragedy became the very catalyst for recalling his soul's purpose Through his true stories Chabus provides hope healing and inspiration for those struggling through life's difficult times

Discovering Our Spiritual Identity Trevor Hudson, 2010-11-04 Each chapter in this workbook by Trevor Hudson is peppered with holy experiments simple practices that bring you into God's presence and help you experience life as his beloved At the end of each chapter is a set of questions which are ideal for discussion with one or two spiritual friends or a small group A Renovar Resource

Remembering Our Future Andrew G. Walker, Luke Bretherton, 2013-01-16 How the issues of the past affect the future of Deep Church a concept conceived by C S Lewis Orthodox Catholic and Protestant traditions drink from the well of a common tradition rooted in the early church Many Evangelicals are now reengaging with the practice of the early church as they seek to live as disciples today Remembering the past is essential for facing the future In Remembering Our Future leaders and theologians reflect on a range of issues for which a vibrant contemporary faith requires a careful listening to the past What is the place of tradition in the church's life How should we interpret the Bible How should we worship What in other words might Deep Church look like

Our Spiritual Destiny Frederick R. Kipp, 2007-10-22 Our Spiritual Destiny Manifesting New Bodies discusses the ways that evolutionary forces are continuing to unfold through all gradations of life It explains the purpose of human life as the expansion of Consciousness in matter through ongoing body development We have the choice to fulfill this purpose consciously at an accelerated pace by changing and raising the matter of our bodies to a level of our divine essence Utilizing the capacities of our Higher Selves within an initiatory framework of growth and transmutation we can actively participate in our body development thereby helping to expedite the manifestation of new bodies The following are passages from various chapters in the book From Alignment Clarification Many of the ancient wisdom traditions sacred religious texts and modern day writers have all alluded to some form of physical transcendence life extension or the raising and refinement of the physical body From the past each culture religion or entity has its own interpretation and language of what the stories mean or symbolize and how they apply to the present day I believe that many of these references relate to physical ascension physical body perfection or physical immortality All include the same premise that our bodies are of a nature and essence which enable their transformation From Our Journey into Matter I have come to see all of creation as a work in progress gradually working its way towards fulfillment Through evolutionary forces matter is continually being prepared to express ever higher aspects of Consciousness in our physical life It may not always seem like it but I also believe we are important agents of change for the expansion of consciousness in the world Our immortal human spirit repeatedly reincarnates within humanity with increasing experience to help unfold and expand a higher plan for matter However our main problem with this task is that by taking physical form in matter bodies we cannot remember our divine origins in the inner unseen realms From Remembering Some religious scholars suggest that the essence of all sacred material is somehow buried deep within our being If this is true then helping us remember must be the intent and purpose of all divinely inspired sacred books spiritual literature and cultural myths in the world Somewhere in our Being or Higher Self we already know the purpose of physical life in matter As evolution

progresses and our consciousness expands through time we are incrementally working towards remembering this purpose From Spiritual Orientation and Alignment For most of us the physical demands of our daily lives capture our conscious attention and vital energies This happens gradually within our ritualized patterns and daily activities Through this physical focus and orientation the crystallizing force in matter constructs barriers within our consciousness and bodies that maintain and reinforce this alignment Because of its compelling and coalescing nature our life energies are drained through attachment to the form and routine of our lives As a result we usually feel and believe we have little left over to devote to our spiritual development From Health and New Body Alignment Most people have grown up with a body centered identity Everything about living in the world seems to condition us to identify with this orientation The realities of physical life throughout history have encouraged us to strengthen build up or perfect our natural body in one way or another This alignment has ensured the survival of our species Even today in our modern world we continue to value the attributes of physical strength fitness and vitality as the ultimate experience of a good life From the standpoint of our present bodies and our collective beliefs about them this orientation is helpful and necessary However **Monastery Without Walls** Bruce Davis,2001-06-21 There is a part of each of us that is a monk or a mystic We yearn for perfect peace yet live our lives far removed from traditional monasteries yet most of us would not want to give up our personal and spiritual freedom to join monastic life We seek wholeness but realize that wholeness is not possible without sacredness Sacred life takes root in solitude in the time we take to develop a relationship with our inner life in the kind of setting a monastery would offer This book speaks to the monk or mystic within us It affirms our place in the sacred silence of solitude and inner reflection showing how even everyday life is filled with opportunities to live fully in the world as if it were a holy monastery Here we learn to live within the limits as well as the spirit of everyday life how to appreciate our most human self as the path to explore the divine How we encounter a world that is clearly available to us a world filled with nothing less than the gift of sacred silence within the monastery without walls Pieces of the Puzzle, Volume 3 - The Afterlife and Infinite Beyond Trinda Latherow,2015-12-22 Pieces of the Puzzle One title four volumes and countless stories that tell of both the mysterious and miraculous aspects to our world and us An epic adventure for the soul Volume 3 The Afterlife and Infinite Beyond The reality of an afterlife is what we can if only first believe and perceive of it to be **Yoga Mind, Body & Spirit** Donna Farhi,2000-05 Outlines seven simple movement principles that form the basis of all human motion provides exercises to help achieve yoga postures and discusses ten ethical precepts to incorporate into a total mind body and spirit program *The Well of Remembrance* Ralph Metzner,2001-05-01 In his introduction to The Well of Remembrance author Ralph Metzner provides a telling explanation of the theme of his work This book explores some of the mythic roots of the Western worldview the worldview of the culture that for better and worse has come to dominate most of the rest of the world s peoples This domination has involved not only economic and political systems but also values basic attitudes religious beliefs language

scientific understanding and technological applications Many individuals tribes and nations are struggling to free themselves from the residues of the ideological oppression practiced by what they see as Eurocentric culture They seek to define their own ethnic or national identities by referring to ancestral traditions and mythic patterns of knowledge At this time it seems appropriate for Europeans and Euro Americans likewise to probe their own ancestral mythology for insight and self understanding Focusing on the mythology and worldview of the pre Christian Germanic tribes of Northern Europe Metzner offers a meaningful exploration of Western ancestry

The Cross Richard Kema,2014-10-07 In this book The Cross you will discover that the cross of Jesus Christ is everything to man As an indispensable part of our Christian life there cant be any child of God that ought to glory in anything save in the cross thus it is the hallmark of the church and the crux of the Gospel This inspirational and expository study shows how the cross was in the mind of God long before man invented it The cross is the reason God sent his one and only Son into the world to save mankind from sin and death In Christianity the cross became not only a symbol of the shameful death of Jesus Christ as a criminal but also of his

subsequent resurrection to eternal life and of his promise of salvation to Christian believers There is a crossless Christianity which hinders a deeper dimension of consecration responsible for the carnality we see in the church today Richard Kema in this book helps us to appreciate the power of the cross as the only way to salvation deliverance and restoration Dr Steve Ogan *Love's Oneing* Kerrie Hide, 2022-11-08 Grounded in Christian love mysticism *Love's Oneing* gives voice to the luminous consciousness that awakens from within our oneness in God in contemplation With great sensitivity the book offers nuanced insight into the marriage of kenosis and desire in contemplation through the rich tapestry of writings from nine mystics Julian of Norwich the Cloud of Unknowing author Meister Eckhart Mechthild of Magdeburg Clare of Assisi John of the Cross Teilhard de Chardin Beatrice Bruteau and Ilia Delio With the delicate eye of a spiritual director immersed in mystical literature Kerrie Hide situates these mystical teachings within contemplative prayer whilst offering a scholarly exploration of contemplative practice to embody the insights Deeply grounded in traditional and contemporary mystical classics Hide celebrates how the Christian mystical tradition lays a foundation for the evolutionary growth of communion consciousness and the insights of quantum science highlighting key moments in contemplation that when surrendered into open into divine love Born of intellectual reflection lived experience and contemplative wisdom *Love's Oneing* makes a unique contribution to the existing literature on contemplation at a time when the recovery of the mystical dimension of life is crucial for the future of our planet in this climate crisis moment **Divine Connection Twin Flames and Spiritual Guides** Alina Rubi , 2025-02-17 With a touch of humor and a dash of irreverence this play unravels the mysteries surrounding the Twin Souls and Spirit Guides Get ready for a journey full of emotions laughter and revelations where twin flames and spirit guides intertwine in a cosmic dance that will lead you to discover the true meaning of love and life This book is an invitation to believe in the magic of destiny
