*The Word of God for the People of God*, 2010-01-04 This book fills a real need for pastors and students. Though there is currently a large body of material on the theological interpretation of Scripture, most of it is highly specific and extremely technical. J. Todd Billings here provides a straightforward entryway for students and pastors to understand why theological interpretation matters and how it can be done. A solid constructive theological work. *The Word of God for the People of God* presents a distinctive Trinitarian participatory approach toward reading Scripture as the church. Billings's accessible yet substantial argument for a theological hermeneutic is rooted in a historic vision of the practice of scriptural interpretation even as it engages a wide range of contemporary issues and includes several exegetical examples that apply to concrete Christian ministry situations

*Camp Kadesh: Life After Camp* Camp Kadesh, Following Jesus in life after camp looks different than when we are surrounded by people who are all focusing on the same thing. We are faced with hard decisions, painful situations, and doubts about if Jesus is really at work. It can feel hard to remember why we chose to follow Jesus in the first place. We wanted to put something into your hands that will hopefully help you learn how to keep following Jesus even after all the songs are sung and the campfire is put out and everyone has gone home. We hope this inspires you to create rhythms in your life that help you see and know Jesus every day. Because camp always ends but following Jesus in life after camp doesn't have to

*A Love Ode: A Devotional Study of Psalm 119* Carl E. Creasman, Jr., 2016-05-18 Come join Pastor Carl E. Creasman Jr., Senior Pastor of Numinous Church in a devotional study of a love poem about God's commands. Based on teaching presented at Fluid the worship service for Numinous, come discover that Psalm 119 isn't merely some long repetitive list of rules to obey. **Ruining Christmas—Rediscovering Jesus** Carl N. Toney, 2021-08-31 Did you know that the Christmas story almost wasn't told? But Matthew and Luke saved Christmas. Have you wondered if Christmas is really a pagan holiday? Did marketers invent Santa Claus? And what does a Christmas tree have to do with anti-slavery? We'll learn which traditions come from the Bible and where other traditions derive. Have you ever considered who Jesus was named after? Or why Jesus's genealogy is traced to Joseph if he's not Jesus's biological father? We'll answer questions like these surrounding Jesus's legacy. Maybe you've asked what was the Bethlehem star? Or have you heard that there wasn't an inn or innkeeper? With these kinds of inquiries, we'll look at the circumstances surrounding Jesus's birth. Do we know if the magi were kings, astrologers, or magicians? Or could you name the oldest person that met baby Jesus? By interacting with these people who met Jesus on that first Christmas, we'll join

the cast of characters around the manger As we explore the stories and traditions of Christmas together we ll ruin some past misconceptions but in the process I promise that we ll rediscover Jesus
