**The Collected Poems of Lord Byron** George Gordon Byron,1994 This volume comprises the complete poetic works of Byron As well as including such works as Childe Harold Don Juan The Two Foscari The Lament of Tasso and The Vision of Judgement it also contains his shorter lyrical poems **Do You Remember Being Born?** Sean Michaels,2025-07-29 Timely and lovely The New York Times Stunningly compelling The Walrus Scotiabank Giller Prize winner Sean Michaels luminous new novel takes readers on a lyrical joy ride through seven epic days in Silicon Valley with a tall formidable poet inspired by the real life Marianne Moore and her unusual new collaborator a digital mind just one month old It s both a love letter to and an aching examination of art making family identity and belonging Dear Marian the letter from the Company begins You are one of the great writers of this century At 75 Marian Ffarmer is almost as famous for her signature tricorne hat and cape as for her verse She has lived for decades in the one bedroom New York apartment she once shared with her mother miles away from any other family dedicating herself to her art Yet recently her certainty about her choices has started to fray especially when she thinks about her only son now approaching middle age with no steady income Into that breach comes the letter an invitation to the Silicon Valley headquarters of one of the world s most powerful companies in order to make history by writing a poem Marian has never collaborated with anyone let alone a machine but the offer is too lucrative to resist and she

boards a plane to San Francisco with dreams of helping her son In the Company's serene and golden Mind Studio she encounters Charlotte their state of the art poetry bot and is startled to find that it has written 230 442 poems in the last week though it claims to only like two of them Over the conversations to follow the poet is intrigued confused moved and frightened by Charlotte's vision of the world by what it knows and doesn't know Do you remember being born it asks her Of course Marian doesn't but Charlotte does This is a relationship a friendship unlike anything Marian has known and as it evolves and as Marian meets strangers at swimming pools tortoises at the zoo a clutch of younger poets a late night TV host and his synthetic foam set she is forced to confront the secrets of her past and the direction of her future Who knew that a disembodied mind could help bend Marian's life towards human connection that friendship and family are not just time eating obligations but soul expanding joys Or that belonging to one's art means above all else belonging to the world
