imagination under many guises as the last best place on earth a refuge an escape a land of opportunity but also as a place of conquest and failure Where Lewis and Clark saw great possibilities Native cultures found disappointment and loss This collection presents the diverse and often contradictory accounts that make up the mosaic of the nineteenth century American West From Thomas Hart Benton s famous speech in the Senate when he argued that non white civilizations must fall before the western expansion of white Americans to Black Elk s story of a way of life lost on the frozen ground at Wounded Knee Gary Noy offers a representative sampling of the many Wests that historians have struggled to define for over a century Distant Horizon chronicles the dusty world of the cowboy the hard scrabble existence of the farmer and the settler and the miner s vision of golden glory It examines the independent nature of the explorer and mountain man and the sometimes heroic sometimes cruel existence of the soldier We hear the voices of those outside the mainstream of power women and Westerners of color and explore the most tragic element of Western history the confinement subjugation and extermination of Native Americans No other single volume provides as many readings on as many topics in the history of the American West *The WPA Guide to Utah* Federal Writers' Project,2013-10-31

Montana's Righteous Hangmen Llewellyn Link Callaway,1997-02-01 This is the story of Montana Territory in the last half of the nineteenth century when a massive influx of gold seekers brought murderers and robbers into the region and forced the creation of an organization of law abiding citizens known as the Vigilantes Led by Captain James Williams the Vigilantes sought to stop the blatant activities of more than fifty road agents in the Bannack Virginia City mining area who were secretly directed and protected by a local sheriff Henry Plummer The first instance of taking the law into their own hands occurred when an impromptu group of men captured tried and hanged one notorious killer George Ives Thereafter with public approval the Vigilantes continued to ride across the land bringing swift retribution to all wrongdoers Lew L Callaway who grew up knowing Captain Williams as a

friend to his father herein recounts the stories of such famous episodes as the trial of Ives and the controversial capture and hanging of Joseph A Slade who was carrying the severed ears of one of his victims in his pocket on the day he was hanged More than a history of the bloody era that spawned the Vigilantes this is the story of life in Montana Territory of gold fever Indian warfare and the cattle empire that ended along with Captain Williams s life in the disastrous winter of 1887
