William Tecumseh Sherman

Reminiscences Of Confederate Service 1861 1865:

Reminiscences of Confederate Service, 1861-1865 Francis Warrington Dawson, 2019-12-19 In *Reminiscences of Confederate Service 1861 1865* Francis Warrington Dawson offers an intimate and poignant account of his experiences during the American Civil War Through a blend of personal narrative and reflective commentary Dawson captures the harrowing reality of conflict the camaraderie among soldiers and the moral complexities they faced His prose imbued with a sense of nostalgia and authenticity provides readers with a vivid portrayal of the Southern perspective on the war revealing the personal and collective sacrifices made by those involved Set against the backdrop of a divided nation the book is not only a military memoir but also a cultural document that sheds light on the social dynamics of the Confederate South Born in 1840 in South Carolina Dawson's background as a Southern intellectual and his experiences as a soldier shaped his worldview significantly After the war he became a prominent journalist and editor utilizing his platform to articulate the Southern narrative His commitment to depicting the realities of Confederate life and values is reflected in this work offering a nuanced understanding of the conflicts experienced by individuals on both sides of the historical divide *Reminiscences of Confederate Service* is essential reading for those interested in Civil War history military narratives and Southern literature Dawson's articulate reflections provide a bridge to the past inviting readers to ponder the enduring complexities of memory identity and reconciliation in the context of America's most tumultuous era [Reminiscences of Confederate Service, 1861-1865](#) Francis Warrington Dawson, 2018

Reminiscences of Confederate Service, 1861-1865 Francis W Dawson, 2020-06-22 These are the wartime adventures of an Englishman who adopted the confederate cause in the War Between the States and who consequently joined the crew of a Confederate cruiser that sailed from Southampton in 1862 to run the Union blockade Afterward he served in the confederate army and participated in eleven battles His reminiscences were written less than ten years after his experiences and he presents them in a readable and cogent manner as one would expect from a man whose chosen profession was that of journalist After the war he and a partner acquired the older Charleston courier and blended the two papers as the news and courier with the author Francis Frank Dawson as editor Perhaps his wife is better known to the present generation than he Sarah Morgan Dawson's *The Civil War Diary of a Southern Woman* is still in circulation and widely read today His life was fruitful but short At the age of 48 he was murdered Annotations delve into the story behind his murder and provide references for further reading There are more than ten illustrations that were not in the original edition of which only 100 copies were printed for private reading Now a wide audience has the means to enjoy this fascinating book **Reminiscences of Confederate Service, 1861-1865** Francis Warrington DAWSON (the Elder.), 1882 **The Civil War in Books** David J. Eicher, 1997 With the assistance of several scholars including James M McPherson and Gary Gallagher and a long time specialist in Civil War books Ralph Newman David Eicher has selected for inclusion in *The Civil War in Books* the 100 most important books on the war These are

organized into categories as wide ranging as Battles and Campaigns Biographies Memoirs and Letters Unit Histories and General Works The last of these includes volumes on black Americans and the war battlefields fiction pictorial works politics prisons railroads and a host of other topics Annotations are included for all entries in the work which is presented in an oversized 8 1/2 x 11 inch volume in two column format Appendixes list prolific Civil War publishers and other Civil War bibliographies and the works included in Eicher's mammoth undertaking are indexed by author or editor and by title Gary Gallagher's foreword traces the development of Civil War bibliographies and declares that Eicher's annotation exceeds that of any previous comprehensive volume The Civil War in Books Gallagher believes is precisely the type of guide that has been needed The first full scale fully annotated bibliography on the Civil War to appear in more than thirty years Eicher's The Civil War in Books is a remarkable compendium of the best reading available about the worst conflict ever to strike the United States The bibliography the most valuable reference book on the subject since The Civil War Day by Day will be essential for college and university libraries dealers in rare and secondhand books and Civil War buffs

The Slaveholding Indians Annie Heloise Abel, 1919

The Life of Uncle Billy - Memoirs of General W. T. Sherman William Tecumseh Sherman, 2024-01-16

In The Life of Uncle Billy Memoirs of General W T Sherman William Tecumseh Sherman offers a compelling and introspective narrative of his life and military career during the tumultuous years of the American Civil War The memoir authentically reflects Sherman's candid and direct literary style incorporating rich detail and personal anecdotes that humanize a figure often viewed solely through the lens of his military prowess Set against the backdrop of a nation grappling with internal strife these memoirs elucidate Sherman's strategic mindset and his beliefs about warfare revealing the philosophical underpinnings that influenced his infamous March to the Sea As a prominent Union general and a key figure in the Civil War Sherman's experiences were shaped by a blend of tumultuous military engagements and deep residential ties to the South Having witnessed firsthand the devastation of war Sherman's reflections are steeped in both a sense of duty and a profound understanding of the war's human cost His background in military education and previous service is also pivotal providing readers with a foundational context for his insights into leadership and strategy during one of America's darkest periods For anyone interested in military history leadership or the moral complexities of war Sherman's memoirs serve as an essential historical document His unvarnished appraisal of events and illuminating observations make this book not just a recounting of a soldier's life but an engaging narrative that sculpts a deeper understanding of both the man and the era he inhabited

Lost Causes Bradley R. Clampitt, 2022-06-01 This groundbreaking analysis of Confederate demobilization examines the state of mind of Confederate soldiers in the immediate aftermath of war Having survived severe psychological as well as physical trauma they now faced the unknown as they headed back home in defeat Lost Causes analyzes the interlude between soldier and veteran suggesting that defeat and demobilization actually reinforced Confederate identity as well as public memory of the war and southern resistance to African American civil rights Intense material shortages and images of

the war's devastation confronted the defeated soldiers turned veterans as they returned home to a revolutionized society. Their thoughts upon homecoming turned to immediate economic survival, a radically altered relationship with freed people and life under Yankee rule, all against the backdrop of fearful uncertainty. Bradley R. Clampitt argues that the experiences of returning soldiers helped establish the ideological underpinnings of the Lost Cause and create an identity based upon shared suffering and sacrifice, a pervasive commitment to white supremacy and an aversion to Federal rule and all things northern. As *Lost Causes* reveals, most Confederate veterans remained diehard Rebels despite demobilization and the demise of the Confederate States of America. *Six Years of Hell: Harpers Ferry During the Civil War* Chester G. Hearn, 1996 **The**

Class of 1846 John C. Waugh, 1999-06-01 No single group of men at West Point or possibly any academy has been so indelibly written into history as the class of 1846. The names are legendary: Thomas Stonewall Jackson, George B. McClellan, Ambrose Powell Hill, Darius Nash Couch, George Edward Pickett, Cadmus Marcellus Wilcox, and George Stoneman. The class fought in three wars, produced twenty generals, and left the nation a lasting legacy of bravery, brilliance, and bloodshed. This fascinating, remarkably intimate chronicle traces the lives of these unforgettable men: their training, their personalities, and the events in which they made their names and met their fates. Drawing on letters, diaries, and personal accounts, John C. Waugh has written a collective biography of masterful proportions as vivid and engrossing as fiction in its re-creation of these brilliant figures and their pivotal roles in American history. **The Slaveholding Indians (Vol.1-3)** Annie Heloise

Abel, 2023-12-14 In *The Slaveholding Indians* Volumes 1-3, Annie Heloise Abel meticulously explores the complex relationships between Native American tribes and the institution of slavery in the United States. Through her rigorous historical analysis, she illuminates the ways in which certain Indigenous groups, particularly in the South, adopted and adapted the practices of slaveholding, often mirroring white society's economic and social structures. Abel's literary style is sharp and insightful, weaving together vivid narratives with scholarly rigor, and she situates her work within the broader context of American history, colonialism, and race relations, effectively challenging prevailing narratives about Indigenous peoples. Annie Heloise Abel, a pioneer in the field of American history, sought to uncover the nuanced tales often overlooked in traditional scholarship. Her background as one of the first women to earn a Ph.D. in history from Columbia University fueled her passion for shedding light on marginalized voices in historical discourse. Abel's dedication to the study of both Native American and African American experiences reveals her commitment to understanding the interconnectedness of these narratives. *The Slaveholding Indians* is essential reading for anyone interested in the complex interplay of race, culture, and power in American history. Abel's groundbreaking research invites readers to reconsider their perceptions of Indigenous peoples and slavery, offering a richer, more nuanced understanding of this critical period. This seminal work will resonate with historians, students, and general readers alike, providing a deeper appreciation for the intricacies of identity and economic survival in the face of colonial expansion. *The History of Slaveholding Indians* Annie Heloise Abel, 2022-01-04 *The History of*

Slaveholding Indians is a three volume series dealing with the slaveholding Indians as secessionists as participants in the Civil War and as victims under reconstruction The series deals with a phase of American Civil War history which has heretofore been almost entirely neglected or where dealt with either misunderstood or misinterpreted Contents The American Indian as Slaveholder and Secessionist General Situation in the Indian Country 1830 1860 Indian Territory in Its Relations With Texas and Arkansas The Confederacy in Negotiation With the Indian Tribes The Indian Nations in Alliance With the Confederacy The American Indian as Participant in the Civil War The Battle of Pea Ridge or Elkhorn and Its More Immediate Effects Lane s Brigade and the Inception of the Indian The Indian Refugees in Southern Kansas The Organization of the First Indian Expedition The March to Tahlequah and the Retrograde Movement of the White Auxiliary General Pike in Controversy With General Hindman Organization of the Arkansas and Red River Superintendency The Retirement of General Pike The Removal of the Refugees to the Sac and Fox Agency Negotiations With Union Indians Indian Territory in 1863 January to June Inclusive Indian Territory in 1863 July to December Inclusive Aspects Chiefly Military 1864 1865 The American Indian Under Reconstruction Overtures of Peace and Reconciliation The Return of the Refugees Cattle driving in the Indian Country The Muster Out of the Indian Home Guards The Surrender of the Secessionist Indians The Peace Council at Fort Smith September 1865 The Harlan Bill The Freedmen of Indian Territory The Earlier of the Reconstruction Treaties of 1866 Negotiations With the Cherokees

The Enduring Civil War Gary W. Gallagher, 2020-09-02 In the seventy three succinct essays gathered in The Enduring Civil War celebrated historian Gary W Gallagher highlights the complexity and richness of the war from its origins to its memory as topics for study contemplation and dispute He places contemporary understanding of the Civil War both academic and general in conversation with testimony from those in the Union and the Confederacy who experienced and described it investigating how mid nineteenth century perceptions align with or deviate from current ideas regarding the origins conduct and aftermath of the war The tension between history and memory forms a theme throughout the essays underscoring how later perceptions about the war often took precedence over historical reality in the minds of many Americans The array of topics Gallagher addresses is striking He examines notable books and authors both Union and Confederate military and civilian famous and lesser known He discusses historians who though their names have receded with time produced works that remain pertinent in terms of analysis or information He comments on conventional interpretations of events and personalities challenging among other things commonly held notions about Gettysburg and Vicksburg as decisive turning points Ulysses S Grant as a general who profligately wasted Union manpower the Gettysburg Address as a watershed that turned the war from a fight for Union into one for Union and emancipation and Robert E Lee as an old fashioned general ill suited to waging a modern mid nineteenth century war Gallagher interrogates recent scholarly trends on the evolving nature of Civil War studies addressing crucial questions about chronology history memory and the new revisionist literature The format of this provocative and timely collection lends itself to sampling and

readers might start in any of the subject groupings and go where their interests take them *Fredericksburg!*

Fredericksburg! George C. Rable, 2009-11-15 During the battle of Gettysburg as Union troops along Cemetery Ridge rebuffed Pickett's Charge they were heard to shout Give them Fredericksburg Their cries reverberated from a clash that although fought some six months earlier clearly loomed large in the minds of Civil War soldiers Fought on December 13 1862 the battle of Fredericksburg ended in a stunning defeat for the Union Confederate general Robert E Lee suffered roughly 5 000 casualties but inflicted more than twice that many losses nearly 13 000 on his opponent General Ambrose Burnside As news of the Union loss traveled north it spread a wave of public despair that extended all the way to President Lincoln In the beleaguered Confederacy the southern victory bolstered flagging hopes as Lee and his men began to take on an aura of invincibility George Rable offers a gripping account of the battle of Fredericksburg and places the campaign within its broader political social and military context Blending battlefield and home front history he not only addresses questions of strategy and tactics but also explores material conditions in camp the rhythms and disruptions of military life and the enduring effects of the carnage on survivors both civilian and military on both sides *The Civil War Generals* Robert I.

Girardi, 2013-11-15 An excellent contribution to Civil War literature A n excellent reference resource Civil War buffs in particular will greatly enjoy this book ArmchairGeneral.com The Civil War Generals offers an unvarnished and largely unknown window into what military generals wrote and said about each other during the Civil War era Drawing on more than 170 sources including the letters diaries and memoirs of the general officers of the Union and Confederate armies as well as their staff officers and other prominent figures Civil War historian Robert Girardi has compiled a valuable record of who these generals were and how they were perceived by their peers The quotations within paint revealing pictures of the private subjects at hand and just as often the people writing about them a fascinating look at the many diverse personalities of Civil War leadership More than just a collection of quotations The Civil War Generals is also a valuable research tool moving beyond the best known figures to provide contemporary character descriptions of more than four hundred Civil War generals The quotes range in nature from praise to indictment and differing opinions of each individual give a balanced view making the book both entertaining and informative A truly one of a kind compilation illustrated with approximately one hundred historical photographs The Civil War Generals will find a home not only with the casual reader and history buff but also with the serious historian and researcher *Brave Deeds of Union Soldiers* Samuel Scoville, 2019-12-18 In Brave Deeds of Union

Soldiers Samuel Scoville compiles a rich tapestry of narratives detailing the valor and heroism of soldiers during the American Civil War Emphasizing both personal anecdotes and broader historical events the book is characterized by Scoville's incisive prose and meticulously researched accounts which blend literary elegance with journalistic rigor The narratives celebrate both renowned and unsung heroes drawing readers into the emotional and psychological landscapes of warfare while illuminating the social context of the era which shaped the soldiers experiences and motivations Samuel Scoville a

journalist and historian active in the late 19th and early 20th centuries had a profound interest in military history likely influenced by the prevailing sentiments of patriotism and the memorialization of the Civil War during that period His background in journalism equipped him with the skills to convey compelling stories allowing him to present not just the facts but the human experiences behind them Scoville's own reflections on duty and sacrifice resonate with a sense of honor that permeates this work as he aims to pay tribute to those who fought for the Union cause *Brave Deeds of Union Soldiers* is essential reading for history enthusiasts and anyone interested in the intricate narratives of war Scoville's ability to imbue these accounts with emotional depth ensures that the valorous actions of these soldiers are both engaging and informative This book stands as a testament not only to individual bravery but to the collective spirit of a nation in turmoil and it invites readers to reflect on the enduring legacy of those who served

Railroads in the Civil War John E. Clark, Jr., 2004-10-01 By the time of the Civil War the railroads had advanced to allow the movement of large numbers of troops even though railways had not yet matured into a truly integrated transportation system Gaps between lines incompatible track gauges and other vexing impediments remained in both the North and South As John E Clark explains in this compelling study the skill with which Union and Confederate war leaders met those problems and utilized the rail system to its fullest potential was an essential ingredient for ultimate victory

Lee's Miserables J. Tracy Power, 2015-01-01 Never did so large a proportion of the American population leave home for an extended period and produce such a detailed record of its experiences in the form of correspondence diaries and other papers as during the Civil War Based on research in more than 1 200 wartime letters and diaries by more than 400 Confederate officers and enlisted men this book offers a compelling social history of Robert E Lee's Army of Northern Virginia during its final year from May 1864 to April 1865 Organized in a chronological framework the book uses the words of the soldiers themselves to provide a view of the army's experiences in camp on the march in combat and under siege from the battles in the Wilderness to the final retreat to Appomattox It sheds new light on such questions as the state of morale in the army the causes of desertion ties between the army and the home front the debate over arming black men in the Confederacy and the causes of Confederate defeat Remarkably rich and detailed Lee's *Miserables* offers a fresh look at one of the most studied Civil War armies

The American Indian as Participant in the Civil War Annie Heloise Abel, 1919

Civil War Soldiers Reid Mitchell, 1997-07-01 The soldiers on both sides of the Civil War were united by a common history and yet the legacy of this past was ambiguous upholding both rebellion and union Union and Confederate men went to war as Americans convinced they fought an un American savage enemy The war they fought was as emotional and catastrophic as any in history a violent crucible that forged a new national identity *Civil War Soldiers* is a fresh and compelling attempt to fathom the war's significance then and now and makes immediate the charged issues and bitter ironies of a nation torn by a conflict over the common ideals of liberty and justice Drawing on diaries and letters the focus of this pioneering study is on the men who fought caught up in a conflict whose causes and consequences seemed as

complex and contradictory to the soldiers themselves as they do to us Reid Mitchell re creates their experience and discusses the questions one would have most wanted to ask them Why did you fight How did you feel about slavery and race What did you take home from the war What legacy have you left us Fresh insights startling descriptions and poignant human detail about the war from the men who fought it Chicago Tribune

Getting the books **Reminiscences Of Confederate Service 1861 1865** now is not type of challenging means.
