**Athenaeum** ,1896      *Britain, Russia and the Road to the First World War* Marina Soroka,2016-04-15 For much of the later  
nineteenth century Britain regarded Russia as its main international rival particularly as regarded the security of its colonial  
possessions in India Yet by 1907 Russia's political revolution financial collapse and military defeat by Japan transformed the  
situation resulting in an Anglo Russian rapprochement As this book makes clear whilst international affairs lay at the root of  
this new relationship personal factors also played an important role in reversing many years of mutual animosity and  
suspicion In particular the study explores the influence of the liberal anglophile Count Aleksandr Benckendorff the Russian  
ambassador in London between 1903 and 1916 By 1905 Russia's multiple weaknesses required a prolonged period of  
external peace by eliminating frictions with the principal rival powers Britain and Germany while France and Britain realised  
that a British rapprochement with Russia would be necessary to counter Germany's power Benckendorff as one of the most  
important figures in the Russian diplomatic service persuaded Nicholas II and his Foreign Minister V N Lamsdorff to drop  
their objections to various long standing British demands in order to pave the way for a Triple Entente Although the  
overarching Russian strategy was conceived as balancing the imperial rivalries of Britain and Germany numerous factors not  
least Benckendorff's energetic pro British stance upset the scales and resulted in a stand off with the Central Powers  
Demonstrating how Benckendorff's fear of losing Britain's friendship made him oppose all Russia's efforts at improving Russo  
German relations this book underlines the pro Entente policy's role in setting Russia on the road to war For when the  
Sarajevo crisis struck there was now no hope of appealing to German goodwill to help defuse the situation Instead Russia's  
status within the Entente depended on a show of determination and strength which lead inexorably to a disaster o      *World*

Carolyn C. Dunlop,2013-12-19 This detailed account of the Kapella Russian Court Chapel Choir examines the influence it  
exerted on the development of Russian sacred music The educational importance of the institution has always been  
overshadowed by the achievements of the St Petersburg Conservatoire Dr Dunlop investigates the consequences of the  
Kapella's monopoly on music publications The wonderfully rich choral repertoire of the Russian Orthodox Church has until  
now been unavailable to most English speaking choirs due to the problems of language and accessibility Two volumes of  
Russian Court Chapel Choir music Galuppi to Vorotnikov and Bakhmetev to Lyapunov are available separately in performing  
editions They are easily accessible sources of nineteenth century Russian choral pieces by a range of composers in a variety  
of styles Carolyn Dunlop received a postgraduate degree in Russian language from the University of Strathclyde She was

The Three Apostles of Russian Music looks at three figures in the Soviet avant garde who led modernist music in the 1920s Mosolov Popov and Roslavets were popular composers who are now unfortunately forgotten These remarkable musicians produced compositions like the sensational machine music Foundry by Mosolov The first symphony by Popov attracted musicians in Europe and America but was banned after the premiere while Roslavets discovered serialism before Schoenberg opening up a new trend in modernism This book is the first study in English of the work lives and legacies of these apostles of the Russian avant garde      **Publishers' Circular and Booksellers' Record of British and Foreign Literature** ,1914

**Creating Societies** Dirk Hoerder,2000-01-01 Dirk Hoerder shows us that it is not shining railroad tracks or statesmen in Ottawa that make up the story of Canada but rather individual stories of life and labour Caribbean women who care for children born in Canada lonely prairie homesteaders miners in Alberta and British Columbia women labouring in factories Chinese and Japanese immigrants carving out new lives in the face of hostility Hoerder examines these individual experiences in *Creating Societies* the first systematic overview of the total Canadian immigrant experience Using letters travel accounts diaries memoirs and reminiscences he brings the immigrant s experiences to life Their writings often recorded for grandchildren neighbours and sometimes a larger public show how immigrant lives were entwined with the emerging Canadian society Hoerder presents an important new picture of the emerging Canadian identity dispelling the Canadian myth of a dichotomy between national unity and ethnic diversity and emphasizing the long standing interaction between the members of a different ethnic groups
