The sixth edition of *Rendez vous* offers a complete beginning college level French program as it leads students to explore the richness of the French language and Francophone cultures. Our aim has been to retain key features that were praised in our previous editions while introducing a fully integrated and revised multimedia package. The overall goal of this new edition remains as always to provide students with the basic tools of vocabulary, grammar, and pronunciation along with abundant and varied opportunities for practicing French in communicative and interactive contexts. Emphasizing French within a cultural context and as it is spoken in authentic everyday situations, *Rendez vous* strives to develop proficiency in the four skills of listening, speaking, reading, and writing while introducing students to the richness and diversity of the French speaking world.

*Rendez-vous* Judith A. Muyskens, Alice C. Omaggio-Hadley, Claudine Chalmers, Claudette Imberton, Philippe Almeras, 1982-01      **Rendezvous with the Sensuous** John Murungi, 2014-03-17

In *Rendezvous with the Sensuous*, readers are drawn to and become situated within the dynamic place of the aesthetic experience. While there, human sensuousness comes into relief as it combines with the sensuousness that derives from nature. In this complex place where artistic expression coalesces with the natural world, readers are extended an invitation to share in the journey of a richly diverse synesthetic experience and to gain a greater appreciation of the important place of the sensuous in illuminating the role of aesthetics in the world of ideas.

**Rendez-vous** Judith A. Muyskens, 1994. This text provides a balanced presentation of the four skills involved in language learning: listening, speaking, reading, and writing. Thematic chapters give continuity to the lesson since the vocabulary, grammar, readings, activities, and cultural information are all coordinated by theme.
