Second And Third John Jude Thru The Bible Commentary Series Volume 57:

Thru the Bible Vol. 57: The Epistles (2 and 3 John/Jude) J. Vernon McGee, 1996-02-27 Radio messages from J Vernon McGee delighted and enthralled listeners for years with simple straightforward language and clear understanding of the Scripture Now enjoy his personable yet scholarly style in a 60 volume set of commentaries that takes you from Genesis to Revelation with new understanding and insight Each volume includes introductory sections detailed outlines and a thorough paragraph by paragraph discussion of the text A great choice for pastors and even better choice for the average Bible reader and student Very affordable in a size that can go anywhere it s available as a complete 60 volume series in Old Testament or New Testament sets or individually **A Layman'S Commentary Volume 8** John Devine, 2014-07-28 In todays world it can be difficult to maintain your faith Those seeking a greater understanding of the Bible have numerous excellent theological commentaries available to them but due to volume and depth many of these are out of reach of laypeople Others lose contact with the Bible because it no longer seems relevant to life They use a superficial knowledge of science and evolution to exclude God and faith from their experiences The Laymans Commentary Volume 8 General Epistles presents a passage by passage explanation of the nine letters of the Bible to the early churches from general authors who were eyewitnesses or associates and spoke of their experience of Jesus In this eighth volume author John Devine explains the practical relevance of these documents as they relate to effective everyday living He considers the relevance of creation and science as well as Gods moral standard which is of vital importance in modern society These letters are shown to conform with the Gospels and the letters of Paul Hebrews explains the connection of the Old Testament with the First Coming of Jesus Revelation describes the fulfillment with the Second Coming of Jesus Gods plan for a relationship with the individual is explained with the means by which this was made possible by the death and resurrection of his Son The notes confirm that science and faith are complementary in giving purpose and meaning to life The expectation of eternal life is also assured *American Book Publishing Record Cumulative, 1950-1977* R.R. Bowker Company. Department of Bibliography, 1978 NEW TESTAMENT CONTEXTUAL COMMENTARY Dr. Robert R. Seyda, 2024-03-26 The Apostle John tells his readers he has an important message to tell them It is about a person who was already there before the beginning of the world We heard him speak We ve seen Him with our own eyes We watched Him and we touched Him He is the Word that gives us life with God This is the message God is completely good and pure He is like light There is nothing dark about Him Amazingly John tells us that one of the things Jesus wanted us to understand is that by loving others we love God Yes we do make mistakes and so do other believers but we are not to hold that against them because just as we were given forgiveness by God s mercy and grace since we are in union with His Son so can they What we are not to do is claim access to this privilege but then live like those in the world Our goal is not just life but eternal life After all we are God s children and no child of God keeps on sinning after they are born again through Jesus the Anointed One **American Book Publishing Record** ,1984 The Doctrine of the

Covenant of Redemption According to John Gill (1697-1771) Wang Yong Lee, 2025-02-11 What is the doctrine of the covenant of redemption Why does John Gill 1697 1771 an English Baptist pastor and theologian regard this doctrine as the kernel in his systematic theology This book explicates how core theological doctrines in the Bible e g the doctrine of God the Trinity Christology and soteriology are integrated in the doctrine of the covenant of redemption from the biblical and theological perspective of John Gill From his long pastoral experience and over fifty years of rich writing Gill demonstrates that a careful investigation of the Bible and of God the Trinity makes him love the reality of the covenant of redemption in eternity which is ultimately revealed by the gospel of Jesus Christ Gill sees those who are in the gospel of Jesus Christ as the ones through whom the eternal reality of the covenant of redemption is manifested to the saved Gill also encourages those who are in Christ to see the eternal reality of the covenant of redemption revealed by the gospel of Jesus Christ

Jude and 2 Peter Mbuvi Andrew M, 2016-10-27 While there are many commentaries written today most have been products of Euro American scholars who have sought to address questions and concerns of the western church The New Covenant Commentary Series NCCS has provided an opportunity for scholars from the non majority communities in Biblical Studies to engage fully with NT writings without bracketing their diverse backgrounds in the interpretive process Consequently in Andrew Mbuvi s interpretation of Jude and 2 Peter the author seeks to be faithful in the first century Greco Roman world setting of the letters while also allowing aspects of his postcolonial African and liberation theology interests to inform his hermeneutics Mbuvi reads the epistles within the context of first century Greco Roman Associations since the communities of Jude and 2 Peter seem to share significant commonalities with these groups The Fusing Horizons sections address aspects of concern to the Church with inclination towards issues that have occupied the church outside of the Western world the Global South home to the majority of Christians today Mbuvi s useful analysis shows that Jude s and 2 Peter s message remains as relevant today as when the letters were written
