A decorative red circular graphic element, resembling a stylized smoke ring or a lens flare, is positioned to the right of the authors' names. It has a soft, glowing red center that fades into a lighter red and then into the white background of the slide.

Second Hand Smoke A Novel:

Second Hand Smoke Patty Friedmann, 2002 Zib and Wilson Bailey think the thick cloud of cigarette smoke enveloping their mother is what probably killed their father Certainly the toxicity of Jerusha Bailey s cynical attitudes has driven her children far from New Orleans Jerusha soon befriends Dustin Puglia a ten year old living next door with a poisonous mother of his own The two become attached in this hilarious story of responsibility and blame **Second Hand Smoke** Thane Rosenbaum, 2000-02-22 Told with equal bursts of fractured realism and dark comedy *Second Hand Smoke* is an altogether gripping tale of the seemingly endless consequences of the Holocaust Chaim Potok *Holocaust Literature: Lerner to Zychlinsky, index* S. Lillian Kremer, 2003 Review This encyclopedia offers an authoritative and comprehensive survey of the important writers and works that form the literature about the Holocaust and its consequences The collection is alphabetically arranged and consists of high quality biocritical essays on 309 writers who are first second and third generation survivors or important thinkers and spokespersons on the Holocaust An essential literary reference work this publication is an important addition to the genre and a solid value for public and academic libraries The Top 20 Reference Titles of the Year American Libraries May 2004 **The Holocaust Novel** Efraim Sicher, 2013-10-31 The first comprehensive study of Holocaust literature as a major postwar literary genre The Holocaust Novel provides an ideal student guide to the powerful and moving works written in response to this historical tragedy This student friendly volume answers a dire need for readers to understand a genre in which boundaries and often blurred between history fiction autobiography and memoir Other essential features for students here include an annotated bibliography chronology and further reading list Major texts discussed include such widely taught works as *Night* Maus The Shawl Schindler s List Sophie s Choice White Noise and *Time s Arrow* *Books and Beyond* Kenneth Womack, 2008-10-30 There s a strong interest in reading for pleasure or self improvement in America as shown by the popularity of Harry Potter and book clubs including Oprah Winfrey s Although recent government reports show a decline in recreational reading the same reports show a strong correlation between interest in reading and academic achievement This set provides a snapshot of the current state of popular American literature including various types and genres The volume presents alphabetically arranged entries on more than 70 diverse literary categories such as cyberpunk fantasy literature flash fiction LGBTQ literature graphic novels manga and anime and zines Each entry is written by an expert contributor and provides a definition of the genre an overview of its history a look at trends and themes a discussion of how the literary form engages contemporary issues a review of the genre s reception a discussion of authors and works and suggestions for further reading Sidebars provide fascinating details and the set closes with a selected general bibliography Reading in America for pleasure and knowledge continues to be popular even while other media compete for attention While students continue to read many of the standard classics new genres have emerged These have captured the attention of general readers and are also playing a critical role in the language arts classroom This

book maps the state of popular literature and reading in America today including the growth of new genres such as cyberpunk zines flash fiction GLBTQ literature and other topics Each entry is written by an expert contributor and provides a definition of the genre an overview of its history a look at trends and themes a discussion of how the literary form engages contemporary issues a review of the genre's critical reception a discussion of authors and works and suggestions for further reading Sidebars provide fascinating details and the set closes with a selected general bibliography Students will find this book a valuable guide to what they're reading today and will appreciate its illumination of popular culture and contemporary social issues

The Golem in Jewish American Literature Nicola Morris, 2007 The Golem in Jewish American Literature explores the golem in the fiction of Thane Rosenbaum Nomi Eve and Steve Stern as well as writers such as Michael Chabon Nicola Morris sees this clay humanoid created in Jewish legend for practical and spiritual purposes as a metaphor for power and powerlessness and for the complexities and responsibilities surrounding the act of creation Further she employs the golem figure as a device to examine the problematic Holocaust representation in the second generation the uncertain boundaries between fiction and historiography the ethics of intertextuality and the writer's responsibility to literary folkloric and oral sources Morris concludes with an impassioned plea for the responsible uses of power technology and language

Second hand smoke and COPD: lessons from animal studies Adelheid Kratzer, Laima Taraseviciene-Stewart, Michael Borchers, 2015-05-07 Cigarette smoke exposure is the key initiator of chronic inflammation alveolar destruction and the loss of alveolar blood vessels that lead to the development of chronic obstructive pulmonary disease COPD which is comprised of emphysema and chronic bronchitis Exposure to secondhand smoke SHS is the major risk factor for non smokers to develop emphysema While the first hand smoke is directly inhaled by smokers passive smoking occurs when non smokers are involuntarily exposed to environmental tobacco smoke also known as second hand smoke SHS SHS is a mixture of 2 forms of smoke that come from burning tobacco side stream smoke smoke that comes from the end of a lit cigarette pipe or cigar and mainstream smoke smoke that is exhaled by a smoker These two types of smoke have basically the same composition however in SHS many toxic components are more concentrated than in first hand smoke therefore more hazardous for people's health Several pathological events have been implicated in the development of SHS induced COPD but many aspects of this pathology remain poorly understood halting the development of new advanced treatments for this detrimental disease In this respect we have welcomed leading investigators in the field to share their research findings and provide their thoughts regarding the mechanisms of the SHS exposure induced immune responses and inflammatory mechanisms of lung destruction in SHS induced COPD and related comorbidities

Encrypting the Past Kirstin Gwyer,2014 Encrypting the Past puts forward the literary category of the first generation German Jewish Holocaust novel showing that Holocaust literature was being written decades before postwar authors such as Sebald were credited with having found new ways of reflecting the unspeakable

The Political Novel Stuart A. Scheingold,2010-07-18 Scholars from a variety of academic disciplines have been drawn into exhaustive analyses of what went wrong in the terrible 20th Century as Winston Churchill dubbed it In this book Stuart Scheingold adds political novels to those inquiries and argues that they make a distinctive and hitherto neglected contribution to the collective memory of the 20th Century These fictional accounts are the work of some of the century s most celebrated novelists Kafka Heller Boll Grass Vonnegut and others As refracted through the literary imagination the terrible 20th Century takes on new meaning that tends to elude historians and social scientists Novelists peer into the shattered lives the moral dilemmas and the emotional chaos of the century thus viewing a collective catastrophe through the everyday lives of victims victimizers temporizers opportunists true believers and those who simply averted their eyes In so doing these novelists reveal sometimes prophetically the etiology of catastrophe and both deepen our memory of

the past and help us to think more clearly about the future
