Second Letter Of Paul To The Corinthians:

First and Second Letters of Paul to the Corinthians Margaret E. Thrall, 1965-01-02 This is a series of commentaries on the New English Bible designed for use in schools and training colleges and for the layman It replaces the old Cambridge Bible for Schools Each volume will comment on one book or two or three short books of the Bible beginning with the New Testament already published In each the text will be given in full Sections of text and commentary alternate so that the reader does not have to keep two books open or turn from one part of the book to the other or refer to a commentary in small type at the foot of the page Great care has been taken to see that the commentary is suitable for the student and the layman there is no Greek or Hebrew and no strings of biblical references but the commentary does convey the latest and best scholarship The general editors all have experience of teaching or examining in schools and working with adults It is hoped to have the series complete in a few years There will also be a general introductory volume Understanding the New Testament and a volume of maps and plates The New Testament Illustrated *The Second Letter to the Corinthians* Mark A. Seifrid, 2014-11-09 The question that Paul set before the ancient church in Corinth Do you not recognize that Jesus Christ is in and among you 2 Cor 13 5 remains a critical question for the church today This commentary by Mark Seifrid seeks to hear Paul s message afresh and communicate it to our time Seifrid offers a unified reading of 2 Corinthians which has often been regarded as a composite of excerpts and fragments He argues that Paul s message is directed at the practical atheism of the Corinthian church the hidden heresy that assumes God s saving work in the world may be measured by outward standards of success and achievement Like all of the Pillar volumes Seifrid s commentary on 2 Corinthians offers careful grammatical analysis and exegesis with clear pastoral application **The Second Letter of Paul to the Corinthians** James A. Thompson, Jr., James Weldon Thompson, 1970-03 *Power in Weakness* Sze-kar Wan, 2000-06-01 Paul stresses that authentic Christian ministry is characterized by weakness and suffering specifically the weakness and paradigmatic sufferings endured by the crucified Jesus *The Second Epistle of Paul to the Corinthians* Colin G. Kruse, 1987 Kruse s work on 2 Corinthians is part of the Tyndale Bible Commentaries a popular series designed to help the general Bible reader understand clearly what the text actually says and what it means with a minimum of reliance on scholarly technicalities *The Second Letter to the Corinthians* Mark A. Seifrid, 2014-10-17 Newest volume in the acclaimed Pillar New Testament Commentary series The question that Paul set before the ancient church in Corinth Do you not recognize that Jesus Christ is in and among you 2 Cor 13 5 remains a critical question for the church today This commentary by Mark Seifrid seeks to hear Paul s message afresh and communicate it to our time Seifrid offers a unified reading of 2 Corinthians which has often been regarded as a composite of excerpts and fragments He argues that Paul s message is directed at the practical atheism of the Corinthian church the hidden heresy that assumes God s saving work in the world may be measured by outward standards of success and achievement Like all of the Pillar volumes Seifrid s commentary on 2 Corinthians offers careful grammatical analysis and

The Theology of the First Letter to the Corinthians Victor Paul Furnish, 1999-06-13 This study shows that the common view of 1 Corinthians as mainly about ethics and therefore of little importance for theology needs correcting Furnish argues that 1 Corinthians is an even better place to take the apostle's theological pulse than the allegedly more theological letters to the Galatians and Romans because here it is especially evident how his thinking about the gospel took place within the crucible of his missionary and pastoral labours Paul's complex theological legacy is not a systematic theology or even the basis for constructing a theological system However we come close to the heart of Paul's legacy in his clear sighted identification of the gospel with the saving power of God's love as disclosed in Christ and his insistence that those who are called to belong to Christ are thereby summoned to be agents of God's love wherever in the world they have received that call
