Second Macmillan Anthology:

The Second Macmillan Anthology John Metcalf, 1989 *The Oxford Handbook of Canadian Literature* Cynthia Conchita Sugars, 2016 The Oxford Handbook of Canadian Literature provides a broad ranging introduction to some of the key critical fields genres and periods in Canadian literary studies The essays in this volume written by prominent theorists in the field reflect the plurality of critical perspectives regional and historical specializations and theoretical positions that constitute the field of Canadian literary criticism across a range of genres and historical periods The volume provides a dynamic introduction to current areas of critical interest including 1 attention to the links between the literary and the public sphere encompassing such topics as neoliberalism trauma and memory citizenship material culture literary prizes disability studies literature and history digital cultures globalization studies and environmentalism or ecocriticism 2 interest in Indigenous literatures and settler Indigenous relations 3 attention to multiple diasporic and postcolonial contexts within Canada 4 interest in the institutionalization of Canadian literature as a discipline 5 a turn towards book history and literary history with a renewed interest in early Canadian literature 6 a growing interest in articulating the affective character of the literary including an interest in affect theory mourning melancholy haunting memory and autobiography The book represents a diverse array of interests from the revival of early Canadian writing to the continued interest in Indigenous regional and diasporic traditions to more recent discussions of globalization market forces and neoliberalism It includes a distinct section dedicated to Indigenous literatures and traditions as well as a section that reflects on the discipline of Canadian literature as a whole

White Gloves of the Doorman Branko Gorjup, 2004 Thomas King Eva Gruber, 2012 Thomas King is one of North America's foremost Native writers best known for his novels including *Green Grass Running Water* for the Dreadful Water mysteries and for collections of short stories such as *One Good Story That One* and *A Short History of Indians in Canada* But King is also a poet a literary and cultural critic and a noted filmmaker photographer and scriptwriter and performer for radio His career and oeuvre have been validated by literary awards and by the inclusion of his writing in college and university curricula Critical responses to King's work have been abundant yet most of this criticism consists of journal articles and to date only one book length study of his work exists *Thomas King Works and Impact* fills this gap by providing an up to date comprehensive overview of all major aspects of King's oeuvre as well as its reception and influence It brings together expert scholars to discuss King's role in and impact on Native literature and its processes of canonization and to offer in depth analyses of his multifaceted body of work The volume will be of interest to students and scholars of literature English and Native American studies and to King aficionados

Alice Munro: Writing Her Lives Robert Thacker, 2011-05-03 This is the book about one of the world's great authors Alice Munro which shows how her life and her stories intertwine For almost thirty years Robert Thacker has been researching this book steeping himself in Alice Munro's life and work working with her co operation to make it complete The result is a feast of information for Alice Munro's

admirers everywhere By following the parallel tracks of Alice Munro s life and Alice Munro s texts he gives a thorough and revealing account of both her life and work There is always a starting point in reality she once said of her stories and this book reveals just how often her stories spring from her life The book is chronological starting with her pioneer ancestors but with special attention paid to her parents and to her early days growing up poor in Wingham Then all of her life stages the marriage to Jim Munro the move to Vancouver then to Victoria to start the bookstore the three daughters the divorce the return to Huron County and the new life with Gerry Fremlin leading to the triumphs as story by story book by book she gains fame around the world until rumours of a Nobel Prize circulate Anthologizing Poe Emron Esplin, Margarida Vale de Gato, 2020-08-06

This collection explores how anthologizers and editors of Edgar Allan Poe play an integral role in shaping our conceptions of Poe as the author we have come to recognize revere and critique today In the spheres of literature and popular culture Poe wields more global influence than any other U S author This influence however cannot be attributed solely to the quality of Poe s texts or to his compellingly tragic biography Rather his continued prominence as a writer owes much to the ways that Poe has been interpreted portrayed and packaged by an extensive group of mediators ranging from anthologizers editors translators and fellow writers to literary critics filmmakers musicians and illustrators In this volume the work of presenting Poe s texts for public consumption becomes a fascinating object of study in its own right one that highlights the powerful and often overlooked influence of those who have edited anthologized translated and adapted the author s writing over the past 170 years

Canadian Primal Mark Dickinson, 2021-02-18 Over the past few decades a group of writers we might call the Thinking and Singing poets have stood at the forefront of poetry in Canada These five poets Dennis Lee Don McKay Robert Bringham Jan Zwicky and Tim Lilburn are major voices in an era of ecological devastation and spiritual unease Their diverse questioning work suggests new ways to confront some of the most pressing issues of our time In vibrant prose Mark Dickinson explores the relationship between the lives of these poets and their writing examining their intersecting careers and friendships and the ways they learned from and challenged one another Canadian Primal uses an unconventional approach blending biography with literary analysis and drawing from meetings and correspondence with each poet over many years to trace the people and events that inspired the creation of important texts Dickinson tracks how each of the writers arrived at poetry as a way of being and at the heart of their poetics he finds both a musical intelligence and the crucial importance of the land Canadian Primal is literary biography reconceived as an adventure of the mind body and spirit Ebullient intelligent and eminently readable it reminds us that we can live on the earth in a different way true to the defining experiences of our lives surrounded by meaning and presence beyond our imagining

On Anthologies Jeffrey R. Di Leo, 2004-01-01 Over the course of the past twenty five years anthologies have shifted from playing a relatively minor role in academic culture to a position of dominance The essays in this collection explore the significant intellectual economic political pedagogical and creative resonance of anthologies through all levels of academic

life They show that anthologies have consequences and are grounded in commitments Striving to articulate these consequences and commitments is a priority in higher education today Most of the contributors to this volume are editors of anthologies and they draw on personal experiences to provide a rare glimpse into the economics and logic of anthology publication Their essays illustrate the ways in which editing an anthology involves negotiation and compromise between intellectual ideal and realistic practice On Anthologies includes discussion of a wide range of anthologies used and produced by teachers and scholars Though the emphasis is on literature and theory anthologies the insights in this volume speak to professionals in all areas of academic life Collectively these essays establish the foundation for continuing critical analysis of anthology production and consumption in all disciplines *Anthologies of British Poetry*, 2021-11-22 From Tottel's Miscellany 1557 to the last twentieth century Oxford Book of English Verse 1999 anthologies have been a prime institution for the preservation and mediation of poetry The importance of anthologies for creating and re creating the canon of English poetry for introducing new programmes of poetry as a record of changing poetic fashions audience tastes and reading practices or as a profitable literary commodity has often been asserted Despite its impact however the poetry anthology in itself has attracted surprisingly little critical interest in Britain or elsewhere in the English speaking world This volume is the first publication to explore the largely unmapped field of poetry anthologies in Britain Essays written from a wide range of perspectives in literary and cultural studies and the point of view of poets editors publishers and cultural institutions aim to do justice to the typological functional and historical variety with which this form of publication has manifested itself from early modern print culture to the postmodern age of the world wide web *Creative Engagements with Ecologies of Place* Mary Modeen, Iain Biggs, 2020-12-28 This book explores an exciting range of creative engagements with ecologies of place using geopoetics deep mapping and slow residency to propose broadly based collaborations in a form of disciplinary agnosticism Providing a radical alternative to current notions of interdisciplinarity this book demonstrates the breadth of new creative approaches and attitudes that now challenge assumptions of the solitary genius and a culture of possessive individualism Drawing upon a multiplicity of perspectives the book builds on a variety of differing creative approaches contrasting ways in which both visual art and the concept of the artist are shifting through engagement with ecologies of place Through examples of specific established practices in the UK Australia and the USA and other emergent practices from across the world it provides the reader with a rich illustration of the ways in which ensemble creative undertakings are reactivating art's relationship with place and transforming the role of the artist This book will be of interest to artists art educators environmental activists cultural geographers place based philosophers and postgraduate students and to all those concerned with the revival of place through creative work in the twenty first century *Touch Monkeys* Marnie Parsons, 1994-01-01 All too often Nonsense is relegated to the nursery Marnie Parsons argues that rather than being mere child's play nonsense is a major force in poetic language In *Touch Monkeys* she presents us with an original approach to a

much maligned linguistic pursuit Parsons distinguishes between nonsense language and Nonsense the genre Her major chapters work towards a vision of nonsense language as palimpsestic as involving the overlaying of several ways of making meaning on a verbal sense system and the consequent disruption of that system This reading of nonsense is itself an intersection bringing together historical and contemporary criticism of literary Nonsense and a wide range of poetic and literary theories Using Carroll and Lear as examples of Nonsense Parsons provides a survey of existing Nonsense criticism in English and then extends and elaborates nonsense in theoretical directions set by Gilles Deleuze and Julia Kristeva among others and by the poetics of such writers as Charles Olson Charles Bernstein Ron Silliman Steve McCaffery Louis Zukofsky and Daphne Marlatt Following each chapter is a close reading of work by writers as varied as Rudyard Kipling Colleen Thibodeau Adrienne Rich and Lyn Hejinian These readings provide practical applications of nonsense theory and establish the interdependence of theory and practice Nonsense inhabits and challenges traditional forms simultaneously in Touch Monkeys Parsons enters into the spirit of the genre **Bulletin** Texas Education Agency,1925 *James Reaney on the Grid* Stan Dragland,2023-04-30 Set up a trellis for flowering plants to climb all over it s there but unseen supporting all that floral leaf green beauty In *James Reaney on the Grid* Stan Dragland examines an artist fiercely loyal to his artistic practice deploying the metaphor of the grid to explore the inherited literary patterns and archetypes underpinning works of London poet playwright and educator James Reaney With extensive references to Reaney s considerable oeuvre from early publications such as *A Suit of Nettles* and *The Box Social* to what is arguably his master work *The Donnelly's* and to an eclectic collection of theorists artists and contemporaries whose ideas inform and respond to Reaney s Dragland seeks to reveal not only what Reaney s work is about but also what it does In so doing he takes readers by the hand in a surprisingly personal ramble through the processes and productions of one of Southern Ontario s most influential writers [A Course in the Science of Aeronautics for Secondary School Teachers](#) United States. Civil Aeronautics Administration,1943 **New York Herald Tribune Books** ,1929 *Reader's Adviser and Bookman's Manual* ,1921 *Bookman's Manual* Bessie Graham,1921 *Saturday Review of Literature* ,1926 [Subject Index of Modern Books Acquired 1881/1900-](#) British Museum.
