(English Edition, Enlarged and Brought Up to Date.).* Ben Lewis REITMAN,1936 From the Fourth Estate to the Second Oldest Profession Natalia Roudakova,2007 **Selling Sex in the City: A Global History of Prostitution, 1600s-2000s**, 2017-08-28 Selling Sex in the City offers a worldwide analysis of prostitution since 1600 It analyses more than 20 cities with an important sex industry and compares policies and social trends coercion and agency but also prostitutes working and living conditions Index-catalogue of the Library of the Surgeon General's Office, United States Army (Army Medical Library) National Library of Medicine (U.S.),1959 Departing from Deviance Henry L. Minton,2002 The struggle to remove the stigma of sickness surrounding same sex love has a long history In 1973 the American Psychiatric Association removed homosexuality from its diagnostic classification of mental illness but the groundwork for this pivotal decision was laid decades earlier In this new study Henry L Minton looks back at the struggle of the American gay and lesbian activists who chose scientific research as a path for advancing homosexual rights He traces the history of gay and lesbian emancipatory research from its early beginnings in the late nineteenth century to its role in challenging the illness model in the 1970s By examining archival sources and unpublished manuscripts Minton reveals the substantial accomplishments made by key researchers and relates their life stories He also considers the contributions of mainstream sexologists such as Alfred C Kinsey and Evelyn Hooker who supported the cause of homosexual rights through the advancement of scientific knowledge By uncovering this hidden chapter in the story of gay liberation Departing from Deviance makes an important contribution to both the history of science and the history of sexuality Index-catalogue of the Library of the Surgeon General's Office, National Library of Medicine National Library of Medicine (U.S.),1961 Collection of incunabula and early medical prints in the library of the Surgeon general s office U S Army Ser 3 v 10 p 1415 1436

Urban Reform and Sexual Vice in Progressive-Era Philadelphia James H. Adams,2015-07-01 This book examines the intersection and interplay between Progressive Era rhetoric regarding commercialized vice and the realities of prostitution in early twentieth century Philadelphia Arguing that any study of commercial sexual vice in a historical context is difficult given the paucity of evidence this work instead focuses on reformers construction of a cultural view of prostitution which Adams argues was based more upon their perceptions of the trade than on reality itself Looking at the urban core of the city Progressive reformers saw vice immorality and decay but as they frequently had little face to face interaction with prostitutes plying their trade they were forced to construct culturally fueled archetypes to explain what they believed they saw Ultimately reformers in Philadelphia were battling against a rhetorical creation of their own design and any study of anti vice reform in the early twentieth century tells us more about the relationship between activists and the government than it does about vice itself Index-catalogue of the Library of the Surgeon-General's Office, United States Army National Library of
