Resolving Environmental Conflicts, Second Edition Chris Maser, Carol A. Pollio, 2011-07-12 True progress toward an ecologically sound environment and a socially just culture will be initially expensive in money and effort The longer we wait however the more disastrous the environmental condition will become the more disputes will arise as a result of our declining quality of life and the more expensive and difficult the necessary social changes will be The second edition of a bestseller *Resolving Environmental Conflicts* demonstrates how to practice the type of conflict resolution that not only settles a dispute but also heals the people Once the consultants and mediators leave the work must go on This second edition covers the basic transformative concepts vital for resolving environmental conflicts It includes discussions of the inviolate biophysical principles how the English language is changing as well as the critical principles of social behavior It also examines new dynamics in making decisions along with the effects of the younger generations shifting their interests from nature oriented interest to technologically oriented interests and their subsequent lack of understanding the importance of the natural environment to a sustainable society No biological shortcuts technological quick fixes or political rhetoric can mend what is broken Dramatic fundamental change is necessary if we are really concerned with bettering the quality of life It is not a question of can we change or can't we but one of will we change or won't we Change is a choice a choice of individuals reflected in the collective of society and mirrored in the landscape throughout the generations Considerably more than a how to directive this book examines the whys of the mediation process and broadens the knowledge base by providing the philosophical underpinnings of a new environmental responsibility

Becker,2022-02-23 *Evil and Givenness* The Thanatonic Phenomenon provides a phenomenological study of evil in its conceptual integrity Describing a phenomenological situation exclusive to evil in its distinct mode of givenness and manners of manifestation the account of evil in this book centers on the thanatonic as that phenomenality proper to evil Although situated within a phenomenology of givenness via Jean Luc Marion the thanatonic is distinguished from saturated phenomena by giving itself in a parasitic mode Brian W Becker identifies four figures as displaying characteristics of this parasitic givenness trauma evil eye foreign body and abject each expressing a dimension of the thanatonic and paralleling the four figures of the saturated phenomenon Like the four horsemen who serve as heralds for the destruction of the world these figures beckon the destruction of our lifeworld diminishing the self who encounters them Upon losing the will to bear the excess of saturated phenomena the receding of horizons and the loss of singularity this impoverished self misrecognizes itself in a manner that begins to resemble the metaphysical ego and in doing so becomes a vector for retransmitting the thanatonic s suffering unto others We Are Having This Conversation Now

Alexandra Juhasz, Theodore Kerr, 2022-08-08 *We Are Having This Conversation Now* offers a history present and future of AIDS through thirteen short conversations between Alexandra Juhasz and Theodore Kerr scholars deeply embedded in HIV responses They establish multiple timelines of the epidemic offering six foundational periodizations of AIDS culture tracing how attention to the crisis has waxed and waned from the 1980s to the present They begin the book with a 1990 educational video produced by a Black health collective using it to consider organizing intersectionally theories of videotape empowerment movements and memorialization This video is one of many powerful yet overlooked objects that the pair focus on through conversation to understand HIV across time Along the way they share their own artwork activism and stories of the epidemic Their conversations illuminate the vital role personal experience community cultural production and connection play in the creation of AIDS related knowledge archives and social change Throughout Juhasz and Kerr invite readers to reflect and find ways to engage in their own AIDS related culture and conversation

Over the Front in an Aeroplane, and Scenes Inside the French and Flemish Trenches Ralph Pulitzer,2022-07-20 In *Over the Front in an Aeroplane and Scenes Inside the French and Flemish Trenches* Ralph Pulitzer offers an incisive glimpse into the visceral reality of World War I as experienced through the eyes of those on the ground and in the sky Pulitzer s narrative deeply rooted in the literary tradition of wartime journalism reveals the intricacies of trench warfare and aerial combat with a detailed and evocative prose style The work exists within a milieu of historical texts that strive to make sense of the chaotic and often incomprehensible nature of war capturing the tactical evolutions of the French military amidst the larger backdrop of early 20th century conflict nRalph Pulitzer scion of the iconic Pulitzer publishing family has synthesized his experiences and observations into a profound exploration of military strategy and human endurance His personal connections and journalistic acumen likely afforded him remarkable access to the front lines thereby informing his detailed account of the war s brutal reality It can be surmised that his intent was not merely to recount events but to provide a deeper understanding of the impact and innovation of warfare during one of history s most convulsive periods nThis seminal work is a must read for military historians strategists and enthusiasts of World War I literature Pulitzer s ability to convey the complexity of trench and aerial warfare in an accessible manner ensures that *Over the Front in an Aeroplane and Scenes Inside the French and Flemish Trenches* is an informative and engaging account The book offers invaluable perspectives for anyone seeking nuanced insights into the conduct of the Great War and the evolution of modern combat

Composing the Modern Subject: Four String Quartets by Dmitri Shostakovich Sarah Reichardt,2017-07-05 Since the publication of Solomon Volkov s disputed memoirs of Dmitri Shostakovich the composer and his music has been subject to heated debate concerning how the musical meaning of his works can be understood in relationship to the composer s life within the Soviet State While much ink has been spilled very little work has attempted to

define how Shostakovich's music has remained so arresting not only to those within the Soviet culture but also to Western audiences even though such audiences are often largely ignorant of the compositional context or even the biography of the composer. This book offers a useful corrective setting aside biographically grounded and traditional analytical modes of explication. Reichardt uncovers and explores the musical ambiguities of four of the composer's middle string quartets especially those ambiguities located in moments of rupture within the musical structure. The music is constantly collapsing reversing inverting and denying its own structural imperatives. Reichardt argues that such confrontation of the musical language with itself though perhaps interpretable as Shostakovich's own unique version of double speak also poignantly articulates the fractured state of a more general form of modern subjectivity. Reichardt employs the framework of Lacanian psychoanalysis to offer a cogent explanation of this connection between disruptive musical process and modern subjectivity. The ruptures of Shostakovich's music become symptoms of the pathologies at the core of modern subjectivity. These symptoms in turn relate to the Lacanian concept of the real which is the empty kernel around which the modern subject constructs reality. This framework proves invaluable in developing a powerful original hermeneutic understanding of the music. Read through the lens of the real the riddles written into the quartets reveal the arbitrary and contingent state of the musical subject's constructed reality reflecting pathologies ended.
