Discover UK Shoegaze and Dream Pop Vernon Joynson, 2023-10-20. Discover UK Shoegaze and Dream Pop is an excellent comprehensive guide to the development of both genres in the UK. It includes detailed discographies, personnel details, biographies, analysis of their music, and where applicable, rarity ratings for all the 80s and 90s acts featured. You'll recognise some names, but several less well-known acts are included too. There's also a detailed postscript section on the re-emergence of Shoegaze and Dream Pop in the UK in the 21st century and the bands involved in it. This book is the latest in a quartet of books Vernon has written about UK music, commencing with the *Two Volume Tapestry of Delights* 2014, *A Sharp Shock To The System* 2019, and *The Britpop Bible* 2022. These three previous titles appeared in print, but in view of the cost of living crisis, *Discover UK Shoegaze and Dream Pop* has been published digitally to reduce the retail price and make it affordable for more of you. You will discover a lot about UK Shoegaze and Dream Pop from this book, which is profusely illustrated throughout. There is nothing similar out there. **Billboard**, 1997-07-05. Rare Book Review, 2008-02. **Smash Hits** James E. Perone, 2016-10-17. We are what we listen to. That's the premise of this study of 100 songs that have shaped and defined the American experience from the Colonial period to the present. Well-known music author James Perone looks at 100 songs that helped tell America's story. He examines why each song became a hit, what cultural and social values it embodies, what issues it touches upon, what audiences it attracted, and what made it such a definitive part of American history and popular culture. The chart-topping singles presented here crossed gender, age, race, and class lines to appeal to the mass American audience. The book discusses patriotic songs, minstrel music, and sacred songs and hymns, as well as music in the broad categories of pop, rock, hip hop, jazz, country, and folk. An introduction provides an overview of the history and significant issues raised by the songs as a whole. Individual songs are then presented chronologically based on when they were written. The revealing commentary for each hit is not only interesting and fun but reveals what it was like to live in the United States at a particular time by unveiling the
