*Secret Attachments* Peter Michaelson,1993      **Democracy's Little Self-Help Book** Peter Michaelson,2006 A blank page in front of a writer possesses the chance to create a masterpiece The truth that it may or may not exist is what makes it so unique While inspiration comes at any moment it s the rush of passion from a novice love that excites our entire demeanor This same fiery passion if left unattended will diminish in time until its embers are the only remembrance of its existence Unknown to some this is all a part of the revolution of life Idealistically life revolves around four seasons summer autumn winter and spring Our reaction to these inevitable changes is what defines who we are You must first identify what you want out of a situation and then take the necessary steps to achieve it Whether it s the courage to tell someone how you feel the heart to express your desires if they are not being met or the strength to let go of someone that is holding you back you are the master of your fate Don t limit yourself to what you can and cannot do In the back of our minds we are all searching for the same thing the opportunity to love and be loved Expressing that for some is a difficult thing The question remaining is it possible to be inspired by an experience that isn t yours Universality tells us yes and Barely Breathing is an example of such an instance      **The Phantom of the Psyche** Peter Michaelson,2002      *The Emotional Catering Service* Sandra

Pandian,Stuart J. McLean,2017-03-30 *Crumpled Paper Boat* is a book of experimental ventures in ethnographic writing an exploration of the possibilities of a literary anthropology These original essays from notable writers in the field blur the boundaries between ethnography and genres such as poetry fiction memoir and cinema They address topics as diverse as ritual expression in Cuba and madness in a Moroccan city the HIV epidemic in South Africa and roadkill in suburban America Essays alternate with methodological reflections on fundamental problems of writerly heritage craft and responsibility in anthropology *Crumpled Paper Boat* engages writing as a creative process of encounter a way of making and unmaking worlds and a material practice no less participatory and dynamic than fieldwork itself These talented writers show how inventive appealing and intellectually adventurous prose can allow us to enter more profoundly into the lives and worlds of others breaking with conventional notions of representation and subjectivity They argue that such experimentation is essential to anthropology s role in the contemporary world and one of our most powerful means of engaging it Contributors Daniella Gandolfo Angela Garcia Tobias Hecht Michael Jackson Adrie Kusserow Stuart McLean Todd Ram n Ochoa Anand Pandian Stefania Pandolfo Lisa Stevenson Kathleen Stewart A School for Advanced Research Advanced Seminar

**Treating Out of Control Sexual Behavior** Douglas Braun-Harvey,Michael A. Vigorito,2015-11-05 Out of control sexual behavior referred to variously as sex addiction sexual compulsivity and hypersexuality among other terms has been a controversial and attention getting issue since it first captured both public and professional attention over 30 years ago Previous discussions of this behavior have been grounded in conceptualizing it as a pathologized medical issue on par with substance abuse addictions or in backlash as simply irresponsible behavior indicating weakness in the individual In keeping with the call from many leaders in the mental health and sexual health areas to move beyond these two polarized conceptualizations of these sexual behavior problems the authors present a model for working with clients in both group and individual treatment settings Based on their experience with hundreds of clients this book provides a comprehensive and

practical conceptualization of out of control sexual behavior framed as a sexual health problem within a larger model of human behavior not a psychiatric or addictive disorder The book includes step by step tools for assessment treatment planning as well as treatment implementation It describes a process for professionals to guide clients to define and be accountable for their own personal vision of sexual health as the foundation on which they regain sexual behavior control The authors provide rich and varied composite case examples based on 20 years of clinical experience that demonstrate clinician sexual health treatment conversations and tools as well as stories of hope and guidance so essential to individuals wanting to understand how sexual health can be the essential ally in changing their sexual behavior     Disclosing Secrets M. Deborah Corley Ph. D.,Jennifer P. Schneider M. D.,2012-08-01 Based on the latest research of the impact of disclosure this updated and rewritten edition of Disclosing Secrets presents the best approach for addressing one of the most difficult challenges any sex addict must face sharing information about his or her sex addiction Drs Corley and Schneider take us step by step through the painful even excruciating process of revealing sensitive secrets related to any addiction especially sex addiction The reader will learn what when and how to tell who to involve what if anything to tell the children and what information to share at work and in the community While serving as a guidebook for this very personal step towards recovery the book also offers advice about rebuilding trust and repairing relationships Clearly there is hope that relationships can be strengthened after disclosure
