occurred as a result of our ancestors interaction with great cats The White Lion is a genetic rarity within *Panthera leo* and occurred in just one region on Earth Timbavati Today White Lions form the center of the notorious canned trophy hunting industry hand reared captive lions shot in enclosures for gross sums of money By contrast shamans believe that killing a lion sun god is the ultimate sacrilege How the human species treats such precious symbols of God in nature may determine how nature treats the human species Whether we view them as prophetic Lions of God or simply as rare genetic mutations the story of the White Lions is a true legend unfolding in our own extraordinary times Inspiring captivating and thoroughly researched *Mystery of the White Lions* is an unforgettable portrait of these magnificent beasts and of the overwhelming love that has driven Linda s every action to save them Through understanding the White Lion we will understand ourselves and our great role in the chain of being Deepak Chopra *Rechoreographing Learning* Sandra Cerny Minton,2022-12-30 This book addresses the mind body dichotomy in movement and dance This book includes a description of the often forgotten kinesthetic sense body awareness somatic practices body based way of thinking mental imagery nonverbal communication human empathy and symbol systems what occurs in the brain during learning and why and how movement and dance should be part of school curricula This exploration argues that becoming more aware of bodily sensations serves as a basis for knowing communicating learning and teaching through movement and dance This book will be of great interest to scholars and students interested in teaching methodology and for courses in physical education dance and education **On the Wings of Inspiration** Jeree Wade,Cheryl Metrick,2013-09-16 *On The Wings of Inspiration Exploring Our Inner Life through Interpretive Symbols* was written in collaboration by two authors Cheryl Metrick and Jeree Wade MA The book is based on a collection of drawings and poems Cheryl created from spontaneous inspiration where she says They fell out of my head These inspirational poems are descriptive of the drawings The premise of the book is not only to explore the interpretation of the art itself but to journey into the drawings to find more personal meaning within The authors lead the readers to take a personal inner journey to self awareness and inner growth Cheryl writes interpretations and feelings about each drawing in a narrative which at times is autobiographical as she takes her journey through the pictures Jeree s commentary and workbook sections delve into symbolism to guide readers through an analytical process to achieve greater awareness become mindful and set guidelines in the continued pursuit of a purposeful and fulfilling life Topics from the metaphysical philosophies to spirituality humanitarianism ecology and energy systems are explored The workbook sections include a wide range of themes compassion intention and focus manifestation balance transformation maturation renewal self knowledge self sabotage self awareness death letting go and the meaning of time A guided process supports the reader to move into a place that is more peaceful and more centered to understand and implement life s lessons **Crystal Wisdom Kit** Stephanie Harrison,Barbara Kleiner,1999-10 The *Crystal Wisdom Kit* is a fun easy to use system that works a variety of levels of consciousness It combines the unique and remarkable powers of crystals with universal symbols and astrological insight to

provide healing and understanding The organization of this system allows you to use the crystals the same way as Tarot cards but instead of drawing cards you cast crystals on to one of 3 different wheels The wheel includes symbols from a variety of sources and traditions including astrology runes the five elements chakras planets and others The wheels are the Life Wheel used to reveal current and future trends the Insight Wheel to clarify issues and the Healing Wheel to bring harmony and balance into your life This remarkable kit is ideal for beginning New Age seekers and will also appeal crystal enthusiasts

Handbook of Qualitative Research Techniques and Analysis in Entrepreneurship Helle Neergaard, Claire M. Leitch, 2015-10-30 One of the most challenging tasks in the research design process is choosing the most appropriate data collection and analysis technique This Handbook provides a detailed introduction to five qualitative data collection and analysis techniques pertinent to exploring entrepreneurial phenomena Techniques for collecting and analysing data are rarely addressed in detail in published articles In addition the constant development of new tools and refinement of existing ones has meant that researchers often face a confusing range from which to choose The experienced and expert group of contributors to this book provide detailed practical accounts of how to conduct research employing focus groups critical incident technique repertory grids metaphors the constant comparative method and grounded theory This Handbook will become the starting point for any research project Scholars new to entrepreneurship and doctoral students as well as established academics keen to extend their research scope will find this book an invaluable and timely resource
