Misunderstood Lemuel Baker Phd, 2012-02-29 I wanted to write a book that answered some of the confusing questions that nag Christians and which the answers seem difficult to come by By answering some of these questions I hope to bring edification and spiritual growth strength and maturity so readers may intern answer these same questions for others God wants all of us to have peace of spirit as well as peace of mind The first four chapters cover the subject of covenant especially as the topic relates to the rapture rest and tithing Chapters four and five cover Gods covenant as it pertains to scriptural prosperity In subsequent chapters you will walk away fulfilled with insights about the Lords Prayer Psalm 91 the secret place and much more The rapture has been a topic that is still not a point of full assurance for many Christians This 173 page book ties the rapture to Gods covenant that provides logic and in so doing much assurance about the rapture for the born again believer Tithing is still a point of debate among Christians some adherents believing the tithe is a concept from the Old Testament and this misunderstood topic is discussed from scripture You wont be disappointed The topic of rest is another area that Christians may struggle with and this book ties spiritual rest to the covenant of God Comfort is a topic that needs to be discussed and a subject that needs to move from mental ascent to a reality for many Gods covenant has provision for rest This book discusses Gods covenant in such a manner to the degree that we understand a provision of Gods covenant misunderstood which is Gods covenant requires Him to seek out even the backslider when they stray In our covenant with God God is married to the backslider during the worst times of rebellion and works to seek reconciliation Gods covenant is a full proof covenant This understanding is often misunderstood Gods covenant is so perfect and airtight it makes

the best prenuptial contract seem like a toy The topic of prosperity is most misunderstood but from scripture is discussed in a refreshing manner I hope you enjoy this book and I believe it will strengthen you spiritually Book Video Preview <http://www.youtube.com/watch?v=jPkYerYFVtQ>

Being the Best of the Best Lemuel Baker Ph.D,2023-01-22 This book is a sequel to my book *Feed My Sheep* To become the best of the best the religious community must take some time to wrap their arms around religious issues with causes that are not so obvious which create challenges which go unsolved When we begin to understand the critical issues within the religious community create definite action plans to resolve them the religious community can then provide godly wisdom bringing change among all cohort groups represented The ancient Statesman Daniel was an excellent example of bringing God's influence at very high levels only because he was assessed by his peers to be of an excellent spirit well rounded educated intelligent managing his weight his emotions and spirit well God intends the religious community to be the best of the best because religion advocates morality at the highest levels thus is scrutinized at a very high level
