Butler,L. Douglas Keeney,2001-01-02 Tells the stories of ninety five situations in which code and hidden messages have been used throughout history Finishing the Mysteries of Gods and Symbols Seven Star Hand,2010-09-17 Here is comprehensive proof that the symbolism of many ancient texts canons and concepts is an advanced and extremely ancient spiritual and philosophical technology that predates all extant religions and mystery schools Consequently here is proof beyond disproof that all three so called Faiths of Abraham are purposeful deceptions Accordingly related esoterica mystery schools and the New Age are rife with error caused by undue reliance upon the assertions of these religions and their leaders

Throughout this book I present verifiable proof that ancient sages and prophets opposed religion and wisely never trusted religious leaders As comprehensive validation of this they redundantly encoded stunning proof of why throughout pivotal symbolic narratives and related concepts The ancient sages and prophets hid vital secrets from religious leaders throughout the previous several millennia When these decoded details are compared to the history words and deeds of these religions and their leaders they finally prove the truth about many long hidden things These religions have always purposely imposed ignorance based on the deceptive recasting of earlier symbolic concepts and narratives that also expertly encoded the keys to ancient wisdom as redundant proofs of the truth Arrogant religious leaders while hypocritically lecturing others about morality have long overlooked that the ancient sages and prophets were painfully aware of their then current and future misdeeds and deceptions and patiently and expertly prepared for them
