George Eliot depict the mind and organise emotion Chase approaches their works as expressive structures and analyses their struggle to accommodate rival imperatives in depicting personality desire and duty guilt and innocence love and autonomy The title begins with Brontë's early Angrian tales which introduce the problem that unifies the book the attempt of Victorian fiction to escape the constraints of the romance mode while assimilating its energies There follow readings of *The Pickwick Papers* *Jane Eyre* *Bleak House* and *Middlemarch* in the light of such problems as confinement and exposure in Brontë tragic doubt in Dickens and the image of the moral mind in George Eliot **The Poems of Charlotte Brontë** Victor A.

Neufeldt, 2015-07-24 This edition of Charlotte Brontë's poems first published in 1985 although not complete provides a reliable text of all of her available verse as well as a detailed history of the whereabouts of Charlotte's manuscripts the story of their publication over the years and a commentary of the poetry itself This title will be of interest to students of English Literature Charlotte Brontë and Her Circle Clement King Shorter, 1896 This 1896 volume offers a glimpse of the lives of

those close to Brontë including her sisters Emily and Anne **Charlotte Brontë from the Beginnings** Judith E. Pike, Lucy Morrison, 2016-09-19 Composed of serialized works poems short tales and novellas Charlotte Brontë's juvenilia merit serious scholarly attention as revelatory works in and of themselves as well as for what they tell us about the development of Brontë as a writer This timely collection attends to both critical strands positioning Brontë as an author whose career encompassed the Romantic and Victorian eras and delving into the developing nineteenth century's literary concerns as well as the growth of the writer's mind As the contributors show Brontë's authorship took shape among the pages of her juvenilia as figures from Brontë's childhood experience of the world such as Wellington and Napoleon transmuted to her fictional pages while her siblings' works and worlds both overlapped with and extended beyond her own Charlotte Brontë E F Benson, 2019-01-31

It was precisely and carefully written stating the facts and pulling apart the saintly whitewash Mrs Gaskell and other previous biographers had done to Charlotte's life He does a thorough job of getting at the real Charlotte behind all the myth I'm not even sure the author liked Charlotte very much but that didn't stop him depicting her honestly with the facts that he had before him The book ends very abruptly with Charlotte's death The last few chapters seem a bit hurried but on the whole it was a good effort **The Brontës** Clement King Shorter, 1908 **Two Tales** Charlotte Brontë, 1978 The secret A

rollicking adventure from the Brontë's imagined kingdom of Veropolis The Secret is a novel of intrigue duplicity and all conquering love Arthur the Marquis of Douro his beautiful wife Marion and their infant son lead a happy and carefree existence in the city of Veropolis until a chance encounter brings the youthful Marchioness childhood governess back into their lives The meeting proves to be the catalyst for an increasingly tortuous series of events involving blackmail imposture and shocking revelations regarding the birth of the young Marchioness Will the Marquis ever forgive his wife her secret

**The Brontës Life and Letters** Clement King Shorter, 2013-09-19 First published in 1908 this two volume collection documents through correspondence the remarkable careers of Charlotte Emily and Anne Brontë

Charlotte Brontë : A biography Edward Frederic Benson, 2025-04-14 Edward Frederic Benson's Charlotte Brontë delivers a penetrating reassessment of the iconic novelist challenging romanticized myths perpetuated by earlier biographies like Elizabeth Gaskell's The Life of Charlotte Brontë Drawing extensively from Charlotte's private letters many previously omitted or sanitized Benson reconstructs her complex persona a woman of fierce intellect artistic ambition and contradictions The narrative traces her evolution from the stifling isolation of Haworth Parsonage to literary fame contextualizing Jane Eyre and Villette within her struggles against societal constraints and familial tragedies Benson critiques Gaskell's idealized portrait exposing deliberate suppressions in her biography such as Charlotte's impassioned letters to Constantin Héger and her candid frustrations with Victorian gender norms The book situates Charlotte within the Brontë family's creative ferment analyzing Emily's Wuthering Heights and Anne's The Tenant of Wildfell Hall as parallel acts of rebellion Chapters on the siblings' pseudonymous publishing ventures and Branwell's decline reveal the interplay between genius and dysfunction Rich in literary analysis the biography examines how Charlotte's works subverted Gothic tropes to explore female agency and moral complexity Benson also addresses controversies including inaccuracies in Charlotte's accounts of Emily's life and the ethical dilemmas of posthumous editorial decisions The text aligns with categories like Literary Criticism Victorian Literature and Biographical Studies offering scholars and enthusiasts a rigorously documented yet accessible reappraisal

*A Stranger Within the Gates* Kathleen Constable, 2000 Kathleen Constable's ambitious work A Stranger Within the Gates investigates fully Brontë's Irish heritage and the way in which it is reflected in her literary endeavours including Jane Eyre and Shirley Constable draws on primary sources to illuminate the relations of Ireland and England then gives a conclusive literary background of the Brontë family An

analysis of both Brontë's juvenile and mature pieces reveals the persistence of Irish characters Irish nouns and Irish narrative elements that Constable argues point to Brontë's Irish consciousness The use of mask and theater in *Jane Eyre* is discussed as an anti colonial construct within the Victorian novel Finally Constable places *Jane Eyre* in the Big House literary tradition Together the four sections of this work aim to connect otherwise separate and unrelated fields of literary study the Victorian Novel and the Irish experience     *Routledge Library Editions: The Brontës* Various Authors, 2022-07-30 This set reissues 8 books on the Brontë family originally published between 1968 and 1999 The volumes cover the four Brontë children Charlotte Emily Anne and Patrick Branwell and provides an analysis and commentary of their most respected works This collection also provides a comprehensive collection of Patrick Branwell Brontë's works and the history behind his manuscripts This set will be of particular interest to students of English Literature     The Child Writer from Austen to Woolf Christine Alexander, Juliet McMaster, 2005-06-16 A collection of essays on the juvenilia of famous authors including Austen the Brontës George Eliot and Virginia Woolf     **Literature** , 1899
