

The background of the slide is a room with a blue sky and white clouds on the upper half, where a large brown dragon is flying. The lower half of the room has a light-colored floor with several symbols: two lions, two eagles, and two sets of hands. On the left and right sides of the room, there are two candelabras with lit candles. A large white rectangular box is centered in the room, containing the text "KEY SYMBOLS OF REVELATIONS".

religious end times It is a tale of the struggles of seven Empires and seven Faiths of their materialism and militarism and the resulting mess into which the world is now crescendoing furiously and fast These events center on the apocalyptic war waging between the Revelation beast of Muslim Militarism that drives the Middle East and the Revelation Babylon of Malignant Materialism that drives the Christian West The fall of both is inevitable with economic crises spiraling the globe into a paralytic depression now triggered by the COVID 19 pandemic and its aftermath The good news is that spiritual economics will arise and our painful end times into wonderful beginning times Apocalypse Secrets is a profound and astonishing work in biblical exegesis a real tour de force as a strikingly original scholarly remarkably holistic comprehensive and rationally consistent interpretation of the Book of Revelation Able intelligently probes and penetrates many of the great religious mysteries and cogently argues that Revelation extends far beyond its strictly Middle East Christic origin It transcends religious dogma bridges religious faiths and explains nineteen hundred years of troubling events in Christianity and Islam with amazing clarity and prescience It is amazingly detailed and thorough The author s stylish rhetoric is colorful and alive and his book beautifully crafted and researched making for an engaging enlightening and thought provoking read In the end a scholarly Translation Section decodes original Greek and Hebrew sources Its strikingly lively translation sticks to the intention of the Greek original It provides an authoritative base for his distinctive Parallel Interpretation For anyone striving to penetrate the hidden secrets of the Apocalypse Apocalypse Secrets is a must reading This exceedingly interesting book will influence many future works about the subject and become a template of understanding and peace for all After they read it people who are interested in prophecy will never look at the Book of Revelation the same again Visit [www.apocalypseinfo.com](http://www.apocalypseinfo.com) for more

**The Secret Code Cracking The Cryptic Cipher** Najm Al Fares, 2024-04-29 In this fast paced mystery a young protagonist receives a mysterious note setting off a chain of events that lead them to unravel a hidden code As they decipher the clues they uncover secrets and hidden messages that take them on a thrilling journey Along the way they encounter a cryptic puzzle box chase shadows and confront a web of lies Betrayals and unexpected alliances heighten the suspense as they race against time to unmask the culprit behind the cryptic conspiracy With unexpected twists and turns the protagonist infiltrates the enemy s lair uncovering a sinister plan As the deadline looms they face dramatic consequences but with the help of unexpected allies they ultimately reveal the long awaited secret In a genre that combines mystery suspense and betrayal Unveiling Secrets will keep readers on the edge of their seats until the final revelation *Finishing the Mysteries of Gods and Symbols* Seven Star Hand, 2010-09-17 Here is comprehensive proof that the symbolism of many ancient texts canons and concepts is an advanced and extremely ancient spiritual and philosophical technology that predates all extant religions and mystery schools Consequently here is proof beyond disproof that all three so called Faiths of Abraham are purposeful deceptions Accordingly related esoterica mystery schools and the New Age are rife with error caused by undue reliance upon the assertions of these religions and their leaders Throughout this book I present verifiable proof that

ancient sages and prophets opposed religion and wisely never trusted religious leaders As comprehensive validation of this they redundantly encoded stunning proof of why throughout pivotal symbolic narratives and related concepts The ancient sages and prophets hid vital secrets from religious leaders throughout the previous several millennia When these decoded details are compared to the history words and deeds of these religions and their leaders they finally prove the truth about many long hidden things These religions have always purposely imposed ignorance based on the deceptive recasting of earlier symbolic concepts and narratives that also expertly encoded the keys to ancient wisdom as redundant proofs of the truth Arrogant religious leaders while hypocritically lecturing others about morality have long overlooked that the ancient sages and prophets were painfully aware of their then current and future misdeeds and deceptions and patiently and expertly prepared for them
