## **Secret Teachings Of Jesus Four Gnostic Gospels:**

The Secret Teachings of Jesus ,1986-05-12 In December 1945 two Egyptian fellahin digging for natural fertilizer in the Nile River valley unearthed a sealed storage jar The jar proved to hold treasure of an unexpected sort a collection of some fifty two ancient manuscripts most of which reflect the teachings of a mystical religious movement we call Gnosticism from the Greek word gnosis knowledge The texts are also with few exceptions Christian documents and thus they provide us with valuable new information about the character of the early church and about the Gnostic Christians within the church In this volume Marvin W Meyer has produced a new English translation for general readers of four of the most important and revealing of these early Christian texts the Secret Book of James the Gospel of Thomas the Book of Thomas and the Secret Book of John

Secret Gospels Marvin Meyer,2003-02-01 Marvin Meyer is one of the leading experts on the secret gospels Gospel of Thomas Secret Gospel of Mark and others who has changed forever how we read the canonical gospels and understand early Christianity In this new collection of his work Meyer looks at these revolutionary texts in original and illuminating ways He writes for example about the naked youths in the villa of the Mysteries On the walls of a villa in Pompeii a famous mural depicts a naked male reading from a scroll a look of wonder on his face A naked youth again appears in the Gospel of Mark abandoning his garment and fleeing naked when apprehended during Jesus arrest A similar youth appears in the Secret Gospel of Mark These youths Meyer proposes serve as an image of religious initiation candidates for the mysteries of Dionysus or of Christ This is one of the many aspects of the secret gospels that Meyer examines with expert insight and creativity Topics range from gender and infancy stories to discipleship and the relationship of the Gospel of Thomas to Islamic literature Meyer s spellbinding readings of these materials offer fresh understandings of the canonical gospels Marvin Meyer is Griset Professor of Bible and Christian Studies and Director of the Albert Schweitzer Institute at Chapman University Orange California He is author of The Secret Teachings of Jesus Four Gnostic Gospels and The Gospel of Thomas The Hidden Sayings of Jesus and co editor of Jesus Then and Now Trinity Press International

**Hidden Gospels** Philip Jenkins,2002-12-05 This incisive critique thoroughly and convincingly debunks the claims that recently discovered texts such as the Gospel of Thomas the Gospel of Mary and even the Dead Sea Scrolls undermine the historical validity of the New Testament Jenkins places the recent controversies surrounding the hidden gospels in a broad historical context and argues that far from being revolutionary such attempts to find an alternative Christianity date back at least to the Enlightenment By employing the appropriate scholarly and historical methodologies he demonstrates that the texts purported to represent pristine Christianity were in fact composed long after the canonical gospels found in the Bible Produced by obscure heretical movements these texts have attracted much media attention chiefly because they seem to support radical feminist and post modern positions in the modern church Indeed Jenkins shows how best selling books on the hidden gospels have been taken up by an uncritical drama hungry media as the basis for a social movement that could have powerful effects on the faith and

practice of contemporary Christianity

### **The Beliefnet Guide to Gnosticism and Other Vanished Christianities**

Richard Valantasis, 2007-12-18 From its earliest days Christianity has been marked by a rich diversity of beliefs and practices. Different interpretations of Jesus' life and mission as well as conflicting views about worship and rituals gave rise to numerous sects in the first centuries C.E. Condemned as heretical by the official Church, these early movements were lost to history until the twentieth century when the discovery of ancient documents opened a new perspective on the evolution of Christianity. The Beliefnet Guide to Gnosticism and Other Vanished Christianities is a fascinating look at the diverse strands of the early Christian church. It examines the alternative Christian ideas propagated by the Gnostics, Sethians, Valentinians, Marcionites, Encratites, and Montanists, illuminating the philosophical sources and religious traditions that fostered them. Special attention is given to sects that presented the greatest challenges to the developing orthodoxy: the Hermeticists, the Manicheans, and the Neoplatonists. There are also thought-provoking discussions about the secret Gospel of Mark and the Gospels of Mary and Thomas, and the newly discovered Gospel of the Savior. From the premier source of information on religion and spirituality, the Beliefnet Guides introduce you to the major traditions, leaders, and issues of faith in the world today. This authoritative, fully accessible guide to early Christian movements sheds light on the hidden histories and intriguing mysteries that fueled the extraordinary success of books ranging from Dan Brown's blockbuster *The Da Vinci Code* to Elaine Pagels's critically acclaimed *Beyond Belief: The Secret Gospel of Thomas*. *The Story of Jesus* William H. Kautz, 2012-04

**THE STORY OF JESUS: AN INTUITIVE ANTHOLOGY** Many contemporary Christians suspect that there is more to Jesus and his enduring message than the little that has survived in historical writings and the legendary Christian tradition. This book offers a narrative account of Jesus' life from the perspective of twenty contemporary writers who have developed their natural intuitive abilities to an unusually high level. They are therefore able to bring forth new and detailed information not ordinarily accessible by historical or literary means. Some of them had demonstrated their unusual skill by probing deeply into the personal lives and minds of historical individuals other than Jesus, while some had provided important and detailed technical information which was then verified scientifically. They apply their intuitive skills here to uncover fresh information about the man Jesus, his contemporaries, and his extensive teachings, which never found their way into the New Testament Gospels and related historical documents. These new findings offer a much richer view of the man himself than that available from traditional Christian sources. They also provide illuminating insights and a deep spiritual understanding of Jesus' original and hidden teachings. *The Story of Jesus* is essential reading for all inquirers and seekers into these hidden and previously lost portions of Christian spiritual history. *Scandalizing Jesus?* Darren J. N. Middleton, 2005-11-03 2005 marks the fiftieth anniversary of Nikos Kazantzakis' *The Last Temptation of Christ*. Since Kazantzakis ranks as one of the twentieth century's most important European writers, and given that this particular work of his has garnered so much publicity, this collection of essays reassesses the novel, though not forgetting the movie, in light of one half century's worth of criticism and reception.

history Clergy and laity alike have denounced this novel When it first appeared the Greek Orthodox Church condemned it the Vatican placed it on its Index of Forbidden Texts and conservative evangelicals around the world protested its allegedly blasphemous portrayal of a human struggling Messiah who succumbs to the devil s final snare while on the Cross the temptation to happiness Assuredly the sentiments surrounding this novel at least in the first thirty years or so were very strong When Martin Scorsese decided in the early 1980s to adapt the novel for the silver screen even stronger feelings were expressed Even today his works are seldom studied in Greece largely because the Greek government is unable or unwilling to anthologize his material for the national curriculum After fifty years however the time seems right to re examine the novel the man and the film locating Kazantzakis and his work within an important debate about the relationship between religion and art literary and cinematic Until now a book length assessment of Kazantzakis novel and the film it inspired has not appeared No such volume is planned to commemorate the fiftieth anniversary of the novel s publication For those who work in Kazantzakis studies a focused anthology like this one is missing from library collections The volume contains original essays by Martin Scorsese the film critic Peter Chattaway and Kazantzakis translator Peter A Bien Josue Steven Propp,2005-11 Who is this man Josu is locked up in Shalem State Prison a maximum security institution He had never attracted much attention to himself before and was content to just do his own time But then something happened to him and now he s on a mission to share it Man I ain t never heard nothin like this guy exclaims Jamal one of the twelve prisoners that Josu has appointed to be his Reps and to share the Word about his message with the other prisoners Josu freely gives of himself praying for the healing of the many troubled people who flock to him and telling them stories about the New Order that God is going to establish very soon But the authority figures in the prison can t stand this arrogant challenger to their own power They try to embarrass Josu publicly and fail utterly But then when one of Josu s own followers offers to turn on him betrayal and greed lead to a violent climax Does this story sound familiar Then come and read an all too well known tale told in a fresh exciting way and maybe see some things in the story that you d never noticed before *The Truth about the Gospel* Dwight Nichols,2004-10 Nichols contends that if the gospel that Jesus commanded his disciples to preach had been taught since the death of Jesus in a manner that people could believe understand and embody the entire world would be in peace and harmony **The Apocryphal Gospels** B. argument involving a range of seemingly disparate topics that when considered together formulate a radically new narrative concerning the history and destiny of the human race      Growing a Soul on the Planet Earth Ron Levitan, Claire Levitan, 2018-05-25 Most of us think there are only two possible answers to the question Do you have a soul Either we have a soul which will live beyond death or there is no such thing as a soul and when we die nothing of us remains But what if neither of those answers is correct What if instead we are not born with a soul but we have the possibility of growing one Our potential for growing a soul was recognized by early gnostic Christians who practiced esoteric Christianity which dates back to and originated in ancient pre sand Egypt It is a sacred science of being a long hidden esoteric teaching that G I Gurdjieff brought to the West early in the last century and is called the Fourth Way How do we grow a soul Gurdjieff tells us The whole secret is that one cannot work for a future life without working for this one We must learn how to be present to ourselves in each moment to integrate body senses mind The techniques and practices Gurdjieff brought in the Fourth Way can show us how Is there life after death Thats the primordial human question Yes you have a soul How do you know Isnt it just societal belief If you have no soul okay heres how to live after dying William Patrick Patterson author of Georgi Ivanovitch Gurdjieff The Man The Teaching His Mission For those who have felt the wish or recognized the need to grow in themselves something higher the Levitans introduce Gurdjieffs authentic way of self transformation to do so They also explore other ways stemming from the same source throughout centuries and millennia up to the present time showing how Gurdjieff presented methods that completed what had been mostly lost forgotten or left out Mary Ellen Korman author of A Womans Work with Gurdjieff Ramana Maharshi Krishnamurti Anandamayi Ma Pak Subuh Essential reading conveying with unique clarity and directness a distillation of the deep spiritual ideas contained in Gurdjieffs Fourth Way teaching Faced with the question of soul Ron and Claire Levitan lead us to the deep esoteric meaning of that word and the responsibility it carries in giving significance to our lives the Earth and beyond Gurdjieffs language of neologisms often inaccessible is presented in a straightforward manner explaining the direct path to higher consciousness and conscience If youve ever wondered what soul is or what is meant by growing a soul this is the book youve been waiting for Teresa Adams instructor Haida yoga the Online Fourth Way School

**Alternative Christianities Volume I** Vince Nicola, 2014-02-17 Alternative Christianities is a series of books articles and lectures This is only Volume I which introduces the many ancient Christian sects that were ostracized and had their Sacred Scriptures what they were taught by one Jesus direct Disciples not only left out of the New Testament but also suppressed banned and destroyed in the early centuries of Christianity by the emerging universal catholic Christian Church Vince Nicolas is a historian not a theologian Vince is a teacher not a preacher Vince extensively researched this subject from the works of the best university religious studies professors in the United States Additionally in compiling his treatise Vince learned how the New Testament besides more Sacred Scriptures were consciously being left out than included many of the texts that were included had been repeatedly changed either accidentally or intentionally to suit the emerging Christian

church and their preferred Christian teachings then to accommodate the numerous and compounded Protestant Reformations Consequently today there is not ONE Christian Bible or ONE Christian religion but dozens of versions of the Christian Bible and thousands of iterations of Christian religions denominations sects and cults Christianity is a hodgepodge disaster as viewed by outsiders A 20th century discovery of these discarded ancient texts brought them back to light More amazing are the differences from the traditional Christianity being taught and followed today This made many of todays Biblical scholars theologians and university professors question whether we all have been led down the wrong Christian path for the past 2 000 years In fact these ancient discarded Alternative Christianities even make more sense in todays world and brings Christianity back to being a religion of Good News Maybe these recent discoveries were a Divine intervention to adjust Christianity back onto its right path the real path that was intended by Jesus Christ Maybe people now can have a fresh and refreshing new look at Christianity Volume I is guaranteed to pique your interest get you hooked and make you want to go more in depth in Volumes II and III This treatise is not only very enlightening and educational for Christians but also for our intertwined Abrahamic descendant Judaism and Islam relatives This is an ecumenical book it is not meant to convert anyone promote any religion or disseminate anyones beliefs This series is a MUST READ for any serious theology or religious studies student to have a complete comprehension of the Bible and Christianity especially if they are going to teach or preach it intelligently and correctly or just for your own education WARNING This series will ruffle many feathers among the ultra conservative and closed minded communities and promises to be very controversial GET YOUR CORRECT FACTS HERE
