Kim, 2021-07-01 This book offers a detailed analysis of the Gospel of Thomas in its historic and literary context providing a new understanding of the genesis of the Jesus tradition Discovered in the twentieth century the non canonical Gospel of Thomas is an important early text whose origins and place in the history of Christianity continue to be subjects of debate Aiming to relocate the Thomasine community in the wider context of early Christianity this study considers the Gospel of Thomas as a bridge between the oral and literary phases of the Christian movement It will therefore be useful for Religion scholars working on Biblical studies Coptic codices gnosticism and early Christianity *The Gospel of Thomas and Christian Origins* Stephen J. Patterson, 2013-07-25 The essays collected in *The Gospel of Thomas and Christian Origins* offer a series new chapters in the history of Christianity's first century Stephen J Patterson whose work on the Gospel of Thomas has circulated widely for more than two decades argues that taking this new source seriously will require rethinking a number of basic issues including the assumed apocalyptic origins of early Christian faith the supposed centrality of Jesus death and resurrection and the role of Platonism in formulation of both orthodox and heterodox Christian theology **The Gospel of Thomas in plain English** Bernard Luguern, An illustrated translation of the Gospel of Thomas in plain English with explanatory notes In 1945 twelve ancient books were found inside a sealed jar near Nag Hammadi Egypt One of those Gnostic tractates buried in the sand was the Gospel of Thomas one of the jewels of universal spiritual literature which is considered by some scholars as the fifth Gospel It is an anthology of 114 logia or sayings attributed to Jesus and collected by Jude Thomas his brother It is the earliest extant collection of sayings from the Galilean Bernard Luguern proposes a lively and modern translation of this apocryphal Gospel **The Story of Jesus** William H. tradition This book offers a narrative account of Jesus life from the perspective of twenty contemporary writers who have developed their natural intuitive abilities to an unusually high level They are therefore able to bring forth new and detailed information not ordinarily accessible by his tor ical or literary means Some of them had demonstrated their unusual skill by probing deep ly into the personal lives and minds of historical individuals other than Jesus while some had provided important and detailed technical infor mation which was then verified scien tifically They apply their intuitive skills here to uncover fresh information about the man Jesus his contemporaries and his extensive teachings which never found their way into the New Test ament Gospels and related historical documents These new findings offer a much richer view of the man himself than that available from traditional Christian sources They also provide illumi nating insights and a deep spiritual under standing of Jesus original and hidden teach ings The Story of Jesus is essential reading for all inquirers and seekers into these hidden and previously lost portions of Christian spiritual history Dictionary of Jesus and the Gospels Joel B.

Bütz, 2005-01-25 Reveals the true role of James the brother of Jesus in early Christianity Uses evidence from the canonical Gospels apocryphal texts and the writings of the Church Fathers to reveal the teachings of Jesus as transmitted to his chosen successor James Demonstrates how the core message in the teachings of Jesus is an expansion not a repudiation of the Jewish religion Shows how James can serve as a bridge between Christianity Judaism and Islam James has been a subject of controversy since the founding of the Church Evidence that Jesus had siblings contradicts Church dogma on the virgin birth and James is also a symbol of Christian teachings that have been obscured While Peter is traditionally thought of as the leader of the apostles and the rock on which Jesus built his church Jeffrey B tz shows that it was James who led the disciples after the crucifixion It was James not Peter who guided them through the Church s first major theological crisis Paul s interpretation of the teachings of Jesus Using the canonical Gospels writings of the Church Fathers and apocryphal texts B tz argues that James is the most overlooked figure in the history of the Church He shows how the core teachings of Jesus are firmly rooted in Hebraic tradition reveals the bitter battles between James and Paul for ideological supremacy in the early Church and explains how Paul s interpretations which became the foundation of the Church are in many ways its betrayal B tz reveals a picture of Christianity and the true meaning of Christ s message that are sometimes at odds with established Christian doctrine and concludes that James can serve as a desperately needed missing link between Christianity Judaism and Islam to heal the wounds of centuries of enmity The Gospel Truth Patrick T. Rhoads, 2020-07-31 The skepticism

holding sway in our public society practically screams that one cannot be serious and also be Christian This work exposes the lie to such skepticism This book adopts the scientific method to demonstrate the underlying facts recorded in the Gospels The arguments rely solely upon reason and objective criteria to substantiate their conclusions This fast paced work by a nuclear engineering executive with more than thirty five years of experience will defy expectations Rigorous and systematic this apologetic work is curated with verve energy and wit It will pique the interests of academics and lay audience alike by answering these questions Why is the resurrection a necessary but not sufficient condition for the rise of Christianity Who founded Christianity Hint it was not Saint Paul as many suppose Why did the church retain all of the Hebrew Bible even though only a small fraction pertains directly to the New Testament How does the church rectify the necessity of justice with the virtue of mercy Why did his first followers call Jesus the Christ while fully aware that he did not satisfy the expectations of the Christ in the Hebrew Bible At the end of the book readers will ask the same question about Jesus that Jesus asked of the apostles Who do you say that I am

The Divine Code Martin D. Caldwell,2025-03-04 The Divine Code Aeons and Esoteric Christianity There exists a truth older than time itself deeper than any visible doctrine A living truth buried beneath layers of dogma silenced by decrees and forgotten by collective consciousness Yet it pulses silently at the core of the human soul waiting to be remembered the Aeons Between the vastness of the Pleroma and the illusory veil of matter lies a living hierarchy of cosmic intelligences luminous forces that not only uphold the invisible order of the universe but also preserve the echoes of primordial wisdom Each Aeon an emanation of the supreme source carries a fragment of divine consciousness weaving a hidden bridge between the human and the transcendent They are the guardians of Gnosis the lost keys to spiritual liberation What doctrines suppressed this path reveals The veil separating the soul from its origin begins to tear exposing the forgotten memory of who you truly are not a separated being but a spark of the Pleroma a living reflection of the primordial light The journey home begins with awakening Each page unveils a portal Each revealed concept reverberates within you echoing the truth your soul has always known
