Wong then a starry eyed Maoist immediately reported her to the authorities and Yin disappeared Wong chronicled that brief meeting in her bestselling book *Red China Blues* Now a decade after *Red China Blues* and thirty four years after that fateful encounter Jan Wong revisits the Chinese capital to begin her search for the woman who has haunted her conscience She wants to apologize to somehow make amends At the very least she wants to discover whether Yin survived Emotionally powerful and rich with detail Beijing Confidential weaves together three distinct stories Wong s journey from remorse to redemption Yin s journey from disgrace to respectability and Beijing s stunning journey from communism to capitalism **A Comrade Lost and Found** Jan Wong,2010-02-02 A suspenseful elegantly written account of the author s return to China after thirty years to search for the woman she betrayed to the authorities Publishers Weekly starred review In the early 1970s at the height of the Cultural Revolution Jan Wong traveled from Canada to Beijing University where she would become one of only two Westerners permitted to study One day a fellow student Yin Luoyi asked for her help getting to the United States Wong then a starry eyed Maoist from Montreal immediately reported her to the authorities and shortly thereafter Yin disappeared Thirty three years later hoping to make amends Wong revisits the Chinese capital to search for the person who has haunted her conscience At the very least she wants to discover whether Yin survived But Wong finds the new Beijing bewildering Phone numbers addresses and even names change with startling frequency In a society determined to bury the past Yin Luoyi will be hard to find As Wong traces her way from one former comrade to the next she unearths not only the fate of the woman she betrayed but the strange and dramatic transformation of contemporary China In this memoir she tells how her journey rekindled all of her love for and disillusionment with her ancestral land Gone is the semirural capital where the author s revolutionary course of study included bouts of hard labor and self criticism sessions In its place are eight lane expressways lit up like Christmas trees shiny skyscrapers and the largest shopping mall in the world Wong is a gifted storyteller and hers is a deeply personal and richly detailed eyewitness account of China s journey to glossy modernity Publishers Weekly starred review **Prose fiction** Leeds Public Libraries,1907 **Secret Ritual and Manhood in Victorian America** Mark Christopher Carnes,1989-01-01 In this study of American 19th century secret orders the author argues that religious practices and gender roles became increasingly feminized in Victorian America and that secret societies such as the Freemasons offered men and boys an alternative male counterculture Cultural Secrets as Narrative Form Margaret K. Reid,2004 Cultural Secrets as Narrative Form Storytelling in Nineteenth Century America examines the interplay between the familiar and the forgotten in tales of America s first century as a nation By studying both the common concerns and the rising tensions between the known and the unknown the told and the untold this book offers readers new insight into the making of a nation through stories Here identity is built not so much through the winnowing competition of perspectives as through the cumulative layering of stories derived from sources as diverse as rumors circulating in early patriot newspapers and the highest achievements of aesthetic culture And yet this is not a source study the interaction of

texts is reciprocal and the texts studied are not simply complementary but often jarring in their interrelations The result is a new model of just how some of America s central episodes of self definition the Puritan legacy the Revolutionary War and the Western frontier have achieved near mythic force in the national imagination The most powerful myths of national identity this author argues are not those that erase historical facts but those able to transform such facts into their own deep resources Book jacket The ...
