You'll get a daily mentor to guide you through any challenge big or small and to ignite your passion for your team and your company. With this book as your roadmap, you can carve out your own unique path to leadership greatness at work, at school, and anywhere else you play an integral role in the success of those who follow you. Whatever is holding you back from the team you've always wanted, the company you've always wanted, and the results you've always wanted, this book will solve those problems and make your dreams a reality with 300 practical and actionable secrets. Learn how to discover your why, coach employees beyond the skills of their current position, eliminate bad habits like micromanagement and burnout, establish a bigger picture mission and vision for yourself and your team, use the data to identify your team's weak spots, build your own leadership tribe, mentor the next generation of leaders at your organization. This book is a practical and essential toolkit for entrepreneurs, managers, executives, board members, founders, sales professionals, and other leaders looking for ways to maximize results and motivate the people they lead to produce their best work. **The Power of Going All In** is an essential text for anyone looking to go beyond fancy corporate titles and take their leadership to new heights. **Speed Coaching** Qaiser Abbas, 2024-01-09. You don't have to be a certified coach to benefit from proven coaching tools and principles. **Speed Coaching** is written to help leaders make the best of what coaching offers: the dialogue, tools, and mindset to think like a coach, listen like a coach, talk like a coach, and act like a coach. The book will help you learn how to spot and take advantage of daily opportunities to engage your teams in quick, focused, and meaningful coaching conversations, leveraging those interactions to transform themselves, their teams, and their organizations. Instead of making coaching a structured, rigorous process offered to only a few key executives at the top, **Speed Coaching** aims to introduce coaching as an exchange of ideas and dialogues between employees and managers at all levels, that is, positive, motivating, and forward-looking. **Speed Coaching** is intended to help leaders take advantage of the quick, often taken-for-granted conversations with their employees on a daily basis. It allows leaders to coach on the fly whenever the opportunity arises, taking a sip of the coaching process that is spontaneous, improvised, and powerful. **The Secret of Coaching and Leading by Values** Simon L. Dolan, 2020-06-07. Coaches play a major role in helping people understand their values and the values of their surroundings and helping them make choices and adapt. Sometimes the choice may be to find a situation more in sync with your values. Or it may mean working hard on yourself or in concert with your partner, team, or organization. Whatever we need to do to attain it, a positive fit makes for a happier person, and a happier person will be more successful. This accessible and practical book will help coaches, educators, leaders, and managers understand the philosophy, methodology, and tools that can be used to make a person happier, healthier, and more productive at work and in life in general. This book compiles short vignettes from over a dozen global academics and celebrated executive coaches sharing information about aligning values in different settings. Based on years of research and written for readers from all walks of life, you will learn that when you understand your core values, place them on a triaxial template, and align them with your definition of success, everything changes. It will help you

come out of your comfort zone in order to embrace the future and enhance the quality of your life For this you need a concept a methodology and effective tools all of which are offered in this book Rich with practical step by step methodologies and tools to facilitate values led leadership coaching and mentoring this book is essential for any change agent be it a coach a leader an educator or any person who is interested in learning how to become more effective improve their practice and engage in self or professional coaching At the same time it will enhance leadership qualities **Advanced Leader**
