Selected Letters:

Selected Letters Charles Olson, 2000 In this volume edited and annotated by Ralph Maud we see Olson at the height of his powers and also at his most human The nearly two hundred letters selected from a known three thousand demonstrate the wide range of Olson s interests and the depth of his concern for the future As we read through the letters which span the years from 1931 when Olson was an undergraduate in college to his death in 1970 a fascinating portrait of this complex poet and thinker emerges Jacket

Jack Kerouac Jack Kerouac, 1995 It was in his letters that Jack Kerouac set down the raw material that he transmuted into his novels exploring and refining the spontaneous prose style that became his trademark The letters in this volume written between 1940 when Kerouac was a freshman at college and 1956 immediately before his breathless leap into celebrity with the publication of *On the Road* offer invaluable insights into Kerouac s family life his friendships with Neal and Carolyn Cassady Allen Ginsberg Gary Snyder and William S Burroughs his travels love affairs and literary apprenticeship At once fascinating reading and a major addition to Kerouac scholarship here is a rare portrait of the writer as a young adventurer of immense talent energy and ambition in the midst of writing and living an American legend

Love, Amy Amy Clampitt, 2007 This extraordinary collection of letters sheds light on one of the most important postwar American poets and on a creative woman s life from the 1950s onward Amy Clampitt was an American original a literary woman from a Quaker family in rural Iowa who came to New York after college and lived in Manhattan for almost forty years before she found success or before it found her at the age of 63 with the publication of *The Kingfisher* Her letters from 1950 until her death in 1994 are a testimony to her fiercely independent spirit and her quest for various kinds of

truth religious spiritual political and artistic Written in clear limpid prose Clampitt's letters illuminate the habits of imagination she would later use to such effect in her poetry She offers with wit and intelligence an intimate and personal portrait of life as an independent woman recently arrived in New York City She recounts her struggle to find a place for herself in the world of literature as well as the excitement of living in Manhattan In other letters she describes a religious conversion and then a gradual religious disillusionment and her work as a political activist Clampitt also reveals her passionate interest in and fascination with the world around her She conveys her delight in a variety of day to day experiences and sights reporting on trips to Europe the books she has read and her walks in nature After struggling as a novelist Clampitt turned to poetry in her fifties and was eventually published in the New Yorker In the last decade of her life she appeared like a meteor on the national literary scene lionized and honored In letters to Helen Vendler Mary Jo Salter and others she discusses her poetry as well as her surprise at her newfound success and the long overdue satisfaction she obviously felt along with gratitude for her recognition
