The Selected Short Works of Frederick Merrick White

Frederick Merrick White, 2020-09-28 The era of peace which seemed to be well begun in 1906 was naturally marked by an extraordinary commercial and financial activity an amount of world wide speculations never equalled in intensity even in the mad times of the South Sea Bubble or when Hudson the Railway King flourished The countless millions piled up in English banks earning a 2 per cent interest were lavishly withdrawn new mines had been started everybody was going to be rich On the face of it people had good grounds for their sanguine expectations The Rand with its forty square miles of rich gold bearing reefs containing an untold number of immense fortunes the richest region on earth was properly administered for the first time From the highest to the lowest everybody was investing their savings in South Africa In other words there was a tremendous boom Nothing like it had ever been seen in the history of commerce It was the golden hour of the promoter Yet for the most part the schemes promised well There was however an enormous amount of rubbish in the market Some of the more thoughtful financiers scented danger ahead but they were not listened to The roar of the Kaffir circus resounded in men's ears and made them mad Park Lane would never be able to hold the new millionaires All England was in the grip of the mania Bona fide speculation and business had become gambling pure and simple London thought of nothing else The City was crammed with excited buyers and operators the little outside broker of yesterday came down to his office behind a pair of blood horses and his diamonds were a solid sign of his new prosperity A busy day was drawing to a close Carl Ericsson sat in his office smoking a cigarette Ericsson yesterday had been waiter in an unimportant restaurant Today he had a fine set of offices and a small mansion at Hampstead He had arrived on the crest of the wave as many far less astute adventurers had done There was a peculiarly uneasy grin on his dark features a curious twitching of the lips and he had the tired eyes of the sleepless His partner sat opposite him behind a big cigar He was a fat man with a big jaw and a merciless mouth Six months before Eli Smith had been a fairly well to do suburban butcher Now he was E Asherton Smith the big financial agent He boasted with truth that he could sign a cheque for 40 000 and be none the worse for it In the area of the City it would have been difficult to find two choicer specimens of rascality than the partners in Ericsson Co

Hallenbeck, 2009-08-11 Fun and fright have long been partners in the cinema dating back to the silent film era and progressing to the Scary Movie franchise and other recent releases This guide takes a comprehensive look at the comedy horror movie genre from the earliest stabs at melding horror and hilarity during the nascent days of silent film to its full fledged development with *The Bat* in 1926 to the Abbott and Costello films pitting the comedy duo against Frankenstein's Monster the Mummy and other Universal Studio monsters continuing to such recent cult hits as *Shaun of the Dead* and *Black Sheep* Selected short films such as Tim Burton's *Frankenweenie* are also covered Photos and promotional posters interviews with actors and a filmography are included

The War for Late Night Bill Carter, 2010-11-04 Bill Carter executive producer of CNN's docuseries *The Story of Late Night* and host of the *Behind the Desk Story of Late Night* podcast details the chaotic transition of *The Tonight Show* from host Jay Leno to Conan O'Brien and back again In 2010 NBC's CEO Jeff Zucker had it all worked out when he moved Jay Leno from behind the desk at *The Tonight Show* and handed the reins over to Conan O'Brien But his decision was a spectacular failure Ratings plummeted affiliates were enraged and when Zucker tried to put everything back the way it was that plan backfired as well No one is more uniquely suited to document the story of a late night travesty than veteran media reporter and bestselling author Bill Carter In candid detail he charts the vortex that sucked in not just Leno and O'Brien but also Letterman Stewart Fallon Kimmel and Ferguson as frantic agents and network executives tried to manage a tectonic shift in television's most beloved institution
