RYUNOSUKE AKUTAGAWA

Loualitys Other Stories:

The Art of Dying and Other Stories Githa Hariharan, 1993 Twenty stories of contemporary Indian life by an astonishingly original writer This striking collection of stories demonstrates the remarkable range of one of India's most accomplished writers Sometimes comic yet tinged with sadness as in *The Remains of the Feast* where an old woman near the end of her life suddenly feels the urge to sample all the food she has been forbidden sometimes with a twist as in *Gajar Halwa* where Chellamma a servant girl from a small town finally understands what makes a big city work sometimes moving as in *The Reprieve* and always executed with a precision of style and magical imagery these stories never fail to surprise and delight

The Trojan Horse and Other Stories Julia Kindt, 2024-01-11 How does the non human help define the human This powerful exploration of ten mythical creatures reveals who we really are

Rashomon and Seventeen Other Stories Ryunosuke Akutagawa, 2007-04-05 Ryunosuke Akutagawa 1892-1927 is one of Japan's foremost stylists a modernist master whose short stories are marked by highly original imagery cynicism beauty and wild humour *Rashomon* and *In a Bamboo Grove* inspired Kurosawa's magnificent film and depict a past in which morality is turned upside down while tales such as *The Nose* *O Gin* and *Loyalty* paint a rich and imaginative picture of a medieval Japan peopled by Shoguns and priests vagrants and peasants And in later works such as *Death Register* *The Life of a Stupid Man* and *Spinning Gears* Akutagawa drew from his own life to devastating effect revealing his intense melancholy and terror of madness in exquisitely moving impressionistic stories

Durvasa's Mantra and Other Stories, 2006 *The Ghostly Bride & Other Stories* N. Maheswari Devi, 2019-09-09 In these stories the narrators are individuals hapless in the face of some kind of trouble An overworked doctor a returning soldier a worried husband or an ambushed lawyer in each case the supernatural is an unwanted guest that comes knocking Whether it is for better or worse however is only revealed at the end keeping the reader in suspense as the plot unfolds Even in this modern age of science there are many episodes that are simply beyond our ken *The Dalvey Estate* *Midnight Visitor* for instance recounts the strange events in a ward that lead a medical man to wonder if there may be something else at work to aid him in his noble calling Similarly the husband in *The Eerie Guardian* prides himself on his no nonsense attitude easily dismissing his colleagues warnings as flights of fancy Yet it is only when he becomes trapped in a living nightmare that he begins to seek the truth behind his misfortunes At the same time these are more than dime store pulp horror Though the stories tell of grisly figures and tragic pasts at their very heart they are about fundamentally human emotions The lingering memory of safety that a parental figure evokes in *The Robin Road* *Peanut Seller* The violent anger at familial betrayal and stolen love in *The Ghostly Bride* Look beyond the tattered rags and chilling voices that these spectres wear like armour and you may find something that is not so different from you and I after all *The Cold Equations & Other Stories* Tom Godwin, 2003 This is a collection of stories by a master of science fiction adventure with added dimensions of speculation and cold hard realism *The Boy in Grey and Other Stories and Sketches* Henry Kingsley, 1895 **Gallegher,**

Sedinger,2010-10 Today there is a renewed interest in the Biblical book of Revelation

which naturally brings to mind the word apocalypse Because Revelation is best known for its wild symbolic imagery some people will naturally assume this title to imply the same approach This isn't the case the word can also mean simply prophetic and that certainly describes the Bible We are daily presented with the bad news of the world In contrast the Bible is the Good News the rain that cleanses our soul the amazing grace assuring us that God is still in control regardless of the situation Through studying his Word we are programming our conscience for right or wrong in thought and action That is the reason we need not only to read but to study the Bible daily The Good News of the Apocalypse offers assistance with that study with a brief comprehensible discussion of every book in the bible arising from Sedinger's experience with a study group for teenagers Everything in life is under God's control and so Pastor Sedinger refers to life as God's Dance The Good News is that Jesus came to teach us how to dance with God
