Louis C. Tiffany's Glass-bronzes-lamps Robert Koch,1971 A complete or definitive catalogue of the products of Tiffany Studios that would include all the objects associated with Louis C Tiffany the founder of the firm can never be compiled The extraordinarily prolific character of this artist and designer described in detail in his biography Rebel in glass led him to venture into a very wide variety of materials and media and to employ many other artists and designers to carry out his ideas pg 13 The Art of Louis Comfort Tiffany M.H. De Young Memorial Museum,1981 **The Grove Encyclopedia of**

American Art Joan M. Marter,2011 Arranged in alphabetical order these 5 volumes encompass the history of the cultural development of America with over 2300 entries The Grove Encyclopedia of Decorative Arts Gordon Campbell,2006-11-09

The Grove Encyclopedia of Decorative Arts covers thousands of years of decorative arts production throughout western and non western culture With over 1 000 entries as well as hundreds drawn from the 34 volume Dictionary of Art this topical collection is a valuable resource for those interested in the history practice and mechanics of the decorative arts

Accompanied by almost 100 color and more than 500 black and white illustrations the 1 290 pages of this title include hundreds of entries on artists and craftsmen the qualities and historic uses of materials as well as concise definitions on art forms and style Explore the works of Alvar Aalto Charles and Ray Eames and the Wiener Werkstatte or delve into the history of Navajo blankets and wing chairs in thousands of entries on artists craftsmen designers workshops and decorative art forms *Objects, Audiences, and Literatures* Carma Gorman,David Raizman,2009-03-26 In *Objects Audiences and*

Literatures Alternative Narratives in the History of Design five art historians tap a variety of unexpected literary sources to reveal the dynamic relationship between intention and reception in architecture interior design costume and the decorative arts The essays consider both handcrafted and serially produced objects from the eighteenth to the mid twentieth centuries including a japanned high chest from colonial Boston German and Austrian Artistic Dress Tiffany lamps the architecture of the 1925 Exposition Internationale des Arts Decoratifs et Industriels in Paris and the dream homes portrayed in two popular postwar American films The five chapters demonstrate that a complex and even contradictory mixture of stakeholders determines the meanings of designed objects Each author examines popular forms of literature in order to reveal the preconceptions that viewers brought with them to the experience of looking at and using objects The authors attentiveness to viewers class and gender provides a methodological model for approaching the study of reception within the field of design history *Objects Audiences and Literatures* introduces a new generation of historians of design and decorative arts with five superb case studies Looking beyond the laconic historical data that has formed the backbone of scholarship in this field these authors plumb popular culture films advertisements and especially novels to understand contemporaneous meanings of objects Using these polyglot sources with an eye particularly on narrative and gender they suss out heretofore unnoticed dissonances between the prescriptive pronouncements of avant garde insiders and the reception that design innovation

found in broader publics These wide ranging essays are marked by imagination exuberance and acuity I look forward to using it in my teaching Margaretta M Lovell University of California Berkeley This is a welcome addition to the literature that addresses the growing scholarly and popular interest in design and design history Drawing on an impressive array of examples the authors explore how class gender and cultural context shaped the reception of architecture interior design costume and the decorative arts at various moments in the modern era The collection is noteworthy for the way each of the contributors draws upon literary sources for insights into design and material culture that transcend the specific examples under review Models of methodological rigor these essays should appeal to scholars in multiple disciplines Dennis P Doordan University of Notre Dame

The Rich Cut Glass of Charles Guernsey Tuthill Maurice Crofford, 2001 In this detailed narrative of the business Tuthill founded the patterns he created the techniques he used and the other artisans and consumers he knew Maurice Crofford has written the story of an earlier more elegant and leisurely era For those knowledgeable about cut glass the development of the forms will be instructive for others who simply appreciate the beauty of the glass the numerous black and white photographs will appeal Beyond both of those dimensions

however Crofford provides a fascinating insight into the ways industrialization and mass production and more especially the automobile changed forever the ways upper class Americans lived entertained and displayed their good fortune In Tuthill s career moreover Crofford finds an example of American ingenuity and creative genius in responding to changing times BOOK JACKET Catalog of Copyright Entries.
