Dog's Best Friend? John Sorenson, Atsuko Matsuoka, 2019-11-14 In almost 40 per cent of households in North America dogs are kept as companion animals Dogs may be man's best friends but what are humans to dogs If these animals loyalty and unconditional love have won our hearts why do we so often view closely related wild canids such as foxes wolves and coyotes as pests

predatory killers and demons Re examining the complexity and contradictions of human attitudes towards these animals Dog s Best Friend looks at how our relationships with canids have shaped and also been transformed by different political and economic contexts Journeying from ancient Greek and Roman societies to Japan s Edo period to eighteenth century England essays explore how dogs are welcomed as family consumed in Asian food markets and used in Western laboratories Contributors provide glimpses of the lives of street dogs and humans in Bali India Taiwan and Turkey and illuminate historical and current interactions in Western societies The book delves into the fantasies and fears that play out in stereotypes of coyotes and wolves while also acknowledging that events such as the Wolf Howl in Canada s Algonquin Park indicate the emergence of new popular perspectives on canids Questioning where canids belong how they should be treated and what rights they should have Dog s Best Friend reconsiders the concept of justice and whether it can be extended beyond the limit of the human species

Touching the Edge Margaret Wurtele,2007-08-17 Praise for Touching the Edge Touching the Edge is an homage to love loss and the rising grace that comes when grief is transformed into peace Margaret Wurtele s bow to her son Phil is a story

we can all recognize within the context of each family's dance with death. Her words can heal the fall of a human heart. Terry Tempest Williams, author of *Refuge*, *Red*, and *Leap*, *Touching the Edge* is an extraordinary memoir. Margaret Wurtele writes of the most painful events a parent can ever imagine and yet she writes so honestly, so clearly, with prose as lucid and shimmering as cut crystal that the book shines with a quiet grace. I too have a single grown child. I read this book and trembled. But I also saw through Margaret Wurtele's eyes a glimpse of the light that guided her through the darkness. It was a privilege to read this book. Susan Allen Toth, author of *Blooming*, *A Small Town Girlhood*, and *My Love Affair with England*. I happened to be climbing on Rainier the day that Phil was killed and I often wondered who he was, what he was like. Now thanks to this beautifully told account I have a very good idea. And I have an even clearer sense of what it means to be a parent and a child of God. This book will choke you up, but the tears will be more than worth it. Bill McKibben, author of *The End of Nature* and *Long Distance*, *Testing the Limits of Body and Spirit in a Year of Living Strenuously*. The experience of love and loss when shared can become the alchemy of a rebirth of the spirit in others. In this journey to the other side of grief, Margaret Wurtele is fearlessly true to her experience of loss and makes herself available to be an agent of transformation for her readers. This is the glory of the human story; we really are members of one another, whether we realize it or not. Alan Jones, Dean of Grace Cathedral, San Francisco, and author of *Seasons of Grace*, *The Soul's Journey*, and *Living the Truth*. Ski, 1973-11. *Novel Destinations*. Shannon McKenna Schmidt, Joni Rendon, 2008-05-20. It's often said that a good book takes us somewhere we've never been before, and here's the proof: a book lover's Baedeker to more than 500 literary locales across the United States and Europe. *Novel Destinations* invites readers to follow in the footsteps of much-loved authors, discover the scenes that sparked their imaginations, glimpse the lives they led, and share a bit of the experiences they transformed so eloquently into print. If you're looking to indulge in literary adventure, you'll find all the inspiration and information you need here, along with behind-the-scenes stories such as these: After Ernest Hemingway survived two near-fatal plane crashes during an African safari, he perused his obituaries and sipped champagne on a canal-side terrace in Venice. Washington Irving's wisteria-draped cottage in the Hudson Valley was once occupied by members of the Van Tassel family, immortalized in *The Legend of Sleepy Hollow*. A mysterious incident at a stone tower near Dublin made such a vivid impression on James Joyce that he drew on it for the opening scene of *Ulysses*. Sir Arthur Conan Doyle consulted on the mystery of Agatha Christie's 1926 disappearance before she resurfaced under an assumed name in northern England. Nathaniel Hawthorne's *The House of the Seven Gables* was inspired by a seaside manse in Salem, Massachusetts, infamous for witch trials in which his ancestor played a role. Ski, 1981-10.
