Christmas Or so everyone keeps telling him Rick loves his partner Eliot and is very fond of his friends But a man's patience can only stretch so far The day of Auntie's birthday turns out to be a very confusing and distracting time for him and everyone except him seems to be in on it From covert meetings to secret recipes to mysteriously vanishing decorations and even through a very hot but surprising seduction Rick is led astray until the day is almost over And then his friends show another side of their meddling Auntie Pop had love and respect from many of the escorts at the Haven and it looks like her day will be fondly remembered after all And Rick and Eliot may have the chance at last to make their own special commitment that's if Rick ever forgives all the subterfuge this Christmas special is a self contained story but it features all the characters who live and work at the Haven so it may be more fun if you've read the previous books **Library Journal** Melvil Dewey, Richard Rogers Bowker, L.
