Love Letters An Anthology From The British Isles 975 1944:

Love Letters James Turner,1970 **Love Letters of Great Women** Ursula Doyle,2009-11-23 A beautiful companion volume to successful *Sex and the City* inspired collection *Love Letters of Great Men* As a companion to *Love Letters of Great Men* this anthology gives the other side of the story the secret hopes and lives of some of the greatest women in history from writers and artists to politicians and queens From the private papers of Anne Boleyn and Jane Austen to those of Emily Dickinson and Georgiana Duchess of Devonshire *Love Letters of Great Women* collects together some of the most romantic letters in history In an age of cellphones texts and twitters this timeless and unique collection reminds us that none of our new modes of communication can compare to the simple joy of sitting down to read a letter from the person they love most making this a keepsake both men and women everywhere will want to give and receive **Reviews and Essays of Austin**

Clarke Austin Clarke,1995 Austin Clarke is widely regarded as one of 20th century Ireland's most important poets In this selection of nearly fifty essays and reviews written over Clarke's long career he demonstrates that he is an astute and provocative literary critic as well Having grown up in Dublin when the excitement of the Irish Literary Revival was still running high Clarke knew many of the principal figures of that movement personally and his readings of Yeats Joyce Synge O'Casey Lady Gregory George Moore and others enjoy the advantages of an insider's point of view Moreover committed in his own poetry to the basic assumption that fuelled the Literary Revival that the most productive course for Irish literature lay in the direction not of England but of Ireland Clarke in his criticism provides a way of understanding and judging the Revival's major writers in terms of their relationships to Ireland's rich literary and cultural traditions At the same time these essays call attention to a number of distinctly Irish but often overlooked writers working on the margins of the revival As Yeats observed more than once the Irish for all the contributions that they have made to modern fiction poetry and drama have fallen somewhat short in the genre of literary criticism Austin Clarke's essays and reviews many of which were written under a pseudonym and so not attributed to Clarke for years go a long way towards filling that gap **Encyclopedia of the Essay**

Tracy Chevalier,2012-10-12 This groundbreaking new source of international scope defines the essay as nonfictional prose texts of between one and 50 pages in length The more than 500 entries by 275 contributors include entries on nationalities various categories of essays such as generic such as sermons aphorisms individual major works notable writers and periodicals that created a market for essays and particularly famous or significant essays The preface details the historical development of the essay and the alphabetically arranged entries usually include biographical sketch nationality era selected writings list additional readings and anthologies **The British Library General Catalogue of Printed Books to 1975**
