Memoirs of a Friend of God Donald Nason,2024-05-09 I wrote this book to show people God is not about religion He is about relationship As I wrote I asked Him to inspire me to remember the significance of our walk together so to help people find that relationship and encourage my fellow believers I do not claim to be a theologian I am just a country boy called by God into ministry He has carried me throughout my life providing rescue needed help and sustaining me through beautiful Spring days as well as the ferocious storms that came my way God has helped me write this book for two major reasons First to supply enough evidence for anyone seeking to know God the significance of His Spirit providing the abundant Life I believe that life is available to everyone in God's family My second reason is to encourage believers by showing them how God has sustained me through every day of my life This is how that life works for me It is not about Riches Status or Fame The Abundant Life is being available to God and seeing Him at work in our lives When I realize God has accomplished something totally beyond my capability knowing it has to be Him that is the Abundant Life I can tell you firsthand that gives me an anointing of joy from His Spirit that is far beyond anything the world has to offer *Writing Thank-You Notes* Gabrielle Goodwin,David Macfarlane,1999 Demonstrates different types of written thank you messages while exploring the basic elements of a letter *Spiritual Communication, &c* S. provide insight on the writing craft and the business of getting published Learn from the experts From publisher s description **Courtship and Marriage in Victorian England** Jennifer Phegley, 2011-11-15 This book examines the popular publications of the Victorian period illuminating the intricacies of courtship and marriage from the differing perspectives of the working middle and upper classes In contemporary culture the near obsessive pursuit of love and monogamous bliss is considered normal as evidenced by a wide range of online dating sites television shows such as *Sex in the City* and *The Bachelorette* and an endless stream of Hollywood romantic comedies Ironically when it comes to love and marriage we still wrestle with many of the same emotional and social challenges as our 19th century predecessors did over 100 years ago *Courtship and Marriage in Victorian England* draws on little known conduct books letter writing manuals domestic guidebooks periodical articles letters and novels to reveal what the period equivalents of dating and tying the knot were like in the Victorian era By addressing topics such as the etiquette of introductions and home visits the roles of parents and chaperones the events of the London season model love letters and the specific challenges facing domestic servants seeking spouses author Jennifer Phegley provides a fascinating examination of British courtship and marriage rituals among the working middle and upper classes from the 1830s to the 1910s *Sisters, Seeds, and Cedars* Fountain, Sarah M., History consists mainly of the milestones the turning points of time What are often lost in the fray are the details Thankfully for those who have a hunger for history books like *Sisters Seeds and Cedars* exist to fill in some of the gaps of history The book contains letters from two sisters Cornelia and Clara Originally from Alabama Clara moves on to Arkansas while Cornelia stays where her roots are Clara eventually puts down roots of her own and the sisters continue to converse through letter writing for their entire lives The letters span the generations and provide insight into everyday life between 1850 1928 Without them it might not be known that a dewlarkie is most likely a slang word of the period for a beau The letters also provide details of the effects of the Civil War on the citizens of the South As the sisters recover from the war they must adjust to their new lives filled with carpetbaggers and sharecroppers While it may be impossible to know all the details of history letters that have survived and have been preserved in a book like *Sisters Seeds Cedars* paint a more complete picture of events that have shaped the world and families alike Sarah Moseley Fountain is a native Arkansan dedicated to Arkansas literature history and culture She lives in Conway Arkansas
