Lyrics of Love (Classic Reprint) Charles R. Dinkins, 2015-07-08 Excerpt from *Lyrics of Love* Despite untoward environments there are some choice spirits who breaking their birth's invidious bars mount as it were upon eagle's wings to the sublimest heights in the realms of fiction fancy or fact where Nature's God designed that only kindred souls should meet No amount of secular or sacred training can either make or unmake such men They are born to their stations not made heirs to such a heritage The mystic bee drops the honey of persuasion on but few tongues in the domain of eloquence These would be eloquent whether savage or sage Euterpe and Polyhymnia oft discounting the rhetorician's rules allow but few mortal eyes in fine frenzy rolling to sweep from earth to heaven in striving to express the thoughts of God and the heart of man Among

these latter few Charles R Dinkins seems to belong While his eyes and mine may have doubtless left some errors of rhythm or rhyme in his verses and while our judgment may have passed over even graver faults yet I believe this little book will profit please and help to sanctify those readers who admire genius whether crude or erudite About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Lyrics of
